The Honorable Jesse Helms
Committee on Foreign Relations
United States Senate
Washington, D.C. 20510

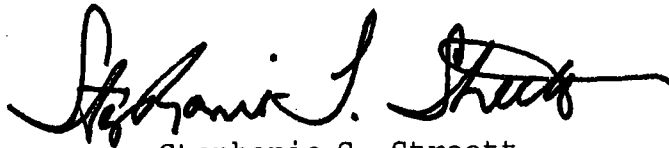

Dear Chairman Helms:

On behalf of President Clinton, thank you for your interest in the President's participating in the National High School Model United Nations Conference on March 24-27, 1999 in New York City.

Unfortunately, the President will be unable to travel to New York City for this important event, however, I am pleased to report the President will be sending a message to be read at the event in his absence.

As always, should you need further assistance, please feel free to contact my office.

Sincerely,

Yes, Tim, we've got this one in the works; it's one that we do every year, so it's safe to mention in your response to Sen. Helms.

Has a decision been made on whether this group will get a message? Sen. Helms has written in on behalf of the invitation and though the President will not be attending, I'd like to include language in the letter specifying that a message will be sent (if that is what PLM chooses) on his behalf.

Thanks,

Tim

Mr. Timothy Emrich
Director, Presidential Scheduling Correspondence
OEOP 185.5

Washington, DC 20503

Dear Mr. Emrich:

One of my constituents has informed me that the President has been invited to address the National High School Model United Nations Conference (NHSMUN) in honor of the 25th Anniversary.

I would encourage the President to fulfill this request as a positive step in his proposed educational agenda. The young people attending this conference have worked hard to make it this far, and they believe that the President's attendance would be an acknowledgment of their efforts.

Thank you for your consideration of this request. Kindest regards.

Sincerely,

JESSE HELMS
