October 18, 1993

President & Mrs. Bill Clinton
The White House
Washington

Dear President & Mrs. Clinton:

Thank you for your prayers and kind words regarding
the passing of my father.

Your expression of concern, in addition to meaning
a lot to my family and me, will without a doubt
give "Pops" bragging rights in the place we refer
to as the here-after.

Again, please know that the Jordan Family is most
appreciative of your well wishes.

Sincerely,
