Dear Mr. President,

On behalf of the "AS SOLID AS HIS ROCK!" Granite State Elvis Presley Fan Club, we would like to offer you a complimentary lifetime membership into our newly formed fan club.

It is only fitting that where you never took New Hampshire for "GRANITE", our club should only recipricate with you. Our state is home to the first in the nation primary, and now we have formed the first in the nation New Hampshire Elvis Fan Club. That's right , New Hampshire has never before honored the King OF Rock And Roll with a fan club until now.

Please accept our membership and accept our best wishes for you and your family.

We look forward to having you join our Elvis World here in the Granite State.....

Keep up the good work in Washington, and we are certainly proud of what you are doing to help recover America's dreams and aspirations.

Sincerely,

Brett Mallard
President
Granite State Elvis Presley Fan Club
