DEAR SIR,

I AM WRITING YOU BECAUSE OF YOUR INTEREST IN UFOS. MY NAME IS BROOK BEECHER AND I AM A MEMBER OF NICAP IN WASHINGTON D.C. WE ARE APPEALING FOR YOUR HELP UNCLEARING UP THIS MYSTERY HEADED BY THE USAF. THE AIR FORCE EXPLAINS AWAY SIGHTINGS ALOT OF TIMES WHEN THEY CANT BE. WHEN ONE OF THIER OWN MEN SEES ONE THEY TELL THEM TO WRITE IT DOWN AND KEEP QUIET. A.F. REGULATIONS 2002A PAR.9 AND II TELLS THEM NOT TO REVEAL CLASSIFIED UFO REPORTS OR TO DISCUSS IT TO THE PUBLIC. LAST SUMMER ON AUG 3, PEOPLE ALL OVER THE STATES SAW THEM AND THEY WERE TRACKED ON RADAR. THE AIR FORCE SAID IT WAS JUPITER AND THE STAR RAGAL. IT SOON WAS FOUND OUT THAT JUPITER AND RAGAL WAS ON THE OTHER SIDE OF THE EARTH AND TO THE USAF IT REMAINS UNIDENTIFIED. TO GET MORE INFORMATION I I SUGGEST YOU GO TO NICAP HEADQUARTERS 1536 CONNECTICUT AVE NW. IN WASHINGTON D.C. THANK YOU BROOK BEECHE R.

Hon. Gerald Ford -

Dear Sirs -

Due to many of the seeming impossible phenomena in our skies to day - I am very much interested to know why our government is not offering an intelligent explanation of U.F.O's? It would it be possible for you to introduce a bill before the Congress to clarify this situation? I would stand the possible fallout on panic & on our economy - but it would seem that we have the possibilities to create a much finer society on earth than we now have. Thank you for your consideration. Myself, Mrs. Sheila Hodges

Dear Mr. Ford:

I am very interested in finding out the real truth about U.F.O's and was told that you are the one that can do something about it if there is enough people asking the same question.

Well here is one. My Sharp eyes

We hope to receive true information soon.

Since so many have been seen, the government could at least admit to the public what it knows about them, instead of hiding knowledge regarding them.

controversy regarding U. F. O. sightings was being clarified by our government.

I have just learned that you have called for an investigation into the Unidentified Flying Objects that have been plaguing us and I want you to know that I support you in this action.

Dear Sir,

Apr. 25-1966

I am in favor of Congress investigating the secret cover up of U.F.O.'s by the air force. The taxpayers money is used to support the air force. Congress should force the air force to make public U.F.O. information in its entirety. In fact I would like to know who is the power or authority who is causing the air force to remain silent on the subject of U.F.O.'s. Congress should investigate the President of the U.S.A. if necessary because Congress is the Supreme Power in U.S.A.

DEAR SIR,

I think the public has the right to know about flying saucers. I wish with the public and give heard a quite a few people talk about them. as they do believe in them. But said they think the government should tell them the truth. I will be glad to hear from you.

Dear Sir: 4-27-66
Please try to bring "Flying Saucers" to the public.
I have seen three (3) ships + have been convinced years ago that they are from other planets. I don't think they should be called U.F.O. because they can identify themselves if they wish. I might help if you would send me a special in your bible. Glad to hear from you - thanks Floyd Brown
