UFO

NHA

Beloved friend Ford,

I hope that by reading enclosed material you may gain a knowledge as to what and why is going on. We come under the direct council of the UFO "Hierarchy" if you still prefer UFO as S.O.P. We are common ordinary peoples who know the whole truth of the U-F-O. situation. Please don't refer to us as fanatics or religious idiots for if we were these you surely would have heard from us long ago shouting like idiots. We are probably the most serene peoples you will ever meet while still being the greatest fun loving peoples. Tolerance of our fellow man is one of our main themes. Some peoples would Hoodwink you with a cable tow if you would let them while others put out lip services of oration for their own personnel gain. There sits 7 hills - where you know.

PHOTOCOPY FROM GERALD FORD LIBRARY

I will assure you that our peoples my beloved friend are not Anti American. The hostile attitude you hold toward us has prevented us from saving those who wish to be saved. You ask saved from what. You people have sown the winds by exploding of Atomic devises into the atmosphere. Now You must reap the whirlwinds. My heart is truly saddened as to the hostile attitudes of the races go against each other. ~~You~~ are losing here in America, your love and respect for law and order. so we must step into the picture. When I say love and respect for law and order I mean peoples in cities against our men in blue. We need them and they need us, at the present time. We will lay our books wide open to the F.B.I. or anyone who wants peace, love and happiness. The place has come where we will destroy any nation or any peoples who will

stand in our way to love peace and happiness. As to the Ann Arbor Area, Why dont you try leaving the Amish Peoples alone? We are in dire need of those humble loveable peoples as farmers. Has anyone of these peoples tried to shove their way of living down your throat? We humbly ask you in the name of the Lord Jesus Christus Supreme Commander of U.F.O.'s to please wake up. There are other peoples besides you. President Johnson has heard from myself upon several occasions, and Douglas Cater has answered. In closing I will say God Bless you all to come to a better relationship with us. In His Holy name I pray for you all to night.

Wayne D. Mc Caffrey
282 Ouer Court
AKRON OHIO
44304

Beloved friend Ford,

You seek the answer to UFO's in the wrong places. You should seek the Answer in II Kings 2 Chapter 11th verse for one, then Psalms 68-17, God is not mocked, nor are His Sons. As a nation which salutes a flag as being a nation under God you have certainly loused up. You have broken all the commandments and still say you are Holy. You pushed the Amish around in Michigan, Exploded Atomic devise, murdering in Viet Nam, ect. There is a large list but these will do for a few till we get you all in our courts of the Higher Powers. No my beloved friend we want to give you a chance to repent, we have pleaded and begged you to watch but as of now to no avail, so we sent for help to the Higher Powers. They have answered as you all should plainly see by now. Isa 13.

My heart is heavy and full of sadness to watch such a Great Nation come to nothing after all. What has He who gains the world and loses his own soul? The Northeast Blackouts should have told you a story, had you been alert. The Great storms of last spring should have told you a story, Jackson Miss is only a preview of coming attractions if you don't repent. The old Whore World Commercialization which sits upon the seven continents is about to tumble so that we all may live in love peace and happiness now unknown. We of Ashtar Command will freely give all the help and time that is needed. All you have to do is ask us. You state that any object flying around has to be an American. My beloved friend, you are so wrong. So wrong. God help you! Please Please believe we love all peoples

3

we understand you have weaknesses.
We want to help you as we have
been helped. We can do nothing
whatsoever unless you are ready
and willing to humbly come to a
degree of humility. Remember this
beloved friends.

We do not advise our enemies.
They don't want it.

We do not advise our friends.
They do not need it.

But we do profess encouragement
one from the other through our
Supreme Commander Jesus Christ.
I AM Forgiveness for yesterday
THAT Courage for today
I AM Hope for tomorrow. Exodus 3-14

Also. Our Father which Art in Heaven
loves You the same as I, He is not
Pres Johnsons Father, the Negros
Father, or anyone specials Father.
He always was and will always
remain, our Father, when we
surrender to His Love. Which shall
it be for you? His Love or His wrath?

This is ORACLE #3...We have a better idea now of who is REALLY reading the material and who is not....who is absorbing it, and who is skimming over it...who is truly waiting for it to come, and who lays it aside to read when time can be found for it. Like we have said, the SPIRITUAL MONITORS are on the job all of the time, and there is no one who receives this message who is not watched closely. The Spiritual HOST uses such mediums to keep a check on planetary beings. For what purpose? Well, a very important purpose. The SPIRITUAL KINGDOMS are set to WATCH OVER the planetary beings, and to guard, protect, guide, and instruct. The greater Governing Body requires these records from the SPIRITUAL GUARDIANS in order to program their actions in regards to the PLAN. Simple instructions are given in order to detect how observant and how receptive Earth Children are. To give you an example: In the latest release it was suggested that 1 Tim. 4, should be read, and from this we receive all manner of response. One question that came from one who praised the material very highly, was: "Do we have to stop eating meat in order to raise our vibrations?" Now the point here is obvious that this one DID NOT read the suggested scripture. From another we received a very heated and heavily underscored demand to be removed from the mailing list...obviously they did read it, and VIOLENTLY disapproved. We were frankly surprised that we did not lose more readers, maybe we did, and just did not hear from them. So if you are one of them, please do us the kindness of releasing your issue for BROADER MINDS to receive. You see, Timothy did not say that you HAVE to eat meat, he only said that (you do not have, not) to!!! Does that make sense? Timothy DID present PRINCIPLES, and that is just what we are doing, and whether you eat meat or do not eat meat makes no difference to us, and it made no difference to Jesus, or to any of the other great Teachers. A few minor teachers have come along expounding on the virtues of non-meat-eaters, and this has a major significance to those who are striving for Astral or psychic attunement, but is not one of the major features for those who are ascending unto the MENTAL CHRIST Consciousness. There is a vast difference between the two aspirations.

It is a sad thing indeed to see someone give up all the physical habits of the world with the sense that this is making them SPIRITUAL, while still breaking all the LAWS and PRINCIPLES of attitude toward others. Back-biting, condemnation, judgement, criticism, selfishness, self-righteousness, are not over-come by the food you eat, but are the spawn of the thoughts you think, and these things are what keep you from making progress. How CHRIST-LIKE was the hateful attitude of the violent letter? Did abstinence from MEAT make them gentle and loving? Did it give them TOLERANCE? Do they DO unto others as they would desire others to do unto them? Why do we magnify this? Because it is a fine example of mis-use of PRINCIPLE, and is that not what we are seeking?...the comprehension of DIVINE PRINCIPLE? We will MAGNIFY all of these things, and those who are big enough to advance into the great-concepts of UNIVERSALITY, will analyze and seek the answer through their attunement with the GREAT SPIRIT within.

To paraphrase what Timothy said, we might say it this way: Do not follow the advice of others just because you think they are great spiritual leaders, and do not pattern your life to PLEASE others, but pattern your life to PLEASE your DIVINE SELF. If you FEEL that you do not desire to eat meat, then this FEELING must be inspired from the SPIRIT WITHIN, and not because someone tells you this is the way. Each child of the Father MUST develop according to the DIVINE DIRECTOR of his own being. THIS IS PRINCIPLE!!! Many run to and fro in these times, not knowing which way to

ANDY KINNEAR - MARY LOU'S Brother

633-2055

PHOTOCOPY FROM GERALD FORD LIBRARY

turn, for they have listened to the lo here and the lo there, and the thou shalt not until they reach a state of confusion. If every preached TABOO was adhered to by one person, they would not live in the flesh for very long, and that does not infer that they would ascend, but infers that they would succumb to the grave. Practically EVERY "fruit" of the Spirit is "forbidden" by one prophet or another. There are more "things" that kill the flesh than you could itemize on one sheet of paper. But in TRUTH, there is only one KILLER and that is ATTITUDE....such things as FEAR, hate, and the like. We were told that those who developed the CHRIST LIKE ATTITUDE would be able to pick up scorpions and drink poisons...etc. Somewhere in the Bible the reference is made, "That which I feared has come upon me."...and this is TRUTH, for "As a man thinks in his heart, so is he." You are expected to understand these PRINCIPLES and to practice them. Of course we are not suggesting that you drink poison and pick up scorpions, but we do suggest that these things will not create FEAR in you IF you are aspiring unto CHRIST.

One more word in regards to the eating of animal flesh. If your REASON is by INNER DIVINE DIRECTION, then your excuse is VALID...but if you use the excuse that it is because you can not tolerate KILLING, or eating the flesh of one that has been slaughtered, then you are deceiving yourself if you still wear leather shoes, belts, or carry leather purses, wallets, use some types of glue, any types of bone implement leather jackets, fur coats. leather covered books, leather upholstery, and sundry other items too numerous to mention. This then cannot be a valid reason if these other items are in your possession in one form or another.

There are some of God's Children in the world today that would die if they did not eat meat...some because of organic conditions in the form, others because of their geographic location. It is possible that some fanatic will say: "Well, if they were higher evolved they would not be in such locations." PIFFLE!!! If you are highly evolved such trifles make no difference...Mastery is DOMINION. No one is a MASTER that can be influenced by ANY outside condition. If one "Can't stand this, and can't stand that", then they do not have DOMINION, but instead are being DOMINATED by world conditions. Every being has the right to CHOOSE that which they desire, but no being has the RIGHT to dictate what another can choose. However, you have the right to choose to be dictated to if you so wish...we merely point out the PRINCIPLE.

Many of the teachings that have been infiltrating the west are from the East, and the most influential of these are those of India. Many of the ritualistic practices of India are not harmoniously adaptable in the western world, and they were designed for India, just as many of the Teachings of Moses were designed for people who wandered in the desert. A teaching always has within it the TIMELY doctrines that are applicable only to that time and that people, but you will find that the SPIRITUAL PRINCIPLES are the same in ALL TEACHINGS. Spiritual Principles are NOT ritualistic but realistic and they are a part of UNIVERSAL LAW which when broken bring about their retributions.

Many incarnate in the West have a soul influence of the East, and this has been inculcated into their present society and surroundings, and whether this is good or bad it is not ours to say, but only this: Everyone is in his surroundings to learn the lessons of that condition, and to run from a condition is not to command it. The number of people that prefer to live in their past lives is alarming, and is retrogression. What we stand amidst is what we are to give attention to, and growth comes by going forward and NOT backwards. Remember Lots wife? She turned to a pillar of salt when she LOOKED BACK...to look back is to crystalize. Another PRINCIPLE!!!!

It is a scientific fact that the climate of India is not conducive to the eating of animal flesh, and this has been a practice in that country since antiquity. In the beginning it was not a part of religious dogma, and irrespective of what you may have been told, Buddha did not teach this as a PRINCIPLE, the teachings of this great Avatar were basically the same as those of Jesus, and there is naught in Christ's Teachings that disagrees with his. They blend as one great teaching when properly understood. Buddha's theme was SELFLESS SERVICE, the forgetfulness of self in the serving of others. In the original teachings of this great one, it was not designed that man should dwell upon his progress, nor was he to be concerned regarding his personal attainments, spiritual or otherwise, but was to lose himself in the SERVICE of EXPRESSING GOD QUALITIES unto others. Much has been added since those days.

Now with all of this said, the final capstone of the idea is: Follow your OWN LIGHT, and give others the same respect. Because another's WAY is not your own, do not JUDGE, for the WAY another travels is the way his SOUL must go to learn that which HIS FATHER desires for him. A TRUE teacher does not indulge in worldly instructions, but teaches the things of the SPIRIT which are of the MIND. When man reaches the SPIRIT through his love and surrender to the GOD SELF, his feeling world guides him in directions he must travel. No man is your MASTER, only GOD!!!!

October 30, 1965 At this point in the ORACLE the entire pattern is being changed. This is to compensate for the many DELAYS we have run into. We will make the rest of this ORACLE do the job for several parts of the program. This was begun quite sometime ago, and it should have been to press and out to you long before this, but the stencil-cutter broke down and it had to be sent to shop for repairs. While this was being done it was time to put out the regular issue, so we began the stenciling of the BULLETIN and other items in the old way, typing stencils. When the machinery came back we already had the other material printed, and decided that the ORACLE would be cut down in size so that they could all be sent out together. Many of the original items of the ORACLE are being omitted since they are dated and of not much value at this time. We cannot send out more than five pages for the price of one stamp, so we have to limit this issue, and since there is much more that should be given at this time, we are going to continue getting material ready and send it as soon as POSSIBLE.

ALEUTIAN INCIDENT...So the bomb was set off in the Aleutians despite the many warnings from various sources, plus NATURE'S attempt to block it. The winds blew for two scheduled TEST DAYS causing delay. However, man who does not really believe in GOD, does not believe in HIS WAYS of warning. It is too late to STOP it, and it is too late to STOP the consequences. We are told that this will be known as Man's GREAT FOLLY. There is not a more tender spot on the planet today. The greatest trigger areas are, Siberia and the Aleutians. The other side of the planet will be heard from on this one, possibly before local effects become obvious.

WHAT WE HAVE BEEN DOING...Holding the line for TRUTH on the planet today becomes increasingly difficult. So many of the SIGNS are manifesting that people are restless, and confusion is showing forth even among HIS CALLED. We have been asked by the Host to make as much material available as possible and to strive to circulate it as widely as possible, and this is YOUR challenge too. With this in mind we have been running off reams and reams of material, making covers for the material, folding, gathering, stapling, and getting back issues ready to distribute. The first SIX issues of the ASHTAR COMMAND BULLETINS are ready, and they are in a folder that is appealing and quite presentable. The next six will be ready soon, and we will then announce their availability. (Please do not request material until we ANNOUNCE it is READY. This eliminates much office work and record keeping, and this is very vital, as your channel is the ONE MAN OFFICE FORCE HERE.) The BULLETINS will all be put up in folders of SIX and these are for you to pass to others to read so you will not have to let loose of your note books of material....also, to be sent to those you think will benefit from them. DO NOT SEND IN NAMES FOR US TO MAIL THEM TO, instead ask for them to be sent to you and YOU send them to those you want to send them to. If you want a copy for mailing, please stipulate this and we will be happy to inclose an envelope for this purpose. Please learn to be very SPECIFIC in your requests. Since this is a job that involves a great deal of time and effort, we must ask that you ASSIST in what way you can.

We have MUCH given to send forth, but we can only distribute it into the WORLD as the materials needed are supplied.

PHOTOCOPY FROM GERALD FORD LIBRARY

ITEM #2. Your channel has been busy printing all of the back issues of the T.O.T.S. as well as the M.T.D.'s plus the material that was sent with them for the past four years. This consists of approximately 80 pages of typewritten material. We have it printed and ready for gathering into individual manuscripts, and this has a cover that makes it possible to keep it in this form or in a loose-leaf binder. This material will be supplimented from time to time with charts and diagrams. Each NEW release can be added to it, and you will have at your finger tips the PROGRAM as it has been given by the CHRIST HOST. This may be asked for by those who are SUPPORTING the work, and do not have all of this back material for study. It will be sent to those NEW SUBSCRIBERS who are serious students, and are supporting the PROGRAM. This has been a monumental task, and one we are happy to be able to perform. Your HAND is needed to promote the work to greater expansion. We do not advertize, solicit, nor ask for specific payment...as we work steadily and with RIGHT ACTION with CHRIST. BE A PART OF IT WITH US, and do your share to SPREAD HIS MESSAGE, and SUSTAIN HIS MESSENGERS.

ITEM #3

The GREEN SHEET that you are being sent with this mailing is a CIRCULAR, and we will supply YOU with these for placing around in places where they will be picked up and read. Order them in amounts you can dispose of. Material that is sent forth from this FOCUS is not to be re-printed and distributed by others, for it is of this FOCUS, and the support for this MATERIAL should come to this FOCUS so that we can MAINTAIN it. This again is PRINCIPLE, and should be adhered to by all of the GROUPS, as that which is given through them is also to sustain them, for if the SERVANT is not taken care of, the work cannot be produced. God gives to each the talent that is theirs to share with the world. All of our material is available to you, and we have not nor will we put a price on it, but we RELY upon the GUIDANCE OF THE SPIRIT, and what you can do toward the support of the work is at all times thankfully received and used to maintain the FOCUS and its DUTIES. We do not DEMAND full compensation from those who do not have it to give, for there are those who willingly give more so that others may receive. PLEASE SEND THESE CIRCULARS AFIELD, for someone may pick one of them up and feel the SPARK stir in his heart.....and you will be instrumental in leading another lamb to the FOLD. You may never KNOW who picked it up, but you can be assured that IT WILL BE READ, for it has been designed for this purpose by the BROTHERS, and will appeal to ALL. It is a CALL TO ALL EARTHLINGS TO LISTEN, and there will be those who WILL, and they will ask for INFORMATION and we will send them the FIRST SIX BULLETINS. If they are interested they will desire to be on the mailing list, and they will then be ONE WITH US. REMEMBER, we are not establishing a SCHOOL upon the planet, but we are WORKING FOR CHRIST to spread the MESSAGE OF THE KINGDOM.....JOIN US IN THIS GREAT CALLING.

IMPORTANT MESSAGE TO BE RELEASED: Just as soon as I get this material in the mail to you, I am going to transcribe a message off tape from the CHRIST, and it will consist of several pages, and this will be mailed out to you. We believe this to be one of the most IMPORTANT messages we have ever received, and that it will be a BLESSING to all who read it. From time to time, other messages from the Planetary MASTERS and the SPACE HOST will be made available.

Now, because of all of the work that has been mine to do, the desk is piled high with your wonderful letters which have not been answered. These letters may never be personally caught up with. Will you accept our deepest gratitude for your communications and your gifts? Can you release me from that BIG job for a BIGGER one? I promise to acknowledge all receipts of funds, but it will take a while to catch up. In the future it would assist greatly if you would send an addressed post card if you want an IMMEDIATE acknowledgement. This could be posted back to you by return mail. Your channel is now working all day and up to 3 a.m each morning, and shall continue to do so. The LORD gave me this job to do, and I am going to do it with his HELP, and believe me there are others who stand here with me and

do what can be done by others. You would not receive this MESSAGE if this were not so....but your channel has to be left alone much of the time because the work that has to be done by her requires attunement and it is not until it is time for work to issue forth that others can be of much assistance. I am deeply grateful to those in our wonderful group who understand this necessity and work with me in harmony in it. It requires much patience and understanding from them. They are the silent ones that make so much possible by their co-operation in many ways. Also, there have been times when if they had not dug deep for the postage or paper supplies, the MESSAGE would not have gone out. They are true SERVERS in CHRIST.

FLYING SAUCER ACTIVITY...You are all well aware of the great "flap" of U.F.O's that started in July of this year. Papers all over the country carried these stories, and there were many magnificent pictures taken and also published, but the AIR FORCE EXPERTS continued to deny and to make stupid the majority of these sightings and to such an inane degree that people ceased to make reports. We have articles that came pouring in from all over the world and with them the reply of the "officials". It became so disgusting that one wonders how TRUTH can possibly exist in a world that is being run by horses wearing "blinkers". Just the same, the reports are still coming to us from individuals and the activity has not decreased, but has just gone "Q.T." as far as reporting it to officials. This is a real shame, isn't it? For this information should be given to the WORLD CONSCIOUSNESS, but because of stupidity in HIGH PLACES, it is not fulfilling the PLAN as well as it could...but we will say this to you...LOOK, and you will see, and seeing you will KNOW, and knowing you will be silent...and this is the only way at this time. One very intelligent gentleman who was blessed with a sighting that would be a joy to anyone, gave his report to the proper authorities, and the explanation that was given to him made him so mad that he swore he would NEVER report anything he ever saw again even if he thought it was something of a detrimental nature to this country. He was an ex-service man of the higher ranks, and stated that he had worn many hats but one hat they weren't going to make him wear was a DUNCE hat. These things make one rather sad.

A group here at the Focus observed one of these spectacular sightings and we watched it for several moments. Others reported this, and the papers really did a fine job of making all manner of foolish comments, and the officials made all manner of crazy explanations and as far as we could see, none of these even came close to what really happened.....soooooo it goes!!!!!!

FOOD FOR THOUGHT...Have you seen the COMET? There is not much being said by science regarding this, at least not for publication. Those who were early risers had the wonderful chance to SEE this one. This one could be seen with the NAKED eye too. So it can be added to the other two such Comets. Seems like everytime a Comet comes to pay a call, it is given another name.....! It is an interesting point, and we refer you to OUR comments in regards to COMETS. (January 10th LETTER issued with T.O.T.S. #16...(1964)....Also, WHITE STAR RELEASE of Feb. Mar. 1964..bottom page #1....The last page of RELEASE Sept. '64 AHREND ROLAND reference.....Then in the Feb. March RELEASE that was sent with T.O.T.S. #17, on page two, third paragraph...appears this statement. "The Earth will pass through a Comet's rubble, and her face will bear forever the scars." It is interesting to compare all of these items, and there is INDEED, food for THOUGHT.///There are GREEN fire-balls flying around again....???

TAKE NOTE ON THIS ONE: Remember the WARNINGS given in the first two or three T.O.T.S.? It would serve you well to re-read these! EXPLOSIONS...FIRES...and the one we now wish to call to your attention...CONFUSION!!!! We have been watching the increase of this in minor details and also in larger incidents. How about the one where our planes bombed the WRONG town? A case of CONFUSION on the part of those responsible for making the proper designation on a schedule board. It is getting serious when fate

of entire populations rests in the hands of the HUMAN element of RIGHT IDENTITY. What COULD happen along these lines is shuddering to think of. The energies that are coming through now with increasing intensity will cause greater and greater confusion. Did you know that a WRONG button pushed could set off all the missiles aimed in defense of this country??. Let us pray that fingers do not get nervous, and that if it depends upon AUTOMATION that the machinery does not fail. From all reports people are getting TRIGGER HAPPY, and there have been several cases in L.A. alone where somebody got shot ACCIDENTALLY....This is no time to be fooling with fire-arms. Watch yourself as we pass through this CONFUSION frequency, and stay STAIID in the BALANCING LIGHT OF CHRIST. One tremor of emotional instability, and you are subject to these prevailing conditions of CONFUSION. Heed the warnings that have been given...and KEEP COOL.!!!!!

ON ORDERING MATERIAL./// The GREEN SHEET is to circulate and you may have as many as you can USE.☆☆ /// The ASHTAR COMMAND BULLETINS #1 through #6 are now bound for your LIBRARY or to SHARE WITH FRIENDS. This is called T.O.T.S. SERIES #1. Please be SPECIFIC when ordering. Envelopes for re-mailing are also available, and please state how many you wish envelopes for. You won't need one for the copies you are going to keep for yourself. Please keep your orders for this item at five or under at the present, as we have not made them up in large amounts as yet.///☆☆ The MANUSCRIPT of all back releases, bound to be used as they are or to be placed in a loose-leaf binder. Later we will have these available for you to obtain as GIFT COPIES for those you feel would be interested.///☆☆

ILLUMINATORS are also available to those of you who are on the regular mailing list. If you do not have these, we suggest that you order them. #1 #2 #3 #4 ///☆☆ All back material is also available by page or by issue so you can bring your note books up to date. We will be releasing a TABLE OF CONTENTS soon, and it will be included with the LOOSE-LEAF manuscript material that is sent...also, it will be available to you separate for your note books.

This last page has been left sitting in the typewriter for the final word, and we have been printing the other sheets in the meantime, but the machinery has NOT been repaired PROPERLY, and hours and days have been spent trying to adjust it, but to no avail. Reams of paper wasted, stencils, and time, etc. I had to stop the press in the middle of printing page #5 and resort to typing the stencils over again.

We are appealing to YOU for your help again, and if you want this work to continue, it is going to REQUIRE the help of the CHRIST DEDICATED SOULS in its SUPPORT. This is the only way we can continue in the face of the added expenses and all that is required of us at this time. While we are making an effort to have the machinery repaired, your channel will continue with the transcribing of the message from ESU, and we ask that you pray with us that RIGHT ACTION will be made manifest.

There is nothing we desire more than that the material that is given to us for you be sent forth and that it be made available to you, and my whole life is dedicated to this one PURPOSE...I have no other interest, but can only do that which the material supplies which are necessary allow...and when I run out of that, my hands are tied. It is more important RIGHT NOW with ARMAGEDDON in full force, that we STAND UNITED and CARRY FORTH THE BANNER OF CHRIST. ☆☆☆☆☆

☆☆ WHITE STAR ☆☆☆

PHOTOCOPY FROM GERALD FORD I LIBRARY

MASTER TEACHER DISCOURSES

WHITE STAR...P.O. Box 307..Joshua Tree, Calif. 92252..HIERARCHY RELEASE #8

Beloved Ones....!

I will speak to you now of matters pertinent to your fuller comprehension of PRINCIPLES as they specifically apply to those whose sincerity and dedication in SELFLESS service has carried them forth from the accepted world standards into a concept that no longer identifies itself with its surroundings. Those whose pattern of IDEAS and IDEALS can no longer find full avenues for expression and acceptance upon a WORLD-STAGE that is not set for their expression. To these it would seem that life hangs in suspension between planes of BEING...Not yet fully conscious upon the HIGHER stage, but being out of step upon the lower planes of life.

I would not have you WEARY as you await the CHRIST-CONSCIOUS fulfillment which now you stand ready to receive unto yourselves. Instead, I would have you KNOW the Principles involved that create this period of APPARENT suspension.

Many through growth of experience and directed attunement have found themselves no longer a part of the world in which they abide, but instead, a part of a greater expansion of consciousness...No longer satisfied or propelled by the THINGS that are of concern and interest to their fellow-man...No longer able to actively interest themselves in patterns of established worldly society, and still not able to find a FREEDOM of expression for their advanced drives and IDEALS.

These, not understood by those who have been left behind upon the world-stage of drama, find solace only in the warmth of inner-glow that emanates from the love that flows into their hearts from the CHRIST CENTER of their BEING. A LOVE that demands EXPRESSION into the world of man. This Great Love drives these CHRIST POSSESSED ones to share their GREAT TREASURE of soul with those who yet walk in the darkness of confusion. This LOVE can rarely be accepted or absorbed by thankless humanity, unless it manifests to them a potential of material gain. Worldly man gages love by its expression of benefits to his general comforts of worldly expression, and knows little of love that contributes only to his growth of soul.

Man will worship intangible gods, giving TRIBUTE to IMAGES of DIVINITY, only to reject the REALITY of that IDEAL when it presents to him a challenge which calls for self-sacrifice and denial of worldly-comforts. Learning the positive use of UNIVERSAL LAWS to gain his own comforts of worldly stuffs, he refuses the steps of surrender which offer themselves for the PURIFICATION of his nature that would ultimately bring him into a FULL-LIGHT and God-Son FREEDOM. He would prefer to express his nature upon the world-stage of flesh gain...turning away from that which offers sacrifice of falsehoods in order to gain...TRUTH. SMALL measure is accepted for its ease of attainment and its satiation of flesh-ease, instead of LARGE measure which can come only through crucifixion of the baser self.

Crucifixion be only smally comprehended by minds who seek limited answers, concerning themselves only with self-centered results. So naturally it be quite easy to accept what mostly seems to them a theory that God hath one son who died for all their sins, making it only necessary to perform lip-service at specific times to this false-god they have established, in order to feel at ease over their wayward attitudes of life. This christ-image which has been established, satisfies the selfish-man, in that it alleviates the necessity of his doing anything himself except giving alms to gain favors.

When the TRUE-CHRIST-IMAGE projects itself, dissolving the glammers of falsehood that indolent-man has covered it with, man flees from the REALITY for fear of being caught in his weaknesses and consequently led to the responsibility of facing himself and taking upon himself the burden of CHANGE, and the responsibility of self-growth through evaluation, discrimination, and self-cleansing.

The QUALITIES of CHRIST must be incorporated into the soul of the individual and this can come only by individual ATTUNEMENT with those PRINCIPLES until they are a NATURAL CONDITION of soul. All false conceptions and reactions must be up-

PHOTOCOPY FROM GERALD FORD LIBRARY

rooted and replaced with TRUTH. This change creates a condition of opposing concepts within the one who takes the STEP toward SONSHIP.

The long path of learning TRUTH once man has turned toward LIGHT, holds no tempting glammers to the self that has held command upon the stage of WORLDLY gains. Principles of self-acclaim, deceit, and worldly-gain, MUST be laid aside, and in their stead a humble surrender to the POWER of GOD DIRECTION. Only by slow degrees of self-evaluation and abnegation to the demands of flesh, can TRUE values be un-veiled for the ASPIRANT to view.

At first, the PRINCIPLES of TRUTH seem harsh because the values do not come in their fullness of LIGHT, and man conceives in limitation, the PRINCIPLES OF CHRIST, placing his judgments upon EXTERNALS instead of PRINCIPLES OF MOTIVE, and ACTION toward his brother. He would condemn the MODE of flesh instead of COMMANDING the MOOD of thought, and in this prolongs his journey...for in condemnation of others as well as self, he finds himself ensnared with BIGOTRY and self-righteous ATTITUDE toward others. Thus, that to which he gives his energies of ATTENTION, entraps him in its grip, and PROGRESS of his soul is stayed until he finds his FREEDOM by the FREEING of his clings. "Father, forgive them, for they know not what they do".

I AM with you now, and forever more, ESU

923-867-
BECOMING A WALKING LIGHT: The Earth upon which you stand radiates a magnetic current of ENERGY, and if you will attune to this, you will attract this current up and around your body in a spiraling cone. Then becoming aware of the POSITIVE current of LIGHT-ENERGY that comes as a RAY down into your form through the top of your head, traveling down through your entire form, and seeing this radiating out through your form...blending with, charging and ILLUMINATING the magnetic cone that spirals around you. As you do this, you are CONDITIONING the area in which you stand with STABILITY, and you are POLARIZING not only your forms, but the very structure of the Earth upon which you are standing, as well as the atmospheric structure of the area. You are creating a VORTEX of STABILIZED POWER, and if this is practiced in one specific area with regularity, you are establishing an ANCHOR, a VORTEX of LIGHT...a stabilized condition that assures the ANGELS OF LIGHT an avenue for DESCENT.

With this KNOWING, you are bringing about a CONDITION OF BALANCE, and your whole BEING will reflect this PEACE, and you will feel the increase of POWER, LIGHT, and LOVE...within yourself. When you can practice this KNOWINGLY and without doubt...NAUGHT CAN COME NIGH THY DWELLING that can disturb you, for you are.....STANDING IN THE LIGHT. Others who come into such surroundings are blessed, and they will feel the GREAT PEACE, LOVE, AND POWER OF THE SPIRIT.

As you become AWARE of this condition of BEING, you are building the ARMOR OF GOD around you...you will KNOW that you never stand alone. This condition attracts to you the POWERS OF THE CHRIST HOST, and the PRESENCE of your DIVINITY. Also, you become a functioning CO-WORKER in the great ARMY OF LIGHT.

WE STAND WITH YOU, AS YOU STAND WITH HIM.....

ASHTAR COMMAND BULLETIN

HIERARCHY RELEASE ☆

The challenge to all emissaries of the Christ Program has been great as all fields of human consciousness and activity have of necessity had to be infiltrated by trained workers. Many have found themselves performing upon stages in scenes not of their own making and frequently not to their liking, but their rolls called for talents possessed only by them, deeming it necessary that they perform in such environments. All branches of human society had to be penetrated by qualified representatives of the Program, giving ALL branches of humanity the indoctrination that would afford them the opportunity to accept or reject the MESSAGE that was being broadcast by the THE HERALDS OF CHRIST. Cosmic Groups were appointed certain areas and were given the authority of overseeing the PROGRAM, as well as instructing and protecting the Planetary FIELD-WORKERS.

The CHRIST HOST under the direct supervision of Michael, Lord of Hosts, was assembled and directed in a fashion which resembled what you know as MILITARY, thus operating as a COMMAND FORCE. The ETHERIC ARMIES have been depicted as WARRIORS well ARMORED, but this be merely a symbolic attitude, as Hosts of Heaven do not present themselves as aggressing sword carriers. Armor of a material nature is not a necessity, for TRUTH'S ARMOR is TRUTH itself, and protection be with Forces of Energies impenetrable by negative projections of power. These symbols are mere human concepts of strength, just as WINGS are human concepts of how Angel transport themselves.

Human concepts are always in accordance with the degree of human development, and mass acceptance. That Angels might be devoid of wings, using Energy concepts of conveyance for their substance transport, was too far beyond the minds of those who recorded their APPEARANCE. Today, because of antiquated history, man still bases his opinion of Angels upon records of the past, and not having seen winged Angels walking about, assumes the attitude that such stories have only mystical meaning or else were merely FAIRY TALES. However there are those reports given by ancient recorders that present a more acceptable projection of the ANGELIC HOST. These are slid over by crimped minds that do not desire to believe advanced ideas for fear of finding themselves on unstable ground, necessitating their changing their minds.

Solid flying-vehicles from Planets in Space, with all manner of mechanical accouterments, catch the fancy of the thrill seeking mind, while flashing lights, balls of fire, streaks through the Heavens, are catalogued as Nature's phenomena. That Nature has such phenomena is a surety, but all phenomena has intelligence behind it, and nothing transpires that does not have INTELLIGENT DIRECTION. Not ALL natural-phenomena has beneficent results, as those forces in operation operate along patterns according to LAWS of their OWN nature. Mind patterns of man affect and condition their course when sufficient energy is released to affect their KINGDOM.

Not ALL Heavenly phenomena can be catalogued as NATURAL FORCES in action, as the HIGHER INTELLIGENCES have the capacity to PROJECT their ENERGY-FIELDS in whatever manner they decide upon.

Indeed it is so, that many have entertained Angels UNAWARES, and one cannot be unaware of that which presents itself in a manner that is phenomenal. The HOST has walked the Earth un-recognized, for they appear among men as themselves, and seldom are recognized. Those who are NOT of the Host who parade themselves seeking to fool their kind into believing they are of SPACE, are NOT, for true AMBASSADORS are SILENT and give no indication of their IDENTITY. Those who are attuned by inner-development, KNOW.

All planetary beings have been CONTACTED...and the RECORDERS have closed the BOOKS. Whether we come as Planetary Beings, or ETHERIC ARMIES,

WE ARE ALL OF HIS HOST.....ASHTAR COMMAND...!!

TIMES OF THE SIGNS

Matt.24

Luke 21

By slow degrees darkness pervades the minds of men causing decisions that will lead the masses into bondage. Wickedness in high places now prevails, as men drunken with power are captured and ruled by the tentacles of human ego. Indeed, the fury of the dragon of lust, greed, and power, has been unleashed, thus capturing those susceptible to these powerful principles of negation.

Man is not an innocent bystander, but instead, a CONSCIOUS ENTITY capable of DECISION. All who stand quietly by, silently watching the fall of human freedoms, giving no voice to that which he beholds, shall stand accountable before a Higher Tribunal than an earthly Supreme Court. The Supreme Courts of the COSMIC TRIBUNALS are not averse to using the Name of GOD in ALL decisions, for the Higher Courts are dedicated to GOD LAW and have little patience with the laws of man which are drafted to bring him into subservience.

Subtle maneuvering veils the PURPOSE behind certain restrictive laws that now ban the RIGHTS of the individual. Mass lethargy sits back and weakly protests, while being lulled into a hypnotic condition of final acceptance.

While the masses are swept away, there are those few VALIANT souls who speak forth for TRUTH. These do not blast PERSONALITIES, but instead they attack FALSE PRINCIPLE. These are the ones whose stand MUST be fortified by ALL who are AWAKE and AWARE. Can you of humble station be heard? Indeed, perhaps not as one personality, yet as you direct your FORCE OF LIGHT it becomes one with the LIGHT of those who can be as SPOKESMEN for the PRINCIPLE OF LIGHT that seeks utterance through them.

ALL who stand for JUSTICE, BALANCE, and RIGHT ACTION, are as ONE MIGHTY FORCE. Those who stand forth can only be as effective as the FORCE of those who stand behind them. You are all presidents, senators, and representatives, to the degree you use your God Given POWER OF ATTUNEMENT...To the degree you INVOKE the DIVINE PRESENCE to MANIFEST...To the degree that you hold the VISION of RIGHT ACTION.

When sufficient numbers can HOLD a PLAN of action in mind, that action must be the very LAW of CAUSE AND EFFECT...manifest! This then is your DUTY, to gather together when possible, uniting your FORCES, holding your vision for RIGHT ACTION. You need not know WHAT action is right, but to CALL for RIGHT ACTION at any given POINT, will bring forth a MIGHTY FORCE to that end. Unifying your efforts through LIGHT CENTERS such as this on the Higher Planes, gives greater FORCE of UNIFIED strength, for the vision is then held by a multitude.

To dream of an ideal is not enough...! One must UNIFY with that ideal and consciously call it into BEING. This is not the time for lassitude. UNIFY...! SPECIFY...! Become an ACTIVE agent in the ARMY OF LIGHT...!

Only as you ASK, can you receive. Only as you GIVE, can you RECEIVE...! Only as you BELIEVE, can you BECOME...!

STAND IN THE LIGHT...MANIFEST IT...!!!

"In God we TRUST"

SHALOM...!!!

Wherever you are...GOD IS. Time and space are not required, for you can enter you CLOSET with an instant of thought. Live your days fully with CONSCIOUS knowing. Be ALIVE...be AWAKE...be AWARE. Send out your waves for PEACE...Love and HARMONY....KNOW that each beat of your heart sends it forth. Our Light....WHITE STAR

ASHTAR COMMAND BULLETIN

#26

HIERARCHY RELEASE ☆

With each day there comes upon your planet greater and greater stresses. These manifest themselves in many aspects of life, not only human, but in ALL the elemental-kingdom, be it ATMOSPHERIC or EARTHLY in its affinity. The disturbance gains momentum and will show itself forth in greater degrees in areas of large populace. The reason for this being that in such areas there is a larger volume of such elemental-power. The EFFECT appears more localized. You were told great unrest would manifest itself in your cities, and this is so...unrest in the emotional sheath. This will bring about many results.

Weakness or instability in auric or atmospheric energy fields, lays vulnerable all that exists within it...Weather disturbances, ground instabilities, confusion of human activities. When NATURE rampages ordinary man finds himself at her mercy. Man's auric-field blends with his surroundings and unless his conscious direction is with his DIVINE NATURE, he is influenced by his elemental-nature and his FEELING world is effected by his surroundings. Man, self contained, can condition his own energy field by stabilized unification with his own POWER SOURCE. In so doing he brings that same BALANCED condition in the atmospheric and planetary energy-field where he stands blended with it. Having so stabilized himself, he can stand at one with his DIVINE NATURE and DECREE his balanced energies forth to condition not only his immediate surroundings but to affect the entire area of disturbance. Sufficient workers giving forth for the same purpose, can halt disturbance in any area. Winds can be stilled, waters calmed, clouds turned away, human violence quelled...earth tremors steadied.

What man KNOWS the WILL OF GOD? Jesus turned within, ALWAYS, to that POWER which KNOWS THE PLAN, and stated: "If it be THY WILL..." Thus should ALL work in like MANNER OF PROCEDURE...for as man recognizes his HIGHER POWER he can call it forth into action toward any desired goal by merely SURRENDERING his will to that POWER and proceeding according to his feeling. When attunement is made, the RESPONSE is by FEELING. Man cannot mis-step when he has fully given himself to his PRESENCE. By this token, you can advance in any direction knowing it is RIGHT DIRECTION.

The need for such ACTORS upon the present SCENE is great. Fearless ones, in places of great upset, will bring DIVINE ACTION upon the STAGE. Loss of life can be greatly curtailed by all who see HIS WILL in ALL areas of concern upon the planet.

OUR PEACE...WITH YOU WE STAND.....!!!

ASHTAR....CHRIST COMMAND

TO THOSE WHO ATTUNE TO THE WHITE STAR: The UPPER CHAMBER hath its LIGHT. Man looks within to see it abide there. Here the POWER of God descends, and blends with he who kneels in prayer. The LIGHT be given to his hand, that he might take it forth, and from the CHAMBER he emerges, TORCH in HAND, the POWER of GOD given to his COMMAND. No man who hath a LIGHT be poor, for his be the WEALTH OF GOD. God Commands ALL who bear HIS TORCH to hide it not, but spread it forth to make the OUTER WAY....a LUMINOUS PATH.

THINK*

A PLANET IN SPACE

A Record from ASHTAR

The panel BOARD was flashing wildly. Signals were coming in from all Stations in Space. The great ship hung motionless over the pit that had once been a teeming metropolis. There were no sounds coming in over the detectors. All was quiet now, and a thinning grey mist rose slowly from the yawning hole.

Lamech turned from the Scanner-Screen to the Panel-Screen, and thoughtfully watched the wildly flashing ball of light pictured upon it. Communication beams were all converging upon it until no distinction of frequency source could be determined. This was what prompted him to reach toward the red signal switch which would open all circuits. This action would flash a brilliant red light simultaneously upon all the Panel-Screens of the signaling Space Stations.

Lamech moved the switch and watched the Panel-Screen clear as all communicators ceased their projections and stood on "Communication Open Line". When his screen turned into a placid glow, he knew all were on "Stand-by".

His first words came slowly over the broadcasting hook-up.

"It is finished." There was a pause, "Completely disintegrated. No hope for survival of life. No need for further rescue crews...ALL RETURN TO CENTRAL."

The switch was turned off and the screen turned bright green as all Stations flashed acknowledgement. Lamech pressed the ALL-CLEAR buzzer, and once again turned on the Scanner-Locator switch and scanned the area. The Scanner-Screen imaged again the great yawning pit and the Sound-Detector picked up the void of mournful winds as the sound that comes from great extinct craters. That was all.

The signal-switch that set the resonator control for pick-up on incoming signals was adjusted, and Lamech turned to the task of returning craft to CENTRAL. The CRYSTAL in which all records were vibratorially etched, stood darkened on its stand. Lamech activated the electro-magnetic beam stylus and recorded his final comments.

" Mission failed."

Nothing remained for the fleet but to return to CENTRAL with their report. He maneuvered his ship into lead of V-formation and the fleet took on the shape of a great arrow as they accelerated and darted away from the planet.

The COUNCIL table was hushed as a tall man arose from his seat. All eyes were upon him. He looked down at the table for a moment, then raising his eyes, he traveled his gaze from face to face. The gathered Planetary-Representatives all returned his gaze with eyes of sad acknowledgement. He then spoke solemnly:

"My Brothers...by your glance I see your great sympathy and saddened hearts...and what I am here to report merits your attitude. We have striven together for countless years to stay the great tragedy that has taken place. Our efforts were not wanting for methods to accomplish our task, but the result was "negative"..."

"Yes, we did manage to bring forth a small percentage of those who dwelt upon the planet, but a mere handful considering the total population. The last great center of population has now gone into oblivion, carrying with it all that remained of civilization upon that planet."

"As you know, city after city met its fate as the population of the planet gathered itself into compact groups seeking survival. The rural areas having been deserted many years ago as the parched fields no longer yielded the needs of that survival."

"Although their science had advanced sufficiently to condense the atmosphere to accumulate water, none-the-less, the atmosphere no longer could be tapped without grave danger of rendering it intolerable to human life. All methods of extracting moisture were almost exhausted. Even the great seas were barren salt pits."

"The nitrogen pockets forming in the atmosphere, caused combustion and flashing devastating explosions occurred in wide areas upon the surface. Forests long dead became roaring infernos. The people began to burrow beneath the surface as the heat was unbearable, and there were giant underground explosions wiping out multitudes at a time."

"Those who survived in cities not yet destroyed, were eventually cut off from those in other areas as all systems of communication by their means began to fail. The surface became pitted by falling debris from space as their density ring no longer protected them from assault."

"Science worked incessantly, to develop by what remaining techniques they could still utilize, to maintain food supplies which had degraded to the level of synthetic pills. The bodies of the people became dehydrated and bloated until all resemblance to man was lost. Children ceased to exist as those adults who yet had the capacity to reproduce, gave birth to creatures who were senseless and lived in most cases for only a few weeks. Those who did endure for a longer period were crawling wild-eyed animals who usually died through muscular spasms."

"In the waning days of life upon the planet, the remaining adults had gathered in one of the great cities and had burrowed deep under the standing structures which were still used by the scientists for performing their surface experiments."

"We watched the great cloud forming over the city and by degrees descend, until the structures were no longer visible. It was but a matter of time. Then the great flash came...! This time so tremendous that it flashed around the full atmospheric surface of the planet. Nothing was left but a great globe that glowed as of molten lava, and millions of years of planetary evolution had come to an end."

There was silence, then a voice came from one of the gathered representatives: "We sent teacher after teacher but they were all persecuted and crucified." There was silence for a moment, and the voice went on: "Why did they not listen?"

The tall one looked down at the table, and when he looked up again he answered..."They thought they were the super-race."

~~~~~

At some distant point in space, another signal was flashing, and a VOICE was going out upon the ethers.....

"ATTENTION ALL EARTHLINGS....ATTENTION ALL EARTHLINGS...WE ARE HERE TO ASSIST YOU....LISTEN NOW, BEFORE IT IS TOO LATE!!!!!"

## **Urges Congress Committee**

# **Ford Wants Probe Of Flying Objects**

By SAUL FRIEDMAN

Beacon Journal-Chicago Daily News

WASHINGTON — Now that unidentified flying objects have been so bold as to trespass the skies over Michigan, his home state, House Republican Leader Gerald R. Ford wants action.

He has proposed that a committee of Congress investigate UFOs over southern Michigan and other parts of the nation.

Ford is apparently dissatisfied at the Air Force investigations because they have either brushed the reports aside as delusions or they "have come up with nothing conclusive."

Ford says the American people

"are becoming alarmed by the UFO stories."

"In the light of these new sightings and incidents," said Ford, "it would be a very wholesome thing for a committee of the Congress to conduct a number of hearings."

**WHICH COMMITTEE** would do the investigating? The house Committee on Science and Astronautics?

"Nope," says Charles F. Ducander, chief committee counsel, "not us.....our jurisdiction as spelled out in the law is: 'Outer space, including exploration and control thereof.'"

Armed services chief counsel, John R. Blandford, was uncertain. "I don't know if it's in our jurisdiction or not," he said. "I feel left out. I've never seen an unidentified flying object. I wonder why they don't come over Washington."

**ARMED SERVICES** committee counsel Philip W. Keller said the dispute would be settled by the Speaker of the House or the first committee chairman who wants to take the subject over.

Blandford said maybe the House Committee on Un-American Activities might be interested.

"Any object flying around unidentified has to be un-American," he said.

Lets quite playing dodgem.

The Hon. Gerald R. Ford  
House of Representatives  
Washington, D.C.

Dear Sir:

You are in a position to do more for your party  
& Country than anyone since the 1946 elections. While  
dire and important situations should be exploited, you  
come up with an idiotic U.F.O. investigation proposal  
These "fly by night" cries of wolf are emotional issues  
that are too soon forgotten.

From a voters viewpoint the campaign should be -

1. The present rubber stamp congress
2. A sickening mis management of farm policy  
and high prices
3. Sky-Rocketing Federal expenditures and the  
budget jugglers.
4. Paternalistic government

Any one of these 4, continually exploited and hammered on,  
will succeed in causing more lame-ducks in the opposition  
than any issue since reconstruction.

PHOTOCOPY FROM GERALD FORD LIBRARY

Apt 46

U F O year 1914  
true story

San Francisco Calif  
March 29 1966

House Republican Leader UFO  
Gerald R Ford of Michigan N/A

Dear SIR

My name is William J. Night  
born Nov 2 1897 at Marietta Hancock  
County Penna - On May 8 1914  
I had left Marietta PA to go on a  
to Canada to work on the new canal  
from Lake Ontario to Lake Erie  
I went to work 12 day May 1914  
till August 18 and left this job  
to go to Western Canada to work  
on a 1800 acre ranch that a Mr  
Rick had bought in 1912, I went  
over to the old canal to get a Ferry Freight  
boat to cross the lake, I had taken a  
late boat about 130 in the morning

(2)

I had place some money in my shoes  
and a few dollars in a old pocket  
book, after a number of miles out  
on the lake this Ferry Freight started  
to slow sink about a quarter of mile  
from pier head, I taken the money that  
was in my pocket Book and put it in  
my blue shirt pocket I had a old  
safety pin and close this pocket with  
pin, I leap off this boat and started  
to swim to head pier. The pin come  
open and out went the money, this  
boat made it close to head pier then  
it caught fire and many person were  
lost, I had been raised along the N. Y. Harb  
River in Penna and had been a river  
rat kid, I rose one Women and a 8 year  
old boy and 2 men. I ask a man on  
the pier head floor were there was

(31

A jungle where the Bum had to stay till they had catch a Freight train. I did not want to go to know Hotel as I needed this money to get out to Calgary Canada, I had become acquainted with 2 young men from Boston Mass. ONE of them had spent 2 years in College and the other one was a Machinist. They young men were going to cross Canada to the West Coast and slow work down the coast to be in time for the San Francisco World Fair 1915. Well we caught a freight we left this freight at a little village that was close to Georgian Bays that went into Main Bay. There were 5 men fishing from some rock close to shore of Puvion Bay. Two of the

Frenchmen told there Boston men we  
 Could not get a Freight out of this part  
 unless we went up about  $8\frac{1}{2}$  miles  
 were the grade slow down the freight  
 as there were Government men around  
 watching all strangers as it was War  
 time they were afraid people would  
 destroy bridge and tracks. They told  
 us there was a man whom had charge  
 of some Bay markers and he was  
 going up the Bay that morning we went  
 to see him he told us his neighbors  
 Famielly wanted to go on along as they  
 wanted to look after some shack they  
 had on some mining land they had  
 not been up for two years. they wanted  
 to fish up there some. This marker man  
 say he was taken a old row boat  
 for them

5

He told us we could ride in the row  
boat as it leak quite badly also we  
would have to bail out quite often,  
Well we went up into the main Bay  
there was a little valley that went  
back from shore lin it was about  
18 feet or a little longer and about  
15 feet wide. There was rock on the  
sides that went up about 8 feet but  
had a slope up the one side we all  
had wet feet and dam cold also we started  
to gather some dry branches that was close  
by in the valley. We had only been  
there just a few minute. When this  
Frenchman little girl about 7 year  
old and a little girl about 10 year old  
went out to look up the beach and out  
at the Bay. They came running back and

told there mother this story there was a large Deer up the Beach just a short way looking out into the Bay at a strange machine. The mother went to see and came back and told there story to her husband he went to see also. The Boston loop went also. and one told me to come and see. I went and saw and told them to come back they may have a ray gun and blinds us. We all scramble up the rocks and look out of cracks of rock. We saw to little men tapen out limbs of a green horse that was coming out of Bay they work fast with there hands. The little men were dress in dark green clothes that look tight on them they hade square mask on there heads and face. The one little man

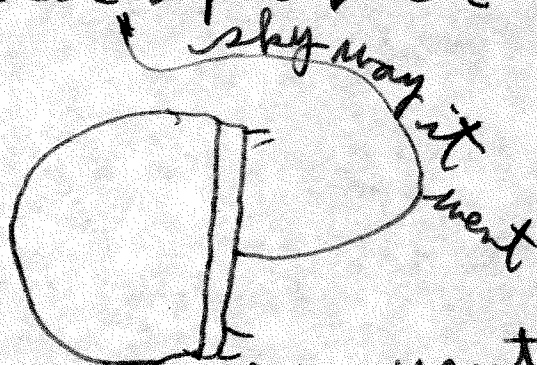

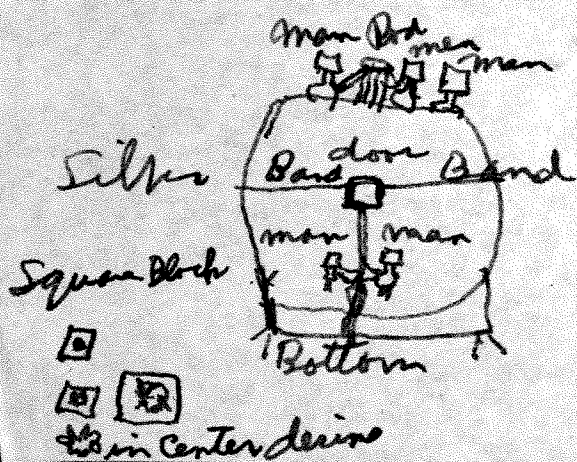

that had been on the right side  
 of hose. after hose went into a little  
 door about 3 feet high, He stuck his  
 feet into the machine but seem to have  
 a time placing them on some special  
 thing inside. after he went into the  
 machine. and had disappeared out of  
 sight, there came a flash of red  
 yellow green blue colored that seem  
 to be coming through some pipe a few  
 feet from the door way this door came  
 down as I watched the colors they seem  
 to be adjusted, there arose 3 men  
 on the top side 2 of them started to  
 adjust some rods on the top side  
 they only spent about 3 minute then they  
 all face shore line to look at the  
 deer. they went down all together at once  
 then one came back up to take a quick  
 look

and down he went, The little man  
of hose that had been on the left  
of hose had been lock out after  
the first little fellow went into machine  
he started to scramble side way up  
this machine, There was a silver  
band around the front of machine  
as we saw it, This machine look  
like it was coated with lead of  
some kind or was it look like a fresh  
cut of lead, But here is a strange  
thing. A small cloud hit this machine  
on the side it covered darkness for about  
8 yord and a half, it showed yellow  
rock block all the same size and smooth  
in the center of block there was a green  
desine that look like it may be electricity  
as it has a zig zag all around the  
Center

(9)

We were about 500 feet from this machine, after this machine rose up about 12 feet the top came back slow the bottom was then face the way it was to travel to sky. The little man did not fall off this machine as although he would I said let get the row boat back into water I wanted to capture the little man after they had been on there way I pick up a stone and through it to hit it the stone went just about where the machine rose, I will try and sketch it

as the machine went quite high there came white steam around side and back.

(101

This machine was about 60 feet  
around it loop about 15-feet in one  
the side that face us. The water left  
it quite fast on the bottom I hear  
there was some kind of peath in it  
bottom but it never left any steam  
as it rose from the water. The bottom  
was all metal looking it could  
have a large wheel in the bottom it  
were showed us if one was in the  
bottom. This machine must have a  
larger ship that it go into some  
were in the sky. But it went fast as  
it started for sky. Yes you can  
hear this story it true. We were all  
shock to think we saw a machine from  
another planet. I said Well it going to  
the moon they were answer me they were  
all afraid. I will close your truly

# Not Machines

## First Flying Saucer Spotter Believes UFOs Are Alive

BOISE, Idaho (P)—Kenneth D. Arnold, who ushered America into the age of the flying saucer 19 years ago, said Tuesday he still is confident the things are real—and he thinks they may even be alive.

Commenting on new sightings of mysterious lighted objects over Michigan, California, Wisconsin and Nevada, Mr. Arnold declared in an interview:

**"I think these people are reporting exactly what they saw. Let's face it, there are a great many things in the world we don't understand. Calling these things swamp gases is completely idiotic."**

Mr. Arnold, a Boise businessman, made his saucer sighting on June 24, 1947, while flying his light plane near Mt. Rainier, Wash.

He said he spotted nine objects swerving in and out of peaks and canyons "like geese in a diagonal chain-like line."

Mr. Arnold estimated the length of the line as at least five miles and described the objects as "saucer-like." And so the name flying saucer was born.

In the years since, there have been reports of flying saucer sightings from all around the world, rising to a peak of 1501 in the United States alone in 1952.

Nervous people feared the Earth was being scouted by beings from outer space. Skeptics suggested that military designers were trying out exotic new aircraft.

The U. S. Air Force set up "Project Blue Book," with headquarters at Dayton, Ohio, to analyze the sighting reports. So far, it has dealt with just over 10,000. Prosaic explanations were found for all but a handful.

No evidence was forthcoming that any of the objects seen came from anywhere but the Earth itself.

A project investigator concluded last week that new sightings in the Ann Arbor, Mich., area were caused by ignited swamp gas, produced by vegetation rotting in wet ground.

Mr. Arnold said there could be no such explanation for the things he saw in 1947 and four other sightings he made from airplanes during the next five years.

**"I came within a half a mile of two of them in 1952," Mr. Arnold said.**

**"I felt they were aware of me. I had the feeling these objects were alive, not machines. It seemed to me they had the ability to change density."**

**"These things are with us, whether we like it or not."**

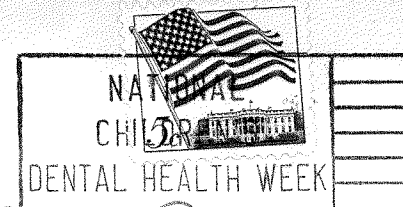

The Air Force investigators, however, have attributed virtually all sightings to high flying balloons or conventional aircraft, mirages, searchlights glinting off cloud layers or such bright heavenly bodies as Venus and Jupiter.

Some sightings have been identified with artificial satellites, or with pieces of such satellites burning up in the atmosphere as they are gradually drawn out of their orbits by gravity.

Some 650 objects have been classified by "Project Blue Book" as unexplained. But the investigators say there is no hint that even these were of extraterrestrial origin.

And so far, nobody has ever caught a flying saucer or found a piece of one.
