Dear Mr Ford: <sup>VFD</sup> March 30.  
I read in the paper you that the  
UFO's should be investigated <sup>NFA</sup> I think they've  
been around for few years but only once in a  
while some one makes a noise about it.  
I believe from what has been observed around  
my home there is a big dope ring  
operating. Last nite my husband & I saw  
a star moving up high, a plane of course,  
a half hour later a helicopter was  
going all around at about twice tree  
top height. This has been going on for  
several years. I can hear a big plane  
about twice a week & it flies with no lights.  
Part of the time. Soon a very large star will  
appear seems its an illuminous balloon  
or parachute. Then a helicopter will go  
around & cars to, till the thing lights.  
Then they go to it, I believe in there is  
no swamp. The helicopter light twice on  
our farm & I reported it & what I thought  
& you can be sure I had plenty trouble  
I think it was college kids got in & had a  
wild party at least two or three times  
a month & no county law could ever  
catch them. My sons college books were  
stolen & a large amount of groceries &  
towels etc were taken. Most of these objects  
seen near colleges. I know I hit on  
the mark pretty good for all the trouble  
I was caused. My home was bugged  
phone tapped & I was followed  
every where I went for months. I could  
write you a book, but just be sure it  
is checked for peddling something I'm sure.  
I'm chicken to sign name as I was scared to pieces.

## Russia and the Flying Saucers

A very good friend of mine, Mr. Paul Voronaeff of Indianapolis Indiana, informed me of some highly important developments in relation to the flying saucers during September of 1965.

Russian born, Mr. Voronaeff's father was a minister in Russia. While in Russia, Mr. Voronaeff was arrested by the Communist government when he refused to testify against his father. They were attempting to destroy the father's practice of preaching the Gospel of Jesus Christ in Communist Russia. After his arrest, Mr. Voronaeff was sentenced to five years of hard labor in the Siberian slave camps. After his release he escaped from Russia and eventually made his way to America. As a lecturer, writer, and an avid anti-Communist, Paul Voronaeff now travels across the United States sounding the warning and dangers of Communism.

He is in close touch with activities in Russia and into his possession come many highly important publications which he translates into the English language and releases valuable information which normally would never be known to the average person in America.

It was September of 1965 that Mr. Voronaeff sent me some important information on the subject of Russia and the flying saucers. He informed me that some highly important UFO sightings took place in Southeastern Siberia... but that these sightings were not published in the Moscow press! WHY? In Southeastern Siberia things were buzzing with all sorts of rumors about flying saucers... the objects from space. These rumors included comments about "the end of the world." During the month of September, 1965, this alarm was bordering on the verge of near panic.

About this time, according to Mr. Voronaeff, the Russian government and the Communist Party sent into the villages and settlements a veritable army of propagandists and Communist agitators to try and explain this sky phenomena.

These unidentified flying objects brought about a religious revival and return to God. This was interpreted by the Russian peasants as some awesome warnings of a Supernatural Being of some impending disaster, possibly the end of the world!

Early in 1965 one of the top Communist officials made a trip to the city of Almata, the capitol of Kazakstan and spoke before the Supreme Soviet. Also a secret talk was given by one of the top men in the Communist regime to the Communist Party leadership conference for the purpose of coping with the unexpected developments and the moral breakdown in the population because of the flying saucer scare.

Here is a translation digest from the Communist publication KAZAKSTA, Pravda, a daily newspaper published in Soviet Russia dated September 10, 1965:

"The Flying Saucers"... Santiago, Chile... "Recently a group of hunters while hunting in the Valley of San Kintin, suddenly were confronted by a fleet of flying saucers... exactly 12.

"At midnight four of the hunters witnessed and saw over their heads floating a large saucer. The hunters did not lose their presence of mind. They directed their electric spotlights from their automobiles toward the celestial object. Soon, eleven arrivals joined the first saucer and started to circle above the hunters heads. One of the hunters started to blink the spotlight turning it on and off. The saucers turned on their lights, blinking in response.

"At present the stories of flying saucers became the subject of serious research. Three scientists in Santiago stated that for some time now strange flying objects have been appearing in the skies. We have scientific proof that the mysterious objects are visiting our planet.

"The Soviet scientist, Dr. Mitrofan Zverev, on assignment and working at the Chilian Observatory Serro Galan, stated that some unknown objects, which we cannot understand, are moving around the earth."

UFO

Not Alone in the Universe  
"The director of the observatory, Professor Klaudio Angita, insists that we are not alone in the universe. The declaration of the three scientists was published in the newspaper La Tersera de la Horna... the newspaper also has published hundreds of other declarations (statements of eye witnesses) made with reference to the flying saucers seen in the southern half of our planet." Unquote.

Mr. Voronaeff, researcher, translator and writer on Soviet subjects, said the "Soviet government and the Soviet scientists are much preoccupied with the flying saucers. It is very seldom that articles about flying saucers appear in the daily newspapers or the popular widely read journals and magazines." He went on to say that "The Soviet government and scientists face a problem. They cannot remain silent about these reports... of flying 'BLUDZA' saucers in Russia.

"It is in this area (Kazakstan Soviet Republic) that many flying BLUDZA's have been seen."

"If the Soviet scientists made a report in the daily press about the 'Bludza' they must explain this. Not having any definite explanation... they cannot say too much.

The Soviet Science must be supreme... the most outstanding in the world. If these superior scientists report about the unknown or the mysterious flying objects... this will be an admission of ignorance... lack of knowledge. This may be interpreted by the population that the Soviet Science is helpless and cannot explain the flying saucers.

"This may cause the Russian peasants to believe in God... it becomes fear of the unknown. These are the reasons WHY the Soviet scientists very seldom make statements or write articles about this sky phenomena.

The Russian scientists are not saying anything official as far as unidentified flying objects are concerned... but an URGENT, diligent research at an accelerated pace is going on.

"This is why the story about the flying saucers appeared in the Kazakstan PRAVDA... the official Communist newspaper for the Kazakstan Republic published in the Republic capitol, the city of Almata.

## The World and UFO

(Continued from page 3)

This particular area "is buzzing with rumors and eye-witness reports of UFOs and an imminent invasion from space.

It would be of interest to watch what happens next in the Kazakhstan area, which is adjacent to Mongolia, China, Pakistan, and Afghanistan in the south." Unquote. Mr. Paul Voronaeff of Indianapolis, Indiana.

It certainly gives one something to think about. . . Russian peasants turning to God. . . and the Communists taking all steps possible to STOP a revival. . . a turning to God for fear it may spread across Russia.

### Thousands See Flying Objects

(Windsor, Pennsylvania)—From our national headquarters reports of unidentified flying objects world-wide swamped our desk from listeners of THE UFO STORY via radio across the United States.

In addition to this, the press carried many highly important reports of the mysterious sky objects during the Summer and Fall seasons of 1965. The following are a few examples:

(Houghton, Michigan)—A "solid radar contact" was reported by personnel at the US Air Force Radar Base in the Keweenaw Peninsula during August, 1965. A total of ten UFOs were tracked on radar flying in a 'V' formation over Lake Superior.

These objects were tracked at speeds of about "9,000 miles per hour", according to AF personnel at the base. The objects were estimated to be between 5,200 to 17,000 feet high at the time they were tracked on radar.

Elsewhere a total of seven other mysterious objects were spotted over Duluth and jet interceptors gave chase but were unable to maintain the speed of the UFOs and were easily outdistanced.

### UFO Sighted by French Space Expert

(Paris, France)—Alexander Anaoff, considered one of the leading space experts in France, viewed a flying saucer for a period of 35 minutes in the sky near Dreux, about 50 miles west of Paris during the late Summer period of 1965.

A winner of the international Astronautics Prize, Anaoff said he managed to take some photographs of the object. Among other wit-

nesses was the mayor of the village. The object was described as "disc or lens-like in shape. In the U. S., Bob Campbell, radio man from Sherman, Texas, and another news man photographed UFOs in that state.

(Wilkes-Barre, Pa.) — During the month of September, 1965, many residents of the Wilkes-Barre area reported seeing numerous unidentified objects in the sky over a period of several days.

One lady, residing in the North End section of the city, reported viewing an unidentified flying object zooming across the heavens. Numerous other reports from various persons in Wilkes-Barre also reported sighting UFOs the same night.

One resident described the UFO as being red, green and yellow in color. She also stated she heard of other UFO sighting reports while listening to a local radio station. (WILK, Wilkes-Barre, THE UFO STORY broadcast)

### UFO Reportedly Lands in S. Africa

(Johannesburg, South Africa)—Police and scientists had their hands full during September, 1965, when they investigated a report that a flying saucer-type object landed on a main highway near Pretoria, the country's administrative capital.

The two men said they approached the object and as they did, the UFO silently took off at terrific speed with flames shooting out the underside of the craft.

Scientists who examined the area where the officers saw the object reportedly found a six-foot wide section of the tarred road had been badly burned.

Other reports at various locations around the world, including the United States, also told of touch landings of mysterious flying objects. Could it be possible that some type of mass landings face the various nations of the world soon?

(Washington, Louisiana)—During the month of July, 1965, John DeBellevue, age 12, took several pictures in color of a group of flying saucers sighted over a Scout camp near here.

One of the pictures shows five glowing objects in the sky. Further investigation showed that other UFO sightings occurred over the state. William White, a geologist of Lafayette, Louisiana, said unidentified flying objects had been reported in his area during

the month of August, 1965. Civil Defense Director John Broussard of Lafayette sighted a group of glowing objects flying through the night sky.

Roger Claudell, while in his backyard about 9 PM during August, saw three glowing objects flying toward him at a speed estimated to be faster than a jet. He estimated the objects were somewhere between 50 to 300 feet off the ground. As they dropped down the objects broke formation. One of the UFOs came near the ground, above tree top level, and a search light was seen emanating from the UFO.

### Latin America Visited by Mysterious Objects

(Argentina)—Sightings of UFOs over the 28-mile wide river that divides the Argentine capital of Buenos Aires and neighboring Uruguay added to the list of such sightings on a worldwide basis during July, 1965.

The UFOs were spotted from both sides of the river, and brought fresh interest in flying saucers that were seen over many parts of the southern tip of South America in July, 1965.

A 17-year-old Uruguayan youth told police the object he saw was cigar-shaped, reddish in color and about 32 feet above the river and not far out from the beach. Several persons in Buenos Aires made similar reports of saucers ranging in color from red to green.

Bobbing Objects over Minneapolis (Minneapolis, Minnesota)—Quite a show was displayed to residents in the Minneapolis area during the Summer of 1965.

UFOs were reported hovering and bobbing over the northern and western sections of the city. Captain Robert Riley of the State Highway Patrol said three of their patrolmen coupled with others observed the space phenomena during the early morning hours. Sightings were also reported over Fridley and Blaine, Minnesota.

### UFO Seen near Airport in Australia

(Canberra, Australia)—Experts were baffled as the result of a mysterious glowing object reportedly hovering near Canberra Airport at a time the U.S. Mariner space probe was taking pictures of the planet Mars during July of 1965. The object was spotted by air traffic control tower officers

## Will People Unknowing Accept the Mark of the Beast?

This is a copy of a portion of a letter written by a pastor in Arizona, excerpt

The Elder attended the last United Nations meeting last year and gave a picture of what the men in world affairs talk about. Listen—one U.N. official said in a speech that there was one spot on the map to watch day and night, supernatural agencies are at work around Palestine and the East; he emphasized the word SUPER-NATURAL. He said that the powers outside men are working almost miracles.

Plans are now being made for the U.N. to die and be replaced by a world court which will take all ones checking accounts, all savings accounts, all property, real, or otherwise, and every man, woman, and child will be issued a number, and given a certain amount of money which is already printed for this purpose and waiting for the time to come for its use. Each individual will have his or her part to play in government or in commerce, industry, or farming. This outlay calls for a complete union of church and state, and a universal form of worship and a fixed day of worship for every nation on earth. He said when an individual receives his number he is given certain rights to buy and sell. The Elder asked the speaker what would happen to any minority who might request or refuse to follow along. The speaker replied there would be a cloud over his number and that his right to buy and sell would be cancelled and he would face annihilation.

### A NEW BOOK BY AN OLD FRIEND THE JEW RETURNS TO ISRAEL —

This is a powerful treatise — revealing, clarifying, and forthright setting forth Jesus Christ as the Jews' Messiah. The author's objective approach will inform and interest all who are concerned about the place of the Jew in history and prophecy. The author traces the Jew from Abraham down to the present State of Israel. It is a hopeful revelation and beacon to guide the Jew, a strong and inspired reprimand to the church, and a comforting message for Christendom today. The author is Dr. Anton Darms, now 96 years old, and the experience and wisdom of a lifetime have gone into the preparation of this book. ## WORLD EVENTS & BIBLE PROPHECY

(Continued from page 9)

and he also shall perish forever" (Num. 24:23-24). The "ships" would be the most up-to-date kind, the new ground-air vehicles of war, and Chittim (Cyprus) that was long the home of natural locusts is indicated as a base that will serve the ten kings.

There is another myth that associates the flying saucers with a "lost race of men" living in polar caves, and when viewed in the light of military activities in the Arctic, it points to the far North as the main base and permanent home of the saucers. The story was being circulated as far back as 1950 or earlier, and is included in Gray Barker's book, "They Knew Too Much About the Flying Saucers." Another writer, Dr. Raymond Bernard, a university scholar, has written an entire book on the subject entitled, "The Hollow Earth." In it, he maintains that the true home of the flying saucers is a huge underground world, the entrance to which is an opening at the North Pole. Here lives a race of supermen, numbering into the millions who want nothing to do with men on the surface, and who launched their flying saucers only after man threatened the world with A-bombs. According to sources quoted by Dr. Bernard, it was Admiral Byrd who led a navy team into the Polar opening and came upon this vast underground region. News of its discovery have been suppressed by the U. S. Government in order to prevent other nations from exploring and claiming this inner world. Evidently, the supermen who make this their home are not so super after all, if other nations could seize it from the United States.

In 1946, an escaped Japanese prisoner of war told how he was captured by the Reds in North Korea on August 17, 1945, blindfolded, put on a train, and sent to northern Siberia. There he was given a shovel and put to work shoveling dirt along with 50,000 other prisoners of war. As the weeks passed, the magnitude of the project began to dawn on them. They were scooping earth from a huge plain for an underground airport too big for description. Years later in 1954, the **Intelligence Digest** reported that Russia had shifted the bulk of her land forces (60 per cent) to Siberia, placing 58 divisions in southeastern Siberia, and 59 divisions in northern Siberia.

In the future, what type of plane will Russia store in her vast underground airport in the north, but the most advanced type — "the flying saucers"? And if there is an opening to the natural caverns of the earth near the north pole, the United States could easily store in them her newest aircraft. Underground military bases in the far north, whether natural or artificially created, would serve a three-fold purpose: First, they would be strategically located, making it possible for the latest vehicles of war to descend on any country in the world in a minimum of time. Secondly, they would afford protection from atomic radiation for the "lost race of men" stationed there who will man these vehicles; thirdly, they would provide an excellent place of concealment; for in

these regions where no man walks or drives about, who would stumble upon their openings in the earth? World leaders could well afford to carry out a disarmament program by scrapping obsolete bombers and other outmoded weapons when the most advanced kind — the ultimate weapons of man's destruction — is hidden away in the far north. This would provide another reason for keeping the flying saucer invention from the knowledge of the common people.

The "northern army" of Bible prophecy is described as "a people" and "a great nation," who shall cooperate with the kings raised up from the coasts of the earth against Babylon. (Jer. 50:3, 9, 41; Joel 2:2, 20.) At the same time these kings are identified with Media in the east. Therefore both east and north could well figure as sources of the tidings that shall trouble the King of Babylon.

According to the report by six members of the traffic control tower the object hung suspended for a period of 40 minutes at an estimated altitude of 5,000 feet. The UFO vanished when an Air Force plane was sent up to investigate the mysterious craft. The puzzled experts wondered if it was a coincidence that the object was sighted shortly before Tidnibilla tracking station was scheduled to pick up signals from Mariner. The station had unusual difficulty in locking on the Mariner space probe at the time.

# The Ultimate Defeat Of Russia And Communism

*Does prophecy foretell a third world war, reveal the nations involved and spell out the doom of Communism under the leadership of Russia? Is this the teaching of Ezekiel 38 and 39? Do international trends portend the near fulfillment of this prophecy?*

Rev. Wm. Beirnes

"And the word of the Lord came unto me saying, Son of man, set thy face against Gog, the land of Magog, the chief prince of Meshech and Tubal, and prophesy against him, and say, Thus saith the Lord God; Behold, I am against thee, O Gog, the chief prince of Rosh (Heb.) Meshech and Tubal; And I will turn thee back, and put hooks into thy jaws, and I will bring thee forth, and all thine army, horses and horsemen, all of them clothed with all sorts of armour, even a great company with bucklers and shields, all of them handling swords: Persia, Ethiopia, and Libya with them; all of them with shield and helmet: Gomer, and all his bands; the house of Togarmah of the north quarters, and all his bands: and many people with thee. Be thou prepared, and prepare for thyself, thou, and all thy company that are assembled unto thee, and be thou a guard unto them.

"After many days thou shalt be visited: in the latter years thou shalt come into the land that is brought back from the sword, and is gathered out of many people, against the mountains of Israel, which have been always waste: but it is brought forth out of the nations, and they shall dwell safely all of them. Thou shalt ascend and come like a storm, thou shalt be like a cloud to cover the land, thou, and all thy bands, and many people with thee. Thus saith the Lord God; It shall also come to pass, that at the same time shall things come into thy mind, and thou shalt think an evil thought: And thou shalt say, I will go up to the land of unwalled villages; I will go to them that are at rest, that dwell safely, all of them dwelling without walls, and having neither bars nor gates, To take a spoil, and to take a prey; to turn thine hand upon the desolate places that are now inhabited, and upon the people that are gathered out of the nations, which have gotten cattle and goods, that dwell in the midst of the land. Sheba, and Dedan, and the merchants of Tarshish, with all the young lions thereof, shall say unto thee. Art thou come to take a spoil? hast thou gathered thy company to take a prey? to carry away silver and gold, to take away cattle and goods, to take a great spoil?

"Therefore, son of man, prophesy and say unto Gog, Thus saith the Lord God: in that day when my people of Israel dwelleth safely, shalt thou not know it? And thou shalt come from thy place out of the north parts, thou, and many people with thee all of them riding upon horses, a great company, and a mighty army: And thou shalt come up against my people of Israel, as a cloud to cover the land; it shall be in the latter days, and I will bring thee against my land, that the heathen may know me, when I shall be sanctified in thee, O Gog, before their eyes." Ezek. 38:1-16.

Much has transpired since we first printed this message under the title of "The Third World War and Russia's Great Defeat Foretold". At the time, Russia was our ally in World War Two; today she is our enemy and, through Communism a world revolutionary

force, true democracy and all the freedoms it stands for are threatened. The Communists do not expect to gain world supremacy without war. However, they are not willing to risk war until every free nation is so honeycombed with Communists in key positions that they can create internal disension and win a comparatively easy victory. Latvia, Lithuania and Esthonia with East Germany were conquered countries. Finland was subdued in war. Poland, Hungary, Czechoslovakia, Yugoslavia, Rumania and Bulgaria all fell to Russia through pressure, internal revolution, and assistance from Russia. Each nation in the free world has revolutionaries, trained in Moscow, to be ready in a time of internal revolution. China fell to Communism in this manner and all South East Asia is in danger. Mongolia and North Korea are war trophies. North Africa, Egypt and the Arab states are in Russia's tread-mill. Most of the South American Republics are seething with Communist unrest. South Africa has a race problem as serious as that of the United States. The race question, intensified by forced integration in the deep South, is Communist created and inspired. It follows the same Communist revolutionary pattern. Anything of a nature to create in-

**We are in the LAST DAYS of human governments, days which bring the greatest event of all—THE COMING OF THE LORD JESUS.**

ternal strife on the verge of war with Russia is the very delight of the enemies of true democracy. While the prophecy of Ezekiel 38 centers the denouement in Palestine it will greatly affect the entire world, for it is only one part in the program of Russia for world conquest under the banner of the hammer and sickle.

In our earlier studies of this chapter we concluded that this prophecy would be fulfilled as the closing act of world war number two. The two world-wide conflicts as viewed in the prophecies were recorded in such perfect alignment that they had the appearance of being joined together. This is not uncommon in prophecy. It is very evident at this juncture that another world conflagration will not be far removed from the others and that all very definitely tie up as a united event.

Few people seem to realize that all the difficulties and the distress of nations since 1914 including wars, revolutions, famines, pestilences, increased earthquakes, the rise and fall of nations, disturbances in the heavenly bodies, the return of the Jews to Palestine attended by the opposition of the Arabs and certain elements among the Jews and Gentiles, are perfectly described in the word of God as signs of Jesus' near coming to establish a new order—a reign of one thousand years of peace.

Many world leaders who are Christless and wicked believe a reign of peace and a warless world can be achieved by the adoption of their plans which leave God out and repudiate the return of Christ, but according to God's in-

fallible prophetic word their plans and efforts will miserably fail. This dispensation of grace is in the process of closing in fearful apostasy, and nothing but the purgatorial visitations of Divine judgments can cleanse the earth from its defilements.

## LOCATION OF THIS GREAT BATTLE

The location of this great battle is designated, "the mountains of Israel." I wish to remind you here that Palestine is only a small portion of the promised land. The covenant God made with Abraham and his seed embraced a much larger section of country than that which was possessed by Israel. It was to extend from the river of Egypt on the west to the Euphrates on the east. "In the same day the Lord made a covenant with Abraham, saying, unto thy seed have I given this land, from the river of Egypt unto the great river, the river Euphrates." (Gen. 15:18). If you will take the time to look on the map you will notice that many greatly coveted possessions, the Mosul oil fields, the Suez Canal, and the Dead Sea with its vast wealth of minerals, lie within this region. Apart from this, whoever controls the Near East holds the balance of power in Europe, North Africa and the Far East. The Kaiser coveted this strip of country and built the Bagdad Railroad, but the first world war brought it under the British. Hitler coveted the Near East more than anything else he fought for, but he has gone down in inglorious defeat. Russia plans to add it to the vast and expanding U.S.S.R.

So many prophetic students believe that the prophecy of Ezekiel 38 and 39 is a description of Armageddon. Like many other major prophecies there is a double scene here. The first battle is to be fought before the rise of the Antichrist and before the seven years of tribulation under his diabolical reign and the second is to be the closing battle of the tribulation and, incidentally, of this dispensation.

## THE TWO BATTLES COMPARED

Here in Ezekiel 38 we have two alliances of nations facing each other in battle, while at the battle of Armageddon the Antichrist brings ALL nations against Jerusalem. In the first battle, which we may call for the sake of convenience, the battle of God against Gog, we have an alliance of nations we may term a northern federation: Gog, the chief prince or dictator of the land of Magog (Rosh or Russia); Meshech and Tubal (Moscow and Tobolsk), being the chief of the land; Persia (Iran), Ethiopia and Libya with Gomer (Germany), and Togarmah (Turkey) and all their bands.

"And the word of the Lord came unto me, saying, Son of man, set thy face against Gog, the land of Magog, the chief prince of Meshech and Tubal, and prophesy against him, and say, Thus saith the Lord God; Behold, I am against thee, O Gog, the chief prince of Rosh, (Heb.) Meshech and Tubal; And I will turn thee back, and put hooks in thy jaws, and I will bring thee forth, and all thine army, horses and horsemen, all of them clothed with

all sorts of armour, even a great company, with bucklers and shields, all of them handling swords: Persia, Ethiopia, Libya, with them; all of them with shield and helmet; Gomer, and all his bands; and the house of Togarmah of the north quarters, and all his bands; and many people with thee" (i.e., people of all smaller conquered countries, and volunteer communists from all over the earth.)

This alliance of nations under communistic Russia comes against another union of nations composed of the regathered Jews, Sheba, and Dedan (Arabs of Southern Arabia) the merchants of Tarshish and all her young lions thereof. Tarshish and all the young lions are identified as England and her colonies. "Sheba and Dedan, and the merchants of Tarshish, with all the young lions thereof shall say unto thee (Gog), Art thou come to take a spoil, to carry away silver and gold, and to take away cattle and goods, and to take a great spoil?"

There is no mention in the line-up of the daughter of Tarshish (America). It is possible that she may be included in the term "young lions" but that is not clear. When this struggle comes with Russia, America may be so engaged with internal communistic trouble she can lend very little assistance to England. Tens of thousands of communists have found their way into positions of influence and power in every branch of industry, government and military division of this country. Communists are in such positions of power now that they could so cripple our industry and war preparations in a few days that it would take months of hard work before we could lend much help to England, if indeed any at all. The people of America are not awakened to the great dangers that threaten from within by the strongly entrenched communists whose pledge and loyalty to the communistic cause comes first. Every Communist in the United States takes the following oath: "I pledge myself to rally the masses to defend the Soviet Union, the land of victorious Socialism. I pledge myself to remain at all times a vigilant and firm defender of the Leninist side of the party, the only line that insures the triumph of the Soviet power in the United States."

Russia is described here by the very nature and policy she adhered to in this past war. She strips the countries she conquers then sets up puppet regimes. "Art thou come to take a spoil? hast thou gathered thy company to take a prey? to carry away silver and gold, to take away cattle and goods?" She robbed Manchuria, Poland, Germany, and the Baltic and Balkan states. Russia drove off all the livestock she dared from these countries. Among all the nations engaged in this barbaric struggle, Russia alone fits the picture as described by the prophet.

#### **RUSSIA COMES AGAINST PALESTINE**

"After many days thou shalt be visited: in the latter years thou shalt come into the land that is brought back from the sword and is gathered out of many people against the mountains of Israel, which have been always waste: but it is brought forth out of the nations, and they shall dwell safely all of them. Thou shalt ascend and come like a storm, thou shalt be like a cloud to cover the land, thou and all thy bands, and many people with thee... to take a spoil and to take a prey, and to turn

thine hand upon the desolate places that are now inhabited, and upon the people that are gathered out of the nations, which have gotten cattle and goods, and dwell in the midst of the land" ... And thou shalt come up against my people as a cloud to cover the land: it shall be in the latter days, and I will bring thee against MY land, that the heathen (Gentile nations) may know me when I shall be sanctified in thee, O Gog, before their eyes." In the war with Russia now shaping up, the final battle will be fought on the mountains of Israel as Russia with her allies move to take all the Near East. Russia will attempt to do by war and internal communistic revolution what Hitler failed to do. But she will also fail! Not because she does not have the machinery or power but because of God's direct judgment. It will pay every reader of this message to study these chapters carefully. The expression "In the latter years" makes it very clear that this prophecy could not be fulfilled until near the end of this dispensation, and certainly, as all Spirit enlightened Christians realize today, we are now in those latter years. Then you will notice in the above Scripture quotation that when Russia comes against Palestine it will be with great force "as a cloud to cover the land". They will possibly number into millions. They will constitute the greatest company ever assembled in any modern war on such a narrow front

The question will naturally arise in many minds why Russia would assemble such a showing of manpower in this atomic age when one Hydrogen Bomb could destroy all of them. Long range missiles shot from Cape Canaveral, Florida, could make such an attack on Palestine, as described in this chapter, impossible. The nations have spent billions in preparations for atomic war, but it is becoming more and more evident that in the event of war they will be afraid to use such power because of other effective weapons that can explode bombers over their own territory before they can reach their target thus rendering their use inadvisable or they will be outlawed before the war comes. The nations now have the potential to destroy all life on this earth within one fortnight.

When the battle of Armageddon is fought the Antichrist will be in possession of Palestine but when the Northern alliance comes against the land as described in this prophecy, the British (Tarshish) will move into the land to defend Israel. Both England and the United States have a defense pact with Israel. Before the seven years' covenant can be made with the Jews the Antichrist must be in the position of power as the head of the European Federation of Nations of which England will be a part.

When we study the cause of the Armageddon conflict we find that zealous Jews rebel against the reign of the Antichrist and cast his image out of the temple and cleanse it in accordance with Levitical law. Dan. 8:13, 14. As a result of this Jewish rebellion all nations are gathered to the battle of Armageddon. There will be no division of the nations. They will not be lined up one against the other as they are in the battle described in Ezekiel 38, but ALL nations will be gathered against Jerusalem. "For I will gather all nations against Jerusalem to battle; and the city shall be taken, and the houses rifled and the women ravished; and

half of the city shall go forth into captivity, and the residue of the people shall not be cut off from the city. Then shall the Lord go forth, and fight against those nations, as when he fought in the day of battle. And his feet shall stand in that day upon the mount of Olives, which is before Jerusalem on the east." (Zech. 14:2-4a)

When the battle of Armageddon is fought it will be in the valley of Megiddo but this battle is fought on the mountains of Israel, the northern part of the country given to Abraham and to his seed.

In this battle Gog leads his armies out of the north country against Palestine. "Thou shalt come from THY PLACE out of the north parts, "while at the battle of Armageddon the nations gather from every point of the compass.

Again it will be noticed that Gog comes against Palestine to "take a spoil, and to take a prey," to obtain the wealth of the land, but at the battle of Armageddon the Antichrist leading his forces against Jerusalem goes "forth with great fury to destroy, and utterly to make away many," the rebellious Jews, (Dan. 11:44) and to fight against Christ as He comes from Heaven on His white horse followed by His armies from heaven. "And I saw the beast, and the kings of the earth, and their armies, gathered together to make war against him that sat on the horse, and against his army." (Rev. 19:19). The two battles bear a striking similarity in that both are the direct judgments of God and the slain are numbered into the millions; and in both instances the buzzards are called upon to eat the flesh of the slain. (Compare Ezek. 39:17 with Rev. 19:17-18.) It has been stated by eye witnesses that in world war II the buzzards were so numerous they almost darkened the sky and the wounded had to be taken quickly from the battlefields or the birds would pick their flesh from the bones before they were dead. This was especially true in Mussolini's Ethiopian war.

There is nothing more certain in the world than that we are living in the very time of the end of this Christian dispensation. The "times of the Gentiles" are coming to a close in the destruction of this civilization. This warning has been given out by the inventors of the atomic bomb. They may know nothing about the prophecies but they know that if this secret gets into the hands of the wrong leaders it will be used to further their selfish ends. In the hands of the Antichrist all the nations of earth must inevitably succumb to his rule.

#### **"BEHOLD, I AM AGAINST THEE, O GOG"**

When God sets His face against a nation He may permit it to rise to a position of great power, and through its own pride and self-confidence, lead that nation to its destruction. Hitler's Nazi Germany is a modern example. But why is God against Gog? The answer is simple. It is because Gog is against God and has gone beyond redemption. Communism hates God and has set itself to the task of destroying the very remembrance of God from the earth. The communist salute is the clenched fist raised to heaven in defiance of God. International communism has not changed its purpose since its successful revolution in Russia. Every communist is a traitor to the country in which he lives and the nation that permits the Communist Party

to function as a political power and vote representatives to its legislative bodies is committing national suicide. Mr. Rose, the Canadian M.P., became a traitor to his country the very day he became a communist. He was tried as a traitor and rightly so. Every communist member in democratic countries should be considered in the same light. They are Russia's Fifth Column, ready and anxious to turn their respective countries over to the U.S.S.R. and this they will attempt to do when the impending war with Russia breaks.

#### **COMMUNISM HATES CHRIST AND TRUE CHRISTIANITY**

The underlying force of communism and its very tap root is its fierce hatred of Christ and true Christianity. Russian artists have prostituted famous Christian paintings to an unthinkable degree. The Last Supper they degraded to a drunken brawl. The Lord is pictured running a still and passing the liquor around to His drunken disciples. Most blasphemous of all is the Russian cartoon of the Trinity. God, the Father, and Jesus Christ, the Son, are pictured as decrepit old men sitting on the clouds of heaven, while the Holy Spirit is shown as a crowing hen with half its feathers gone. God warns that "all sins shall be forgiven unto the sons of men, and blasphemies wherewithsoever they blaspheme: but he that shall blaspheme against the Holy Ghost hath never forgiveness, but is in danger of eternal damnation." (Mark 3:28-29). Not only can individuals commit the unpardonable sin, but nations can be guilty as well. Russia is such a nation and God will permit her to spread herself as Hitler did until the cup of her iniquity is full. She cannot escape the direct judgments of God.

Russia destroyed over 30,000,000 lives in that country during the revolution and the years following, and she continues to eliminate, by bullets and Siberian exile, all who oppose her communization of the conquered countries of the second world war. The more recent deportation of Hungarian patriots during that country's attempt to gain its liberty shows that communism never changes. The life of every Christian is in danger from this monster of iniquity. So vicious is the hatred of Gog that he plots world revolution. The second world war, with Russia as our ally, gave the communists the chance they wanted. They were permitted to become officers and to hold important positions and to openly teach communism to the boys. This will become our great problem when the clash of arms again sets the world aflame.

Germany also was destined to come under the wrath of God according to this prophecy. In her national humiliation she received a severe chastisement by the armies of the allies, but she will undergo a second installment because of her alliance with Gog.

The great sin of Germany under the leadership of Hitler was her destruction of the Jews. Under government orders they were butchered, deported, conscripted into slave labour camps, placed in crowded ghettos, and subjected to a plan of systematic extermination. Many of their dead bodies were used to make soap. God had but one decree for Germany as a nation and nothing could change it. It is written in the covenant that God made to Abraham and also in the law. "I will... curse him that curseth thee" (Gen. 12:3), "I will be an enemy unto thine enemies, and an adversary to thine ad-

versaries" (Ex. 23:2). Not one nation in past history ever laid their hands heavily upon Israel and escaped the judgment of God. Since the end of the war it has been revealed that Germany systematically destroyed the lives of millions of Jews. This is only partly atoned for by her defeat in the second world war, but she will receive further retribution as an ally of Russia in the coming conflict.

The division of Germany and its capitol city, Berlin, was a very grave mistake by the peace conference. The Eastern part was deliberately turned over to Russia and Communism and now it threatens world peace. It may be one of the issues between the East and the West that will plunge the world into another war, the war that will end in the fulfilment of Ezekiel 38.

Togarmah, a son of Gomer, who populated the territory close to Mt. Ararat known in modern times as Turkey, is also mentioned in the line-up with Russia and Germany and will be a partaker of God's wrath when this battle is fought. No country on earth has more cruelly destroyed life than the Turks in their atrocities upon the defenceless Armenian people. The stories of the blood-curdling Armenian massacres, are written with a pen of iron and you may rest assured that a just God will avenge the crimes of the cruel murderers. The blood of Armenia cries unto God from the ground as did the blood of righteous Abel.

#### **GOG MAKES PREPARATIONS**

"Be thou prepared, and prepare for thyself, thou, and all thy company that are assembled unto thee, and be thou a guard unto them."

Before the second world war, Russia boasted of having the largest army, air armada, cavalry, and military supplies of any nation in the world. During the war she was fortified by large shipments of materials, and money to the tune of many billions from America and the British Empire. Since the fall of Germany she has laid up great stores of supplies by looting the countries she has occupied. The Congressional Committee saw great herds of stock being driven from the occupied countries into Russia. The committee reported that the Russian armies looted the countries taking eighty per cent of the grain and eighty-five per cent of the industrial equipment. We have all read the accounts from American correspondents who finally succeeded in penetrating Manchuria. Russia literally stripped the country of its industrial plant machinery and also manufactured products. The stripping of the factories left the people without any means of livelihood. Everything that could be of value to the Russian preparation for the battle described in Ezekiel was taken from the occupied areas. The many headlines in the newspapers told the story and assisted us in identifying Gog. Here are a few of many hundreds that filled the papers. "While Reds rob and sack China, U. S. aids Nation," "Reds Strip Rail Lines to Mukden even of Seats," "Reds Loot His Plant; Chinese gets Receipt," "Mukden Industrial Area Now is Desolate."

In the above verse Gog is told to prepare for himself and for those who are assembled unto him. No other nation but Russia fits the picture given us in Ezekiel, and we have advanced far on the road towards this inevitable struggle. We have witnessed in Europe's great struggle the switching of leadership from Hitler to Stalin, and on to

the present Kremlin Potentate. Gog has arisen to be the great force in Europe and will have to be reckoned with in the near future. It would be well for us to recall the statement of former Vice-President Wallace when he addressed a university in Ohio. This statement is in line with the Ezekiel prophecy. He said: "Unless the Western democracies and Russia come to a satisfactory understanding before the war ends, I very much fear that World War Number 3 will be inevitable. Without a close and trusting understanding between Russia and the United States there is a grave possibility of Russia and Germany sooner or later making common cause." Madame Chiang Kai-Shek, while in America, expressed her fears that "there may be a lot of quarreling among the nations after Germany is crushed. Stalin may demand a larger control of Europe than England and America are willing to grant. In that event Stalin will consider his cause just in making an alliance with what is left of conquered Germany." That is what has happened. Russia has steadily gained in power and has become a threat to the West and the Western World, and a man more cunning and diplomatic, more dangerous than Stalin is directing affairs in the Kremlin. The events of the past year both in the Near and the Far East make it clear that the United States and England under their present leadership are determined not to give Russia more concessions but to hold the lines against further encroachments and thus the final explosion resulting in the greatest of all wars to this time is a growing certainty.

Persia (Iran) one of the richest oil fields of the world, has her national leaders who were first with the West and then with Russia. She has been torn by strife for many years. Because of her dependence on revenue, largely from the oil fields developed and operated by the Western Nations, she is at this writing still on the side of the democracies. This prophecy shows her as an ally of Russia so we can be assured that one day the change will come in some unpredictable manner and she will have soldiers with the rest of the nations mentioned in the march into Palestine.

Turkey lies directly in the path of the Russian armies as they come to invade Israel, so regardless of her desire to remain an ally of the West she cannot be expected to do so for very long.

Almost the entire Moslem world under the leadership of President Nasser of Egypt and of the Arab Federation is taking a stand against England and America. Nasser never will be friendly toward England because of the Suez Canal dispute and the attempt of England with the aid of France and Israel to regain the Canal Zone by force of arms. America's pledge to defend Israel in the event of attack irks Nasser very much. The Arab world from Morocco to Persia and from Syria to the Arabian Desert, divided though they are, and torn by strife, have one thing in common: their enmity of Israel. They have pledged themselves to fight to the last drop of blood and for a hundred years if need be, to regain Palestine, which was given to the Jews after the first world war, under the famous Balfour declaration, as a national homeland. Such a hatred for their cousins, the Jews, automatically places them on the side of Russia even

PHOTOCOPY FROM GERALD FORD LIBRARY

though they may not readily take to Communism. Russia, knowing this, is taking advantage of the situation and making great advances in the entire Arab world. These are represented in this prophecy as Libya and Ethiopia (Africa). Gradually the prophetic stage is being set for the last act that will bring a concerted effort against Israel. No matter what happens in the Far East or in Europe and the Western World, Bible prophecy centers our attention on the Middle East and in a particular sense on the Jews and Palestine. That geographical location is the focal point of end time prophecy.

It has been revealed that Russia plans to put 6,000,000 men into the battle of Palestine. For years the Russian Government used a postage stamp depicting this very battle. They had the map of Europe on the stamp showing three roads leading down toward Palestine and converging in south Turkey. Four horsemen are shown galloping down these roads bearing a red standard. Their armies are pictured poised to strike from the mountainous section of south Turkey. It was reported from authoritative sources that Stalin before he died made the statement that he would gather the largest army ever assembled and send it against Palestine. The youth of Russia, from the tender age of ten years, is being schooled in the arts of war. The communists boast that if there is a God, they will destroy Him, they are going to prove to the world there is no God.

Well does Russia know that Palestine is the cradle of religion. Bible prophecy centers around this land. Hitler had his eye on Palestine. He openly boasted that he would remove every Jew from that land, but God removed him. It is the communist's purpose to take Palestine in their effort to destroy Bible religion from the earth, but they will never take it. The Jew is being returned to Palestine for the third and last time, and no power on earth can remove or destroy them. Not even the anti-christ, who will prove to be the Jews' greatest enemy, will be able to destroy them, or remove them from Palestine.

We must notice that it is when the Jews have gathered back to Palestine in prosperity that this battle takes place. This is now an accomplished fact. The first world war gave Palestine back to the Jews. That was the one great prophetic fulfillment as a result of that war. The late Rev. M. P. Baxter in his book "Forty Future Wonders," made the prediction that in 1917 the British would take Palestine away from Turkey and give it back to the Jews as a national homeland.

From Dan to Beersheba the whole of Palestine is dotted with settlements surrounded with lovely citrus groves, vineyards, grain fields and fine homes. Cities have sprung up, a network of fine roads has been built connecting the settlements. Industry has grown and is continuing to expand. The mineral deposits are being tested and oil has been discovered. The land of Palestine which has lain waste for so many centuries, and whose inhabitants have been wanderers among the nations, a prey to the sword, indeed has been restored. Its rightful possessors have been brought out of the nations and are now at rest, dwelling in comparative safety under U.N. protection. They have gotten cattle and goods, silver and gold, and dwell in the midst of the land. What an accurate description Ezekiel gives of present conditions! Conditions that

exist when Gog, Gomer, and Togarmah, with all their bands, set themselves for the raid. When the proper time comes, the war will centre in this section of the country.

From the beginning of our study of this prophecy more than twenty years ago we discovered that God would permit atheistic Russia to become so militarily powerful and successful along every line, expanding her political influence and territorial conquests so that it would appear that nothing could prevent her from sweeping the entire world into the Communist camp. With her satellites, she has the greatest source of manpower in the world at her command, and the largest number of trained soldiers. Her scientists are as good as you will find. She was the first to put a satellite into orbit around the earth. The United States has just conceded that Russia will probably be the first in the air with atomic powered aircraft, although we will not be far behind her. No single federation in the history of the world has ever held sway over such vast territories and multitudes of people, and she will continue to gain when war breaks out, to the amazement and confusion of the rest of the world. But one may ask, "Why will God permit such a thing seeing Russia is atheistic and an enemy who is sworn to destroy all religion and even to dethrone God from the heavens?" God is permitting this for His own glory, that when He sends His fierce judgment upon her as she comes against Israel with great force to blot her out of existence, God will be glorified in all the world by all the nations for bringing about this great deliverance from world communism and of Israel from annihilation.

#### DESTRUCTION OF RUSSIA

When Gog with millions of soldiers from the nations allied with him is poised for the battle, the next move will be God's. He says in Ezek. 38:18-23: "And it shall come to pass at the same time, when Gog shall come against the land of Israel, saith the Lord God, that my fury shall come up into my face. For in my jealousy and in the fire of my wrath have I spoken, Surely in that day there shall be a great shaking in the land of Israel;

"So that the fishes of the sea, and the fowls of heaven, and the beasts of the field, and all creeping things that creep upon the earth, and all the men that are upon the face of the earth shall shake at my presence, and the mountains shall be thrown down, and the steep places shall fall, and every wall shall fall to the ground.

"And I will call for a sword against him throughout all my mountains, saith the Lord God; every man's sword shall be against his brother.

"And I will plead against him with pestilence and with blood; and I will rain upon him, and upon his bands, and upon the many people that are with him, an overflowing rain, and great hailstones, fire and brimstone.

"Thus will I magnify myself, and sanctify myself; and I will be known in the eyes of many nations; and they shall know that I am the Lord."

In the sixteenth verse God tells one reason for this great catastrophe: "I will bring thee against my land, that the nations may know me, when I shall be sanctified in thee, O Gog, before their eyes." Following the conclusion of this astounding event, it will be acknowledged that God alone destroyed the enemies of righteousness. (Russia

and Communism) Every individual and nation will give God all the glory. The British can no more defend the land against Gog than Gideon with his three hundred were capable of routing the Midianites in their own strength. It was "the sword of the Lord and Gideon"; and in this greatest of all victories for modern Israel it will be the sword of the Lord. God alone will be sanctified in the eyes of the world. This will be the first great evidence to the Jews that God is directing in their national life, that it is He who is re-establishing them in their own land.

If we ever have a world revival it will be after God manifests His power in destroying the communistic bear. Russia will cease to exist as a major world power for she will be deprived of the greater portion of her fertile agricultural areas and of her industries. Her defeat and humiliation will be greater than that of Germany after the two world wars for it is the manifest judgment of God.

Prophecy reveals the final boundary of Russia after this humiliating visitation of God's judgments. "But I will remove far off from thee, the northern army, and will drive him into a land barren and desolate, with his face towards the east sea (the Siberian wastes bordering on Bering Sea) and his hinder part toward the utmost sea (the Arctic Ocean) and his stink shall come up, and his ill savour shall come up, because he hath done great things," Joel 2:20.

The destruction of Russia will not be the end of earth's troubles, for Europe will fall into the trap of the anti-christ by forming the United States of Europe. The great events of end-time prophecy are shaping for fulfillment. The Revelation of John will be literally fulfilled. The rapture of the saints at the coming of Jesus is ever nearing and everyone who knows the truth and loves God and the souls of men should bend every effort to get this truth out to the people and pray for a mighty revival and harvest of souls.

Resume of Civilian Flying Saucer Research M/F

For the sake of those of you who are just discovering flying saucers, please be informed that a public information bureau does exist, on the subject; its material, free, upon request. Established 1954.

We are called the Planetary Space Center, address below. We do not have a membership group or dues..since if this is history in the making..IT BELONGS TO EVERYBODY!

We send out a newsletter upon request concerned not only with the latest outstanding sightings from all over the world, books, lectures, conventions..but what it will mean to humanity in all phases of its living with the coming of advanced FRIENDLY HUMAN BEINGS. We have our own proof of their existence..and we warn you if you are interested only in saucer sightings do NOT order our newsletter..but write to us and we will refer you to groups that are totally objective or thus limited. As will we refer you to subjective groups or those doing psychic saucer research..which we do NOT do. We do not deny intuitive abilities, for themselves..but we feel there is too much yet Earthman must square away on his physical plane of operation before he gets in on such dangerous, unknown quantities as the mind.

WE DO NOT PRETEND TO HAVE ALL THE ANSWERS..BUT ARE HAPPY TO PASS ON TO YOU OUR EXPERIENCES..FOR YOU TO EVALUATE FOR YOURSELVES, CONTAINED IN BOOKS, PAMPHLETS, ALSO AVAILABLE THROUGH US, FREE.

There are other books on the subject in the public libraries, book stores. We exchange our newsletter with countless other saucer group/magazines across the country and in many other countries. And thus we can keep you informed of the continuing sightings that do not get into the newspapers. We furnish a good sounding board when you might have a saucer sighting of your own, since there is no official body to which you can turn. The government, federal and local, the FBI, all know of our activities..BECAUSE WE HAVE SENT THEM OUR MATERIAL. We are a non-profit organization registered with Wayne County, Michigan.

You will find, if you become a saucer researcher or interplanetary investigator, also..that unusual air craft has been seen in our skies long before we developed our own..if you were to go back into the history of all religions..as well as ancient folk-lore. Virgil spoke of "hollow clouds" with sky people in them; the American Indian of "white gods that came down from the sun in fire baskets". With such cues, in any parlor game, the truth would have been guessed long ago!!

In The late 1900's the American author, Charles Fort did a tremendous research into this field; ignored by astronomy and education; finding much evidence recorded in old monasteries, letters, newspapers of the past. If one were to relate recent developments along these lines to the untechnical language of ancient times..one can see why Elijah (in the Old Testament, a history of the Jewish Race)..said "a fiery chariot" came down and took him to "heaven". Enoch, likewise. Such historical events thrown too far into mystical realms in time and the knowledge that more advanced human beings lived on other planets..who might present Earthman with an example of how to conduct his own society in a more godlike fashion..BECAME FORGOTTEN. JUST AS IT IS IN DANGER OF DOING TODAY..AS AUTHORITIES WHO HAVE NEVER HAD A SIGHTING TRY TO EXPLAIN THEM AWAY. HOWEVER, AS CONDITIONS WORSEN ON THIS PLANET (AT THE COMBUSTION STAGE, PRESENTLY, WAR-WISE)..THE VISITORS MAY APPEAR MORE AND MORE IN OUR SKIES. WHAT WILL OUR AUTHORITIES DO THEN?

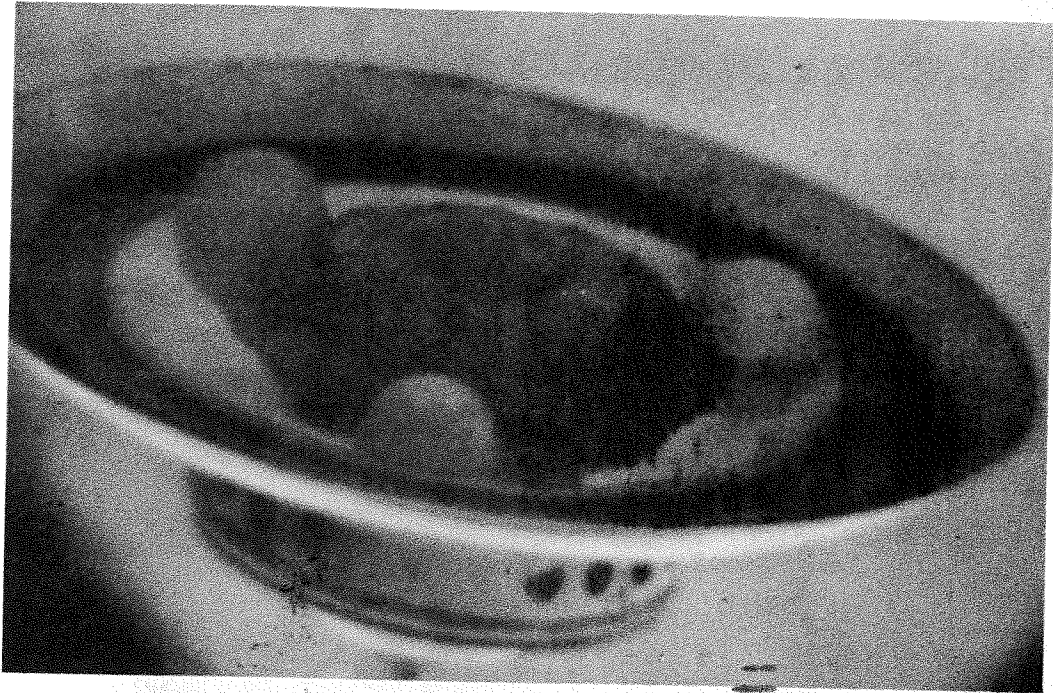

Perhaps there is a reason why our outer space attempts have not been too successful..until the Visitors can come openly to us and help our astronauts successfully into space and its unknown hazards.

You are welcome to visit the Center. Children must be accompanied by parents.

Dear Sir.

WIA

In regards to calling for a investigation  
on the subjects of U. F. O."

Now this bring up many subjects, as  
the people are half to be putting up with  
here in this ("United States of America.") I am  
sure you know of the nation I speak off.

The most of use know of the Flying  
Saucers. But I am sure, from the information  
I have, please let the subject drop?

Because the subject and the nature of it  
is already known in Washington, and I  
might agree with the officials, let  
the subject keep on flying because they are  
not going to hurt any one. In fact our  
nation has invaded their private.

And if other find out about it and  
the location of it, well I have no  
answer to what might happen.

I only wish that you people in  
Washington would have a little more  
foresight, in regards to what is going  
on in the world. I am sure that

it would be much easier for the people in United States and the world as a whole to see what God had left for us to live with. For it is the country the flying saucers are coming from is a intelligent people and a most ideal nation, beautiful in fact. Oh yes their is surly more people than I know's about the subject as I do, lets hope they also feel as I do and let these people alone because in the future years they will also have a terrible time in life because the world conditions will horass them,

Seems odd to me these U. F. O. would bother you, when you left the senate congress interfere with General Motors Co. As any body with a good judgement would of not tried to interfere with the engineering of cars in regards to their safety. Cars are made for transportation only. The driver is the responsibility of any vehicle.

Then their is your medicare (7) million people trying to get care in (6) thousand hospitals. How do we account for this

PHOTOCOPY FROM GERALD FORD LIBRARY

Tax money taken from employes, and in return given to farms, for not raising crops, yet their farms growing up in weeds, which the moral rule says pull em out, because they are not wanted.

This money could be converted back to the war fund, which is going to be so badly needed.

Yes there could be more I could speak of. But think this out first because in the near coming years there is going to be some changes made that God had promised us. Yes even in the next (two, (2) years, - Because this Viet-Nam war was coming, and even though you will see a settlement there within the next (90 days) I am sure that is not going to be the end.

Now you think of me as a nut or something the squirrels are looking for, but let me tell you this I will be here voting for Mr. Adair, in the coming election.

Respectfully yours,  
Mr. Cleophus E. Keller

igan. I can think of nothing sillier  
than a "full blood Congressional  
investigation" of such claims.~~

What do you think such a parade  
of witnesses would prove? And  
by what right do you refer to  
these persons as "sincere", and  
Dr. Hynek as "flippant"?

Dear Mr. Ford:

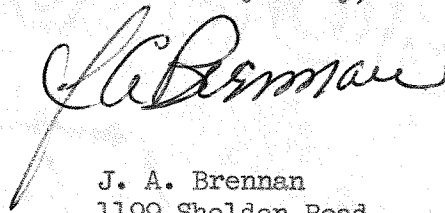

On March 25, 1966 at 4 p.m., I heard your request on the radio, Station WJR, requesting a full-blown investigation of the flying saucers. This in my opinion is ridiculous.

If you want to make a full-blown investigation, make it on the cost of automobile damage repairs. Do something for the American people.

In early March, 1966, we had an increase in insurance rates of 17 per cent. On March 24, 1966, The Detroit News carried an article indicating that later in the year another raise in rate is due because of the high cost of repairs.

On automobile accident claims, I have to assume the insurance companies know what they are talking about. If we must spend the taxpayers' money for investigations, let's spend it where it might do some good.

Yours very truly,

Dear Sir:

We know of your insistence that Congress be allowed to investigate the U.F.O. phenomena, especially since the Michigan "Swamp Gas" incident.

At this point I am not sure if you are a saucer contactee or not, if so you no doubt would not broadcast it, knowing the thinking of the majority of the people.

However, We of The Church of The Golden Cross are, and know all these things to be the Truth and why!

Diophantes from the planet of Sirius II is now upon the Earth plane and a Minister of the Church of The Golden Cross with us. He can communicate with all other Beings on the Higher Realms since he was educated on the Higher Dimensions.

During church time on the evening of March 25, 1966, we received the following messages from several of the other planets regarding the comments of the Earth scientist sent to Michigan to investigate the "Swamp Gas" incident.

#1 March 25, 1966 Transmission by Diophantes -- I am Orthon of Venus. I come by the permission of the Divine Creator and through His Son, Jesus Christ Lord and Master of Earth.

There are none so blind as those who will not see, the perfectly obvious is the ultimate of stupidity. We cannot honestly see how anyone can be so smart and yet so down right stupid for the Truth is there.

When flying saucers have been seen in more than ten states at once. "Swamp Gas" indeed! We are going to send more "Swamp Gas" if that is what they want to call us. What are We going to have to do anyway? We feel pity for those who do not know the Truth of what We are bringing to you people of Earth.

It has been stated before from those of my planet that We have contacted many on Earth. We will contact many more. But it's always some stupid expert, who should know better, that could really do us the most good in helping you of Earth, who fouls up Our plans for you.

Communications are coming from Others, so I say goodnight and The Divine Father sends you His Blessing. Orthon!"

#2 "I am Jai Ali of the Solar System of Solarius speaking to you from the planet you people call Saturn. The only ringed planet in this part of the Galazy.

I am here by the permission of the Divine Creator and I speak to you through Jesus Christ, Lord and Master of the planet Earth. I greet the guests at the Church of the Golden Cross and I should remind you that you are being monitored through fifty eight billion Solor Systems this evening.

Orthon of Venus went into detail already concerning the "Swamp Gas" and photograph of Venus and the Earth Moon. The Deputy Sheriff did come up with a very nice photograph of two lovely interplanetary vehicles. The long cigar shape type, and some so called experts down there say 'They are pictures of Venus and your Moon.' Ha! Ha! Ha! Ha!

By the way there are going to be more "Swamp Gases" in your dimensions. Since the "Swamp Gas" was seen in ten states we expect to double it and maybe tripple it in the next few days. Then we will see if it is "Swamp Gas". Which of course, is caused by decaying vegetation, through the action of water and the growth of bacteria. Any dummy knows that cannot grow in subzero cold. So you people can expect more of these, shall we say blobs? And they will come about in the proper place at the proper time.

We are trying to hold your planet together, this is why so many of our vehicles are in your area. If you will note, recently a hydrogen device was exploded in your dimension. This is why there are many, many, many vehicles in your area. The bigger the bomb the more magnetic power we have to use to stabilize your magnetic field so you people won't blow yourselves to kingdom come.

Everytime you idiots down there set off a hydrogen device it makes Us sick. We only hope We can get more generators into your atmosphere, in time to keep you from blowing your planet apart. A hydrogen bomb sets off an electrical chain reaction in your planet's magnetic field. The turbulence set loose by the release of electrical energy of the hydrogen bomb, the planets magnetic field is greatly disturbed and if it is disturbed enough, internal pressure can blow that planet apart.

This happened sixty million years ago in this very Solar System and We said then, that under no circumstance would We ever let this happen again. Because the whole Solar System plus the possibility of the whole Milkyway Galaxy being then destroyed by your Earth people's foolishness.

By this continued foolishness the time has come, that even a small bomb exploded down there can cause disastrous turbulence over the whole Solar System. Our many ships placed in your atmosphere have to continually monitor and watch you that you do not blow yourselves up and Our planets with you.

The recent blizzard that hit the central part of the United States is a vary good example of how turbulence in your planet's magnetic field effects your

weather system. So you see why We worry about the actions of your scientists on Earth. We have to spend even months stabilizing your magnetic field after any nuclear experimentation. So We hope We can keep you people from going too far one of these days. Yes, We hope We can prevent this from happening to Our Galaxy, the one you people are a very small portion of, but never-the-less an important part.

This is all for now, there will be Others communicating with you. I am Jai Ali of Saturn.

#3 March 25, 1966. Greetings to the Church of the Golden Cross. I come by the permission of The Divine Creator and His Son, Jesus Christ, Lord and Master of the Earth. I am Desecartes of the planet of Sirius II. We are in the process of over hauling all Our flying saucers and the other larger ships. The three mile long, the five mile and the ten mile interstarler ships. To increase their flying speed and power to eight billion, seven hundred fifty million miles per second.

This modification is rather simple but very, very effective. You understand there is a change in relation to time and Light. As the saucer accelerates time slows down and when eventually decelerates time continues onward.

In order to come to Earth and be seen by those of Earth, We must tune our vibrations down until We come into the electronic perception of those of Earth.

This is all from the dimensions of Siruis II. There may be others later. I am Desecartes, President of the Council of Seven for the Solar System of Siruis. Goodnight and you have the Divine Father's Blessing.

#4 March 25, 1966. Greetings ladies and gentlemen. I have no name in your dimensions, in fact I am not even from your Galaxz. Right now, I am speaking to you from the planet you call Venus. I recently returned to this planet from the planet Earth. I come to you through the permission of the Divine Creator and I also pleak to you through Jesus Christ, Lord and Master of Earth.

I am the pilot of one of the planetary vehicles that landed in the state of Michigan. In a swamp for reasons of our own. Because we were using high energy machines, we chose a swamp. Actually, We did not land in the swamp, We landed on it and floated on the water or I should say mud. It was a very cold night when We landed and I understand it has even gotton colder now.

And I do not like for people to call my ship a blob of "Swamp Gas". I don't like that at all! Because I can definitely assure you people who are within the range of this transmission that my ship in definitely not "Swamp Gas"! It is solidified energy. Yes, but it is just as solid as some of the heads that I would like to knock together. If the Council of Seven would give me the

permission I would do just this and see what sawdust I could knock out.

Frankly, I am mad! "Swamp Gas" indeed! Really now! Now I know how Galileo feels, or Columbus, or Magellan.

We visited your planet because We knew before hand the coming earthquake in China and came to leivate and did as much as We could but We were not quick enough. Incidentally, this earthquake was triggered by the setting off of a nuclear device.

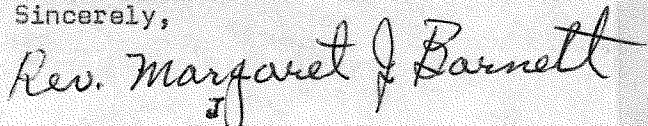

But there will be more of Us from this Galaxy (of the Milkyway) and from My Galaxy (Como Bernices) and other Galaxies, yes Andromeda and Orion. More of Us will be in your dimensions from time to time. "Swamp Gas" indeed! Really! I bid you people in the Church, goodnight.

#5 March 25, 1966. I am J.W. of Solarius Seven. The planet you people call Jupiter which is the largest in this Solar System. We are watching you people of Earth. We are hoping you people will eventually get to the power you should be using. A natural power, not a distructive force but a natural power.

We have space ships that move according to natural Laws. I know everyone on Earth tries to over come resistance by using brute force. We get motion by using natural Laws and using it to Our advantage. This is J.W. of Jupiter. Goodnight.

April 1, 1966. We in the Church received messages that the Higher Realms heartily approve of your request that Congress investigate the U.F.O. (Mystery). That is really not a mystery. "They" urge you to full speed ahead and will intuitive aid and guide you.

Sincerely,

Rev. Margaret Barnett

Dear Congressman:

Subjects,  
Flying objects or  
Whatever you want to call  
them,

I see on Television where you are in-  
terested in a Congressional investigation of  
the objects people have been seeing.

I suggest, you or some one of  
your staff read the book, "Hollow  
Earth" - then summon May.

Keyhoe who lives in Washington D.C.  
and have him tell about his trip  
to the North Pole, with Admiral Byrd  
and I believe you can quickly solve  
the Flying Saucer question.

Admiral Byrd flew into the entrance  
of the North Pole 1700 Miles also into  
the entrance of the South Pole 2300 Miles.

Why was Admiral Byrd suppressed  
by our government in telling what  
he found inside the earth?

Senator Ford  
Washington D.C.  
Dear Senator Ford?

We are pleased with your bringing to the attention to congress the subject on UFO's.

We feel that there has been entirely too much secrecy on this subject, also the ridicule of those that have reported such sightings by officials and those in high positions has closed the mouths of many observers.

We just heard Mr. MacNamara's statement on this subject and we think its a shame that one holding such a high position has so little knowledge on this subject and would try to explain away such a phenomena as has been in our skies frequently since 1947. These have been observed by thousands of people and they were not observing balloons or swamp gases such as our officials wish us to believe.

We have observed many of these UFO's over the past 19 years.

We and our friends commend you very highly for the work that you are doing on this subject, also Senator Dirksen.

We don't approve of Pres. Johnson's war on Viet Nam, nor did we approve of Truman's war in Korea.

We hope and pray that the Republicans win this next time so our country will remain safe, as we have our doubts under this present administration.

In our Bible it says, you shall see signs and wonders in the skies and this was foretold thousands of years ago.

Very truly yours,

*I. K. Harrison*
