Dear Mr. Fairbanks:

This is to thank you for your recent letter to the President regarding arthritis legislation currently pending in the Congress.

At this time the Congress has not taken final action on the National Arthritis Act. Should that bill be sent to the President, please be assured that he will give it his fullest consideration.

With best wishes.

Sincerely,

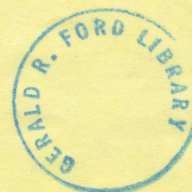

Roland L. Elliott
Special Assistant
to the President

Attached is a suggested
arthritis response to our football
coaches. The more of these we
can get out before the bill is
passed - if indeed it will be -
the better.
