Dear Michele

If you ever have time, and
get to Rochester, I would
like you to go inner tubing
with me and Dad
in Bear Creek that runs
by our house. If you can
come please let me

know

so I can have some
ready for us. Also
come after a rain

Koolaid

try to

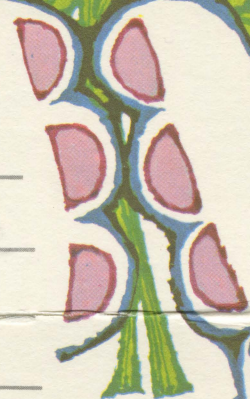

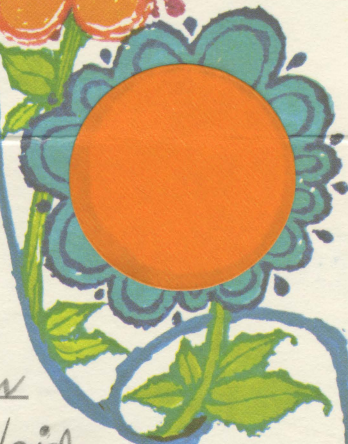

so the creek will be
a little deeper. I think
you have been a good
President, and hope you
win again. May God
be with you.

Love Michele Lee Amundsen
