Dear Pam,

Thank you for your Christmas greetings to the newest member of our family, Liberty. You were very thoughtful to enclose the snapshot of Brandie.

As I am sure you can well imagine, Liberty is thoroughly enjoying her new home. While she loves having a big yard to chase squirrels in and a fountain to take a dip in when no one's looking, her favorite time is when she is with our family...very often sleeping under "her Man's" chair.

Life is not all play for Liberty, though. Every day she visits her friends in the offices in both wings of the White House to make sure they are all happy, and sometimes she even greets groups of visitors... especially when they are children. But no matter whom she greets, she always leaves a special bright spot in their day.

With best wishes,

Susan Ford

"Hi" Liberty,

I have seen your picture many times in the paper lately, so I am enclosing one of me. My humans say we look alike. Maybe someday we will have the opportunity to meet. I like to chase balls and carry things in my mouth. I also swim in the pool all summer. Do you like to swim?

Have a nice Christmas,

Brandie Brown

A dog-to-dog greeting
With warm wishes in it
For a Christmas that's merry
And fun every minute!

OUR DOG'S PEOPLE SEND
THE SAME WISHES!
