Mrs. Gerald R. Ford
1600 Pennsylvania Ave.
Washington, D.C.

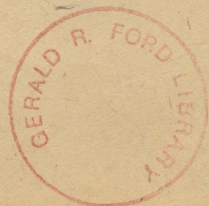

Dear Mrs. Ford,

I wish to commend you for your show of strength during your recent illness. You have done many women a tremendous service by bringing this disease out into the open, showing them it is nothing to be ashamed about and that the return to a full and normal life is not an exception but rather the rule.

I wish you a complete and speedy recovery and shall remember you in prayer.

Sincerely,

Susan C. DesRuisseaux
