MEMORANDUM FOR BRAD PATTERSON

FROM: BRUCE RABB

Attached is a list of black mayors that was delivered by Clarence Townes last week. Clarence is also developing some background information on these mayors but has not yet sent it over.

You might keep pushing Clarence for that material. In the meanwhile I am certain that Bob can fill you in on a great many of these people.

(I do not think that Dwight Chapin has sent a memorandum on this, but Len's recommendation that black mayors be assembled for a White House meeting was approved with the qualification that "meetings with black mayors should be as individuals and not as groups.")
