MEMORANDUM FOR: ED HARPER
FROM: DES BARKER
SUBJECT: Black Report

I fully concur in your efforts to get some other academics interested in producing articles on the report.

Because of the mention of the Income and Poverty Reports this year, if there is a way we can extend this effort to these two studies I would recommend we do so.

Re: Key persons to recieve advance on Black Report

Bob Brown recommends that the persons mentioned in the attached list should receive information about the black report--perhaps the News release and summary--as soon as possible since they will give it fair treatment.

You might send a copy to each of them saying that Bob Brown had requested that they be sent this information and that you would be pleased to provide them with any detailed information which they might like to have.

Also please send the information to Daniel P. Moynihan noting that it is sent at my request.
