RIVER ROUGE FLOOD CONTROL PROJECT
WAYNE COUNTY, MICHIGAN SECTION A
INVITATION NO. DACW35-70-B-0023
BID: 2 P. M. on MAY 6, 1970
AS FOLLOWS:

Walter Toebe & Sugden, Inc.	\$11,565,036.00
Greenfield & Holloway	\$12,895,211.35
Peter Kiewit's Sons	\$16,187,225.00
R. E. Dailey	\$21,437,990.30
Corps of Engineers Estimate	\$12,362,400.00

Walter Toebe & Sugden, Inc. are the apparent low bidders. This organization has a poor equal opportunity employment record as compared to some of the other bidders. Inasmuch as this project should be performed in the Detroit labor areas, it would be much more beneficial to the unemployed black population if one of the other bidders receive this contract. Walter Toebe of 325 Wixon Road, Wixon, Michigan has a real low total of Negro employees per capital of total work force as well as Sugden, Inc. of Novi, Michigan. Their record has not been good considering the areas of jobs performed by them.

MEMORANDUM TO HEADS OF DEPARTMENTS AND AGENCIES

SUBJECT: Federal Procurement and Minority Business Enterprise

Minority business enterprise is a major concern of this Administration. For that reason, on March 5, 1969, I established by Executive Order the Office of Minority Business Enterprise in the Department of Commerce to coordinate the efforts and resources of Federal departments and agencies and private enterprise in this field.

One of the most important ways to promote this effort is to develop a program which will increase the involvement of minority group contractors in the multibillion dollar Federal procurement program. The Office of Minority Business Enterprise, the Small Business Administration, and a Federal Task Force on Procurement - - under the leadership of Robert L. Kunzig, Administrator of General Services - - are working closely with members of my staff to develop such a program.

Leonard Garment, my Special Consultant, and Robert J. Brown, my Special Assistant, will assist in the development of that program, keep me informed of progress, and make such recommendations as they feel are necessary.

I request that during the period of program development, all departments and agencies provide to the Office of Minority Business Enterprise and the Small Business Administration full support in the following ways:

- - Provide procurement opportunities.
- - Supply management and technical experts.
- - Help to set goals to measure progress of the efforts being made.
- - Name a representative of your department or agency to pursue these efforts.

This program has high priority on this Administration's agenda. I trust that all of you will give it your best attention and effort.

signed/Richard Nixon

Honorable Robert L. Kunzig
Administrator
General Services Administration
Washington, D. C. 20403

Dear Mr. Kunzig:

I want to assure you that I am in full agreement with the program being advanced by the Task Force on Procurement for Minority Businessmen. On January 2, 1970, I named James Farmer, our Assistant Secretary for Administration, to represent this Department on your task force.

I believe we in HEW have been one of the forerunners in spearheading a program responsive to Section 8(a) of the Small Business Act. As early as June of 1969, we determined from all of our operating components in the Department those commodities and services which were being procured on a recurring basis and furnished the Small Business Administration 8(a) policy manager with annual requirements totalling more than \$10,000,000 and representing approximately 2,700 items of supply and service.

The Small Business Administration 8(a) policy managers have been reviewing our requirements and have identified thus far 194 items with an annual demand of more than \$300,000 which they will place with minority enterprise.

Our Division of Procurement and Materiel Management is working almost on a daily basis with the 8(a) policy managers of SBA and we have assigned a procurement analyst as the principal liaison with the Small Business Administration 8(a) program. We will continue to work closely with the General Services Administration and Small Business Administration to develop a program to meet the goals you have expressed.

Sincerely,

/s/ Bob Finch

Secretary
