CORRECTION NOTES:

The following corrections are made to the Status Report of June 30, 1970.

1. A total of 7 contracts were awarded from the Army in June 1970, aggregating \$1,769,510 in lieu of 6 contracts for \$1,769,508.
2. A total of 13 contracts were awarded from GSA in March 1970, in lieu of 12.
3. The total dollar amount for the awards in June 1970 for GSA should read \$1,084,001 in lieu of \$1,084,000.

As a consequence of the foregoing the following Recapitulation Sheets are changed as indicated:

Dear Bob:

Thank you for the information concerning the contracts that the Office of Public Affairs has placed with minority-owned firms and with firms employing minority talent in key positions. The list is impressive and the Office of Public Affairs deserves to be congratulated on its efforts.

IN REPLY REFER TO:

MEMORANDUM FOR: Leonard Garment
Assistant to the President
The White House

SUBJECT: HUD Public Affairs Awards Contracts to Minority-Owned
Business Enterprises

I believe you will find the following information interesting. The Office of Public Affairs of HUD has recently placed \$207,000 worth of film production with the following minority-owned firms:

<u>Zebra Advertising, Inc.</u> to plan and produce a public service campaign on behalf of the Fair Housing Section of the Civil Rights Act of 1968.	\$100,000
<u>Michael Woodlon, Inc.</u> (filmstrip), Equal Opportunity, What It Is, What It Does.	10,000
<u>The New Thing, Inc.</u> (film), Equal Employment Opportunity.	15,000
<u>David Harris, Inc.</u> (exhibit) for Equal Opportunity.	12,000
<u>Reels and Reality, Inc.</u> (film), Citizen Participation in Metropolitan Planning.	35,000
<u>Chamba Productions, Inc.</u> (film), Planning for Urban Change.	35,000
	<u>\$207,000</u>

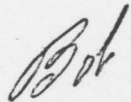

The following film projects were placed with white-owned firms, but with the understanding that minority talent would be used in key rolls such as; writing, direction, camera, etc.:

<u>Sundial Films</u> (film), Fair Housing training film. Black writer, Puerto Rican crew.	\$ 25,000
<u>Hearst Metrotone</u> (film), New Communities. Black writer-director, Chinese (woman) camera; remainder of crew minority where possible.	50,000
<u>Monumental, Inc.</u> (film), Metropolitan Approach To Urban Planning. Black (woman) writer-director.	50,000
<u>Screen Presentations, Inc.</u> (film), Low Income Home Ownership. Puerto Rican cameraman.	43,000
<u>Hal Kirn Associates</u> (filmstrip), Elderly Housing, Black associate.	7,500
<u>Creative Arts</u> (filmstrip), Rehabilitated Housing. Black narrator.	7,250
<u>Design Center</u> (filmograph), Nursing Home. Woman narrator.	11,000
	\$202,750

In addition, there are several other projects still in the planning stage worth approximately \$250,000, which will be contracted to minority -owned firms and firms committed to minority participation.

As you can see from the above breakdown, HUD Office of Public Affairs has been extremely sensitive to minority involvement in our Audio-Visual program.

ABSTRACT OF SECRETARIAL CORRESPONDENCE

TO: ☒ The Secretary
☒ The Under Secretary

From: Jay I. Leanse

The Small Business Administration is preparing a directive with respect to policies and procedures for the operation of the SBA Section 8(a) contracting program. It is essential that the roles of the OMBE affiliates and the Minority Business Opportunity Committees (MBOC's) be recognized in the National Directive. The attached letter to SBA requests that the proposals which you made in your August 26 letter be included in the SBA National Directive.

Honorable Hilary Sandoval, Jr.

Washington, D.C. 20416

Dear Hilary:

I appreciate the opportunity to comment on the draft of the SBA National Directive for Section 8(a) Contracting. As you know from my letter of August 26, I believe that there are very explicit roles which both the Minority Business Opportunity Committees (MBOC's) and the OMBE affiliates can play in the SBA Section 8(a) contracting program.

One of the important functions of the MBOC is to obtain from each of the member agencies a periodic listing of 8(a) offerings. The 8(a) offerings submitted to the chairman of the MBOC would be sent to the nearest SBA regional office for their information. In addition a copy of the requirements would be sent to OMBE in Washington. The information provided to OMBE would serve as the basis of a "policy guidance letter" to the local OMBE affiliate(s); this letter would outline in general terms the kinds of goods and services required. As soon as the OMBE affiliate has located a promising candidate based on the policy guidance letter, they will assist the contractor in preparing a business plan, thus enabling him to receive SBA certification. The SBA regional office, having coordinated a copy of the Office of Minority Business Enterprise's "policy guidance letter" to the OMBE affiliate, will hold in reserve potential offerings for a specified time.

Given the broad and sometimes overlapping nature of management and technical assistance available from both government and private sources, I propose that the OMBE affiliate work with SBA to identify and match the necessary technical and management resources (SBA "406" consultants, EDA, OEO, OMBE affiliates and private resources) to each Section 8(a) contractor in their city.

Specifically, as soon as SBA begins the process of approving a potential 8(a) contractor, the regional office should inform the OMBE affiliate who would then take the steps necessary to insure that appropriate management and technical assistance becomes available to the contractor as soon as it is required.

I would like to see these proposals incorporated into the SBA National Directive. I also believe that you should consider for inclusion in the Directive my proposal to use procuring officers in each department or agency for the negotiation of contracts under \$75,000.

I would like very much to review the SBA National Directive before it is published.

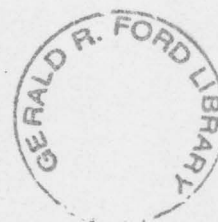

Sincerely,

(SIGNED) MAURICE H. STEIN

The Small Business Administration is preparing a directive with respect to policies and procedures for the operation of the SBA Section 8(a) contracting program. It is essential that the roles of the OMBE affiliates and the Minority Business Opportunity Committees (MBOC's) be included in the National Directive. The attached letter to SBA requests that the proposals which you made in your August 26th letter be included in the SBA National Directive.

Dear Hilary:

I appreciate the opportunity to comment on the draft of the SBA National Directive for Section 8(a) contracting. As you know from my letter of August 26, I believe that there are very explicit roles which both the OMBE affiliates and the Minority Business Opportunity Committees (MBOC's) should have in the SBA Section 8(a) contracting program. I would like to have the proposals which I made to you in my August 26th letter incorporated into the SBA National Directive.

I would like very much to review the SBA National Directive before it is published.

Sincerely,

Secretary of Commerce
