I think it would be significant if the
President mentioned the underscored
sentence.

RJB: cmf--Hand carried

February 3, 1971

TO: Ronald A. Phillippo
Director, Public Relations

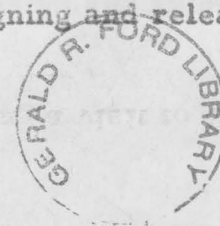

SUBJECT: Joint release of announcement on signing of Preprofessional
Manpower Contract (U. S. Department of Labor and National
Council, Boy Scouts of America)

This will confirm various contacts made by me during a visit to Washington
Tuesday, February 2 relative to completing final details in the above
Federal contract.

A good bit of time was spent with Mr. Arthur Jaffey of the Manpower
Administration Information Office supplying information relative to our
program. Mr. Jaffey not only felt that he had sufficient information to
write the release, but also the basic material for an article he hopes to
recommend be written for the Labor Department's magazine, "Manpower."

Following this meeting, I spoke with both Commissioner James E. Johnson
(Vice Chairman of the U. S. Civil Service Commission and Chairman of our
Paraprofessional Employment Committee) and Robert J. Brown (Special
Assistant to President Nixon and a member of our Paraprofessional Employ-
ment Committee) regarding the possibility of White House involvement as a
third party to the news release. Mr. Brown agreed that this announcement
should have greater coverage than the standard Labor Department release.
He recognized the uniqueness of the contract as far as the Labor Department
is concerned in that no other contract of this type with a National agency
such as the Boy Scouts has to date been written along with the fact that
this is the first Federal Grant of any type secured by the Boy Scouts of
America. Mr. Brown agreed to work with Commissioner Johnson making
necessary contact which would result in White House involvement.

At this point I feel that my personal involvement should cease, and that as
discussed with both you and Russ Bufkins, further developments along this
line be coordinated by Russ. Working towards a signing and release date

Mr. Ronald A. Phillippo
Page 2

of February 12 for the contract beginning February 15, we should have sufficient time to clear up any loose ends. Of course, I would assume that final details will be cleared with Mr. Barber.

Please let me know if I can supply further assistance. If you have questions relative to the contract, they can be cleared up by me or through a contact with Miss Jane Sartori, Manpower Development Specialist, of the Labor Department.

As indicated earlier, I feel that the signing of this contract is of considerable significance to the Boy Scouts, as well as the Federal Government. I should not want it to slip by without the greatest possible attention.

James T. Fuller, Manager
Paraprofessional Manpower Service

MEMORANDUM TO: Stanley Scott
Assistant to the Director of Communications

FROM:  Alfred L. Sweeney
Chief, News & Information

SUBJECT: Signing of Minority Contracts

We would like you to set up a room in the White House in which we can have the Administrator of the Small Business Administration, the Director of OMBE and Secretary Volpe sign minority contracts with the appropriate persons. Descriptions of contracts follows.

1. Project: Phase II expansion and modernization of the New York Air Route Traffic Control Center.

Amount: \$3,262,567

Contractor: E. B. Associates, a 50%-50% joint venture between Black-owned Electroque Associates, Inc. and non-minority Bauer Construction Company.

How Awarded: Through the non-competitive 8(a) authority of the Small Business Administration.

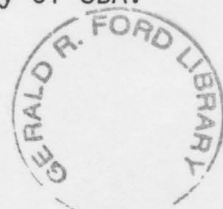

2. Project: Phase II expansion and modernization of the Denver Air Route Traffic Control Center. It is essentially the same as the New York Project.

Amount: \$2,926,288

Contractor: Capitol City Construction Co., Inc. - a Denver-based, black-owned firm.

How Awarded: Through non-competitive 8(a) authority of SBA.

- more -

3. Project: Renovation of main runway at Washington National Airport. The project includes black topping, striping and attendant activity.

Amount: \$2,022,154

Contractor: Burno Construction Associates, Inc., - a Black-owned firm backed by a non-minority firm, Curtis and Johnson.

How Awarded: Through competitive bidding.

4. Project: Study of Antenna Isolation

Amount: \$45,843

Contractor: School of Engineering, Howard University

How Awarded: Sole as a result of an unsolicited proposal.

REPLY TO
ATTN OF:

DE

Dr. Lincoln Teng, Director
Optimal Data Corporation
6218 Madison Pike
Huntsville, Alabama 35806

Dear Mr. Teng:

Mr. Robert Brown, Special Assistant to the President, has asked us to respond directly to you, concerning the charge of discrimination set forth in your letter of February 14, 1972 to Mr. Wade Franklin, III, Director, Project Equality, Columbus, Ohio.

Our review of the contract situation (NAS 9-12169) indicates that the facts contained in your letter to Mr. Franklin are essentially correct. However, it is noted that the Request For Proposal (RFP) did indeed contemplate a fixed price contract and so stated in the proposed Schedule and elsewhere. All four proposers responding to the solicitation were judged to be technically acceptable and the ultimate selection of Optimal Data Corporation was based on the best offer of direct man-hours and price made following written and oral discussions with each proposer. The results of the literature search and subsequent analysis under the contract confirmed that follow-on work would not be required.

We have discussed this matter with procurement and technical personnel concerned at the Manned Spacecraft Center and they can advance no basis for a charge of discrimination. In fact, all attest to Optimal Data Corporation's excellent contractual performance and the fine professional relationships that prevailed.

Inasmuch as your letter to Mr. Wade Franklin, Director, Project Equality, did not specify the nature of the alleged discrimination, if you have any additional information on this subject which you

wish to share, we are most concerned and assure you that appropriate corrective action will be taken if so indicated.

Sincerely,

Richard C. McCurdy

MAY 9 - 1972

Dear Mr. Franklin:

Enclosed I am submitting for your perusal a copy of Mr. McCurdy's letter in response to Mr. Brown's letter and that of my letter in reply to Mr. McCurdy of NASA Headquarters.

Phillip and I have obtained an appointment with Mr. Brown, special assistant to the President, on May 18, 1972. We hope to invite you to join us so that we may make the best of this great opportunity of meeting Mr. Brown. Besides, we have so much information to report to you and we will appreciate indeed if you would be able to make this Washington trip.

Very sincerely yours,

Lincoln Teng

PROJECT EQUALITY OF OHIO

Mr. Richard C. McCurdy
Associate Adm. for Organization and Management
National Aeronautics and Space Administration
Washington, D. C. 20546

MAY 9 - 1972

Dear Mr. McCurdy:

Thank you very much for your letter of April 6, 1972. Let me apologize for the delay of my reply which was caused by my recent hospitalization.

As you said, my letter to Mr. Franklin, Director of Project Equality, did not specify the nature of the alleged discrimination. In fact, there never was an intention on our party to make any charge.

The objective of my letter, as discussed by all project personnel over the period of frustration at the end of the contract, was to report to Mr. R. Brown the injustice and disadvantages suffered by ODC and the project personnel, and to appeal to the principle of promoting small business and, in particular, Minority business based on our dedicated performance of the highly significant study on Space Shuttle Guidance. If you allow me, I will present in follow-up enclosures much detailed materials in this regard for your perusal.

Sincerely,

OPTIMAL DATA CORPORATION

Business Office: 6218 Madison Pike • Huntsville, Ala. • 35806 • (205) 837-1541

August 8, 1972

Mr. Paul A. Lavrakas, Asst. to
The Hon. Brown, Special Asst. to
the President
The White House
Washington, D. C.

Dear Mr. Lavrakas:

Thank you for your letter of July 31, 1972, and for your crusading efforts in
behalf of small minority businesses.

At this time I am happy to report to you that, already, you have spurred much
response from NASA and MSFC personnel -- Small Business officials, Contracting
Officers and Technical Monitors -- all involved with ODC study contract with
MSFC.

Last Thursday, August 3, Mr. Kier, SBA Chief in NASA Headquarters, told me
that he had talked with MSFC personnel, including: Technical Monitor, Mr.
Fulmer; Deputy Director of Purchasing Office, Mr. Wood; and, Small Minority
Business Officer, Mr. Reddick. Mr. Kier also told me that Mr. Reddick had
contacted SBA Regional Office in Atlanta, inquiring about our 8(a) certifica-
tion. From all indications it appears that MSFC intends to award ODC an 8(a)
contract as a continuation of our present study contract which depends on the
final official approval of our 8(a) certificate by SBA Regional Office in
Atlanta. We have been informed by SBA Hqs. in Washington that their officials
in charge of the Southeastern Region have evaluated our 8(a) application and
informed the Atlanta office of ODC's 8(a) qualifications. However, the Atlanta
Office still has not notified us of their approval of our application.

You may be assured that ODC personnel are deeply indebted to you for your
superb and kind assistance. We pledge to continue our dedicated efforts with
great social consciousness and technical diligence to set an example for all
small minority businesses to strengthen our free enterprise system by eliminat-
ing monopolies and, thereby, stabilize the national economy -- which will be
the fruit of your crusading efforts in behalf of small minority businesses.

Yours very truly,

OPTIMAL DATA CORPORATION

Date of Birth: May 5, 1924

Social Security Number: 375-32-9290

Place of Birth: Leiyang, Hunan, China

Family: Married with 3 children

U.S. Citizenship: By Naturalization in May 1955

Clearance: Secret Clearance first grant in 1955; most recent grant at ODC, February 5, 1970. (DISCO)

Education: 1942-1946, National Central University, Chungking, China
B.A. degree in Economics and Statistics

May-Jun 1945, Interpreting Officers Trainee, Chungking, China :

1948-1953, University of Michigan, M.A. degree in Economics and
M.S. degree in Mathematics.

1958-1961, University of Michigan, M.S. degree in Information
and Control Engineering

1963-1969, University of Minnesota, Ph.D. degree in Control Science.

Experience: July-Sept. 1945 Interpreting Officer to U.S. Forces in China Theater

1946-1948 Economical Statistician, UNRRA-CNRRA Changsha, China

1950-1951 (Part-time) Survey Research Center of University of
Michigan

1951-1953 (Part-time) Statistical Research Laboratory of University
of Michigan

1963-1958 Research Staff, Draper Laboratory (Formerly Instrumenta-
tion Laboratory) of Massachusetts Institute of Technology

1958-1961 Research Associate, Willow-Run Research Laboratory of
University of Michigan

1961-1963 Senior Systems Engineer, Bendix Systems Division of Bendix
Corporation, Ann Arbor, Michigan

Experience: 1963-1969 Principal Systems Engineer, Univac Division of Sperry-Rand, St. Paul, Minnesota.
 (Continued)

1969- Director, Huntsville Operations of Optimal Data Corporation, Huntsville, Alabama. Also serve as Technical Coordinator for Center For Advanced Study (CAS) of Huntsville. In the past 3 years more than 60 prominent professors from top universities all over the nation have given lectures at CAS under his coordination.

Technical Lectures Presented:

1. 17th International Astronautical Congress at Madrid, Spain, October 1966 on publication No. 11.
2. National Electronic Conference, Dayton, Ohio, May 1967, on publication No. 12.
3. 20th International Astronautical Congress at Kontanz, Germany on publication No. 16.
4. Nonlinear Estimation Symposium, San Diego, California, Sept. 1969 and October 1970 on publication No. 16 & 18.

Honors and Professional Societies:

Sigma Xi, American Economical Assoc., American Mathematical Assoc., Senior Member of IEEE.

Publications:

1. "Automatic Programming Routine-SLIC", Report R-93, Instrumentation Laboratory, MIT, 1956.

August 14, 1973
FOR IMMEDIATE RELEASE

GSA 6262

Minority Firm Awarded

\$5,767,000 Federal Contract

A \$5,767,000 contract for construction of a new U. S. Courthouse and Federal Office Building in St. Thomas, Virgin Islands, was awarded to Luther Benjamin Associates, a black-owned Virgin Islands firm, the General Services Administration announced today.

The contract is the largest ever awarded by the Federal Government under special provisions of Section 8(a) of the Small Business Act.

Arthur F. Sampson, head of GSA, cited the contract as, "a milestone in GSA's cooperative efforts with the Small Business Administration to encourage growth and development of firms owned by socially or economically disadvantaged persons. President Nixon has emphasized the 8(a) program as a means to help minority firms become successful competitors in commercial as well as government markets," Sampson added.

The Courthouse and Federal Office Building will be located within the Barracks Yard Urban Renewal project, Charlotte Amalie, St. Thomas, the Virgin Islands. The four story, brick faced structure will house the U. S. Courts, Department of Interior, and nine other agencies which will be consolidated from their present locations in Charlotte Amalie. The building was designed by the joint venture of H. D. Nottingham and Associates, Inc. and Reed, Torres, Beauchamp and Marvel of Arlington, Va.

Section 8(a) of the Small Business Act permits the Federal Government to award contracts to a minority-owned firm on a non-competitive basis for up to three years. Contracts are awarded to the Small Business Administration, which then sublets them to the minority firm. GSA has awarded more than 1,200 service, construction, concession and manufacturing contracts to minority-owned firms under the program since its inception in 1969; total value of these contracts is more than \$103.7 million.

GSA 5255

August 14, 1973

The Charlotte Amalie contract is the second major construction contract awarded by GSA under the 8(a) program. A \$3,375,947 contract for construction of the Las Cruces, N. M. Federal Office Building and Courthouse was awarded in November 1972 to the joint venture of Urban General Contractors and Engineering of El Paso, Texas and Carlos Blanco, Inc. of Las Cruces.

A \$5,767,000 contract for construction of a new U. S. Courthouse and Federal Office Building in St. Thomas, Virgin Islands, was awarded to Luther Benjamin Associates, a black-owned Virgin Islands firm, the General Services Administration announced today.

The contract is the largest ever awarded by the Federal Government under special provisions of Section 8(a) of the Small Business Act.

Arthur F. Sampson, head of GSA, cited the contract as "a milestone in GSA's cooperative efforts with the Small Business Administration to encourage growth and development of firms owned by socially or economically disadvantaged persons. Re: Afro-American Services
Contract No. 3-36200
U. S. Merchant Marine Academy
Kings Point, New York

Dear Senator Javits:

As I have advised John Adams of your staff, I am involved in the renegotiation of our contract to provide food services to the United States Merchant Marine Academy. Although our contract expired June 30, 1973, we have not received a new written contract for fiscal year 1974. Rather, we have been operating on a monthly extension basis wherein we are notified by telegram of contract extensions. We have been attempting to negotiate a new contract since May 1973. Despite our requests, negotiations did not commence until September 12, 1973. It has since been continued until now without final arrangements being worked out. It is essential that we receive a new contract at the earliest possible time.

In addition, we are concerned regarding the reduced rate of profit that the Maritime Administration has offered for a new contract in spite of the cost of living index and the high price of labor and food. They recommend a 5% of gross contract amount rate of profit despite our 7% rate for 1973. Based on the presentation and negotiation of my lawyer, Samuel C. Jackson of Stroock & Stroock & Lavan, George Merlino, the Chief of Procurement at the Department of Commerce has raised the offer to 5 1/2% of the gross contract amount. While I have not rejected his compromise, we continue to believe that the 7% recommendation of the Small Business Administration

Honorable Jacob Javits

representative, Leonard Segrew is a fair amount of profit for our efforts.

In addition, we have been seeking a three-year contract rather than have to go through the negotiations each year with all of the delays and uncertainties as we are experiencing this year. Again, George Merlino has indicated a willingness to proceed with a two-year contract that will expire June 30, 1975. To do otherwise will not allow us to become viable. We have learned; however, that in Mr. Merlino's absence others at the Department of Commerce are seeking to hold the contract to one year with an option in the U. S. government to extend it. We will appreciate your assistance in seeing to it that this contract is for a minimum of two years.

Finally, we are concerned about our authority to perform the contract without undue interference of a few individuals who seek to disrupt operations. As you know, Afro-American Services has been cited on numerous occasions by the cadets, the press, yourself and members of Congress because of our outstanding performance on this contract. We are happy to note that your leadership in the case of minority enterprise, such as ours, has been helpful, informative and praise-worthy by much of the black press and naturally, we are grateful for your sustained efforts on our behalf.

We appreciate your assistance in this regard.

Sincerely,

Lloyd von Blaine, President
Afro-American Services, Inc.

Senate Select Committee on

Mr. Robert J. Blackwell
Assistant Secretary
Maritime Administration
Department of Commerce
Washington, D. C. 20230

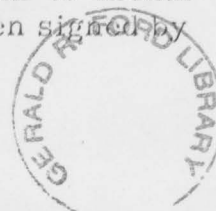

Re: Afro-American Services
Contract No. 3-36200
U. S. Merchant Marine Academy
Kings Point, New York

Dear Mr. Secretary:

It is my understanding that your office is involved in reviewing the above mentioned project wherein Afro-American Services provides food services to the U. S. Merchant Marine Academy, Kings Point, New York.

On several occasions, it has been called to my attention of the outstanding performance by Afro-American Services to this contract. They have received wide-spread publicity in the New York and national media for the quality of their food, the excellence of their services and for their ingenuity and innovation in sponsoring various food arrangements for academy personnel. I have cited their performance to the colleagues in the U. S. Senate. I am sure that you will agree that your Administration and the Department of Commerce have received a lot of acclaim because of your selection of this wholly-minority-owned firm.

Thus, I was surprised to learn that Afro-American Services has not yet received a written contract for fiscal year 1974, and that they are continuing to perform on a month-to-month extension of their 1973 contract, which should have been signed by July 1, 1973.

Mr. Robert J. Blackwell
Page Two
January 7, 1974

This has made it difficult for them to plan and has caused them cash flow difficulties. It is my hope that the contract can be renewed at a fair rate of profit that is consistent with that received by other food service contractors performing similar services to the Defense Department and other government agencies. Also, it is my understanding that the Small Business Administration, under the Section 8(A) Program serves as the prime contractor for Afro-American Services and has recommended the same 7% rate of profit received last year as fair and equitable to the government and to Afro-American Services. I would hope that your Administration would continue to cooperate fully with the Small Business Administration in this contract.

One of the frequent complaints received by the Senate Select Committee of small businesses is the burden imposed on small business by limiting contracts to one year. As you know, small businesses need more lead time to schedule its management, plan for financial needs, train personnel, develop a viable entity in the economy, which is the purpose of the 8(A) Program and to assure continuity of key officers in the performance of a contract. Thus, it would be helpful if because of their favorable performance, Afro-American Services could receive a multi-year contract to provide food services to the U. S. Merchant Marine Academy. It is my understanding that some favorable consideration has been given to their request in this regard.

As the Senior Senator from New York, I am proud of the cooperation that we have received from minority businesses who will participate in the federal programs. I am hopeful that this contract can be renewed in a fair and equitable way so that Afro-American Services can continue to be of service to you and the nation.

Sincerely,

Jacob K. Javits
Senate Select Committee
