DEAR MR. PRESIDENT,

The undersigned is the son of your good friend, Benjamin Almeda Sr. an inventor, whom you have met in the Philippines on your first trip there as then Vice President.

I would like to beg for your help in behalf of my sister in law, HELEN BANTUG who arrive here in Seattle last october 22, 1969 as a tourist. The Bureau of Immigration here in Seattle gave her up to July 31, 1970 to stay.

I beg your good office Mr. President to please extend her stay here in Seattle up to December, 1970, for I was the one who will shoulder her air fare. I was just layed off from Boeing last February, and being a father of three children, I think its only before the end of December can I save the \$460.00 needed for her air fare.

Hoping for your kind consideration and approval, I am

Respectfully yours,

Benjamin M. Almeda Jr.
