Dear President Nixon,

I am fifteen years old and a freshman. I have  
never written a letter to an important person before.

I want to congratulate you on your efforts  
and success to bring China and the United States closer  
together. I am a democrat, but I believe what you are  
trying to do is great. I really hope you succeed. I  
want peace for the whole world.

I am going to try to work for you in the  
forth coming election. I hope you are elected. I am  
behind you all the way. Good luck.

sincerely,

Vicki ARTIS
