Glorified Rice

In a saucepan combine 1 cup raw regular rice, 2 cups cold water, 1 teaspoon salt and 1 tablespoon butter. Turn heat to high. When water just begins to boil stir once with fork, re-set heat to medium-low, cover and simmer 18 to 20 minutes or until all liquid is absorbed.

Measure two cups warm rice and combine with $\frac{1}{3}$ cup granulated sugar. Add an 8 $\frac{3}{4}$ ounce can pineapple tidbits, 1 red apple, coarsely chopped, and $1\frac{1}{2}$ cups miniature marshmallows, let stand 1 hour. Whip 1 cup heavy cream with $\frac{1}{2}$ teaspoon pure vanilla extract, fold into rice mixture.
