Is there any possibility of Mr. and Mrs. Jackson R. McGowen being invited to the State Dinner for the President of Mexico?

Mr. McGowen is President of Douglas Aircraft, 3855 Lakewood Boulevard, Long Beach. His company apparently does a lot of business with Aeronaves Airlines.

MEMORANDUM FOR ROSE MARY WOODS

From: William E. Timmons

Subject: Invitation

One of the President's most loyal supporters, Rep. Craig Hosmer (R-Calif) called me on a personal matter. He is most desirous of having John McGowan, President of the Douglas Aircraft Company, invited to the State Dinner honoring the President of Mexico.

John McGowan is a strong Nixon supporter and has participated in the Nixon Associates for many years. Craig feels that an invitation to the State Dinner would be a good recognition of McGowan's unwaivering support. I strongly concur in Mr. Hosmer's request.

As an addendum, the President was invited to the roll-out ceremony at Douglas earlier this year for their new aircraft. The President was favorably inclined to accept, but something prevented his acceptance at the last minute. The Vice President went in his stead.

I hope you will give every consideration to this request.

Thanks, Rose.

P.S. The Douglas Aircraft Company's address is:

Long Beach, California 90801

RE: Poolside Party for General Secretary Brezhnev

Aboard the aircraft en route to Iceland, you indicated that the President would like to have business leaders invited to the poolside party in California on Saturday, June 23rd. I am not sure what the philosophy is for having business leaders, but perhaps you want to have General Secretary Brezhnev involved in a social setting with leaders of American industry, and thus promote international trade between the two countries. If this is the case, perhaps you want to have a heavier concentration on leaders from certain industries, e.g., automobile production, steel production, or whatever.

In order that Miss Woods can compile the guest list as quickly as possible, we would appreciate your guidance on this matter.

Thank you.
