MEMORANDUM

The White House

From: Earl L. Butz, Secretary

Attached herewith is a letter from Senator Jesse Helms about a mutual friend of ours, Mr. A. J. Fletcher, at Raleigh, North Carolina, who is to receive a significant award in Raleigh on March 5.

I have known Mr. Fletcher for some twenty years. He is truly a tremendous individual. He is president of the Capitol Broadcasting Company. He has been a very strong supporter of Richard Nixon, and before him of Dwight Eisenhower. He supported Richard Nixon when he was Vice President.

You will note in the letter from Jesse Helms that the President's letter should be mailed, unfolded, to Mr. John Fischer at the address given in Raleigh.

Your cooperation in this will be much appreciated.

MEMORANDUM FOR: ALEXANDER P. BUTTERFIELD
FROM: BRUCE KEHRLI *BK*
SUBJECT: Airport Parking

We need to work out some arrangements so that the airports around the country provide facilities for White House parking. You are probably aware of the fact that, at least at Washington National Airport, someone, probably the FAA, makes space available for Congressmen. This should be changed to include White House as well, and expanded to include all major airports in the country if possible.

I would make this request directly to the FAA, however, after reading Shaffer's article last week in the STAR I'm reluctant to send anything over for fear of reading it the next day.

Please give me a call on this as soon as you receive the memo.

Thank you.

MEMORANDUM FOR ALEX BUTTERFIELD

Each person on the President's staff should be specifically cautioned against making any comment about Ron Ziegler's announcement this morning concerning Vietnam or the negotiations.

Speculation, "background" comment, "White House mood", etc. at this juncture cannot possibly help the progress of the negotiations. The United States has agreed not to discuss either the process or content of the negotiations at this time. We are all bound by that undertaking.

Please immediately call each of your personnel to whom this request should go, rather than making copies of this note for circulation.

SUBJECT: Visit of ROC Vice President Yen - Request for Security

Vice President YEN Chia-kan will head the Republic of China's delegation to the Memorial Service for former President Truman next week. The Chinese Embassy has asked for appropriate security protection for their Vice-President while he is in the United States.

We strongly urge that this protection be provided. Yen is not only the constitutional successor to the Presidency, but he was until last May also the Premier. It will be recalled that in New York in 1968 there was an attempted assassination of Vice-Premier Chiang Ching-kuo (now the Premier), and the books on that case are not yet closed. In these circumstances, it is most important to provide Yen with adequate protection.

EA/ROC will assure that SY has the necessary information regarding Yen's itinerary.

Your concurrence and appropriate forwarding of this request would be appreciated.

We also request that Vice President Yen and Vice Foreign Minister Tsai Wei-ping, who will be accompanying Yen, be designated as "official guests" within the meaning of PL 92-539. Injury to Vice President Yen or Vice Minister Tsai, or harassment, intimidation or coercion, would adversely affect the foreign relations of the United States.
