THE PRESIDENT HAS SEEN. *K/*

MEMORANDUM FOR:

ALEX BUTTERFIELD

FROM:

WILLIAM E. TIMMONS *BT*

SUBJECT:

Senator Henry Bellmon

Several weeks ago I recommended that the President call Senator Henry Bellmon in Oklahoma on Saturday, September 4 on the occasion of his 50th birthday. A large party is being held on the Bellmon ranch in Billings, Oklahoma and the highlight, of course, would be a call from the President. However, the telephone number contained in my telephone request was for the Bellmon home and I am now advised that a phone is being installed at the platform and would be the preferred number for the President to call. The number is A.C. 405 - 725-3605. ✓

I hope the President will be able to make the call.

*Sept 4
2pm*

Mr. President -

As you know, we've been holding recommended phone calls - but this one to Henry Bellmon seemed rather special, and is strongly recommended by Timmons and Colson. Ideal time for call to be made, if you should decide to do it, is 4:15 - 4:45 EDT.

** Talking points are attached.*

Suggested Talking Point -

THE PRESIDENT HAS SEEN... *A*

1) Pat and I - in fact, the whole family - want to wish you a happy 50th birthday.

- We're all here at Camp David for the weekend -
Maia, Eddie, Julie and David

2) And of course, Henry. I want you to know how very grateful I am for your continued support - in so many ways (Agriculture, Interior, and Post Office Committees in the Senate) - and for the leadership you've shown. Since your chairing the Draft Nixon Committee back in '67 and '68

3) All Oklahomans should be proud of your outstanding service to the state .. and to the nation

* A Presidential birthday note was mailed from SmClements, Aug 26
