THE WHITE HOUSE

WASHINGTON

July 1, 1974

This files was found in a box of Walt Minnick "Reorganization files" sent to Special Files by Jana Hruska. Jana could not be reached for an explanation since she was on leave until July 8.

Since Geoff Shepard had worked in 1972 on the drug issue, I asked whether he knew who had retired the file in this manner. He said he did but would not disclose the person's name but said he doubted that Jana knew it was in the box. He advised keeping it in Special Files as a sensitive Walt Minnick file.

7/10/74

I did check with Jana as to who sent her the files, not bringing up this folder. She said it was Gay Perozzi.
