SUBJECT: Appointment of Mayor V. M. Bremberg, Roger
De Weese, and Clifton Caldwell to the Advisory
Council on Historic Preservation

I have reviewed the Personal Data Statements submitted by the above-referenced individuals, who are being considered for appointment to the Advisory Council on Historic Preservation. The President is authorized to make such appointments pursuant to 16 U.S.C. § 470i.

All three individuals have demonstrated interest and expertise in the area of historic preservation. Mayor Bremberg may be appointed under 16 U.S.C. § 470i(a)(6) ("one mayor appointed by the President"), while Caldwell and De Weese qualify as experts in historic preservation under 16 U.S.C. § 470i(a)(9). Caldwell has served on Texas historic preservation commissions and De Weese is a landscape architect who has been active in several historic preservation projects.

The Personal Data Statements reveal no associations or holdings that would preclude these appointments.

THE WHITE HOUSE

WASHINGTON

August 18, 1983

FOR: JOHN ROBERTS

FROM: DIANNA HOLLAND 

Attached is the personal data statement for Roger DeWeese who is being considered for the Advisory Council on Historic Preservation. I have already sent you the personal data statements for two other members of this Committee. The only outstanding personal data statement is for Gov. Treen and I spoke to a member of his staff today who is in the process of filling out the personal data statement and indicated that there is a possibility Gov. Treen will not be able to accept this appointment. We should know about that in the next day or two.

Apparently there is a very important meeting coming up and we should clear the three people for whom we have the information as soon as possible.

Thank you.

TO: DIANNA G. HOLLAND

FROM: JOHN G. ROBERTS *JGR*

SUBJECT: Appointment of Nell Kuonen to the Klamath River Compact Commission

H.P. was gracious enough to deposit this item on my desk upon his departure. Mrs. Kuonen is to be appointed to be United States Representative to the Klamath River Compact Commission. The Compact, established by Public Law 85-222, is intended to promote cooperation between California and Oregon in the development and use of the Klamath River Basin. Among other things, the Compact establishes rules for acquisition of water rights.

Article IX of the Compact created the Commission, consisting of representatives from California, Oregon, and the federal government. The federal representative has no vote, and action may be taken by the Commission only if the California and Oregon representatives concur. Congress agreed to a federal representative in section 5 of P.L. 85-222.

Mrs. Kuonen has been active in Klamath County, Oregon affairs for some time, and has demonstrated interest in the subject matter of the Commission. I have reviewed her Personal Data Statement and see nothing that would preclude her appointment. Mrs. Kuonen does have economic interests in the Klamath River Basin, but they do not represent an inherent conflict, particularly in light of the non-voting status of the federal representative.
