Discussion

On August 1, 1975, the United States joined 34 other nations, including the Soviet Union and other Warsaw Pact states, in signing the Final Act of the Conference on Security and Cooperation in Europe, a document dealing with human rights and fundamental freedoms, military security, economic, scientific, cultural and educational affairs, and the free flow of information.

- reaffirms the human rights principles and humanitarian provisions of the Final Act;
- recognizes and condemns continued East Bloc violations of international obligations under the UN Charter, the Universal Declaration on Human Rights, the Helsinki Final Act, the Madrid Concluding Document, and other relevant international instruments;

- requests the President to direct the Department of State to convey to the Soviet Union and its allies, the United States' human rights concerns;
- urges the President to direct the Department of State to take advantage of ongoing meetings with Helsinki signatory states to call on the Soviet Union and its allies to account for human rights violations and to work constructively with other governments to promote human rights progress in the Eastern signatory states; and
- calls upon the President to stress the inherent link between respect for human rights and the achievement of lasting peace.

SUBJECT: Enrolled Resolution S.J. Res. 108
Hotline Upgrade

David Chew has asked for comments by close of business today on the above-referenced enrolled resolution. This resolution implements a 1984 U.S. - U.S.S.R. agreement on improving the "hot line" by authorizing the Secretary of Defense to provide to the Soviet Union, on a reimbursable basis, the equipment necessary to update the hot line. OMB, Defense, State, and NSC recommend approval; I have reviewed the resolution and have no objections.

Discussion

On July 17, 1984, you announced that the United States and the Soviet Union had reached an agreement to improve and expand the Direct Communications Link, or the "Hotline". Under this agreement, Hotline improvements include greater communication speed and facsimile capability to allow transmission of graphic materials. In addition, the United States agreed to provide, install, and maintain, on a reimbursable basis, the equipment necessary for the improved Hotline.

Consistent with the 1984 agreement, S.J.Res. 108 authorizes the Secretary of Defense to provide to the Soviet Union, at cost, the equipment and services that are necessary to upgrade and maintain the Soviet part of the Hotline. The enrolled resolution authorizes the Secretary to use any funds available to the Department of Defense for procuring the equipment and providing the services to the Soviet Union. Funds received from the Soviet Union in payment for the equipment and services will be credited to the appropriate Defense Department account.

Discussion

In addition to designating the week of December 15 through December 21, 1985, as "National Drunk and Drugged Driving Awareness Week," S.J. Res. 137 authorizes and requests the President to issue a proclamation calling upon the people of the United States to observe the week with appropriate activities.

The week of December 15 comes just before the high-risk Christmas and New Year holiday period, an appropriate time for heightened public awareness of the dangers of drunk and drugged driving. A draft proclamation will be forwarded for your consideration at a later date.

S.J. Res. 137 passed both Houses by voice vote.
