Morris Abrams
Civil Rights Commission
212-644-8654

He has been attending some meetings in New York which make him feel that it is imperative that the President disavow the support of the KKK. Abrams says the President did it in the '80 campaign there is no reason he can't do it now. He feels this should be done before the next meeting of the Civil Rights Commission which is Tuesday, May 1.
