THE WHITE HOUSE
WASHINGTON

Jim

*Thanks (let's leave
in their hands, though
-- don't bother about
calling them
back)*

I spoke to Tom Dawson (at Treasury) this morning re the call from LTV yesterday and wanting to come in and discuss the Treasury's Tax proposal. Dawson said Sec. Regan received a call from them also, requesting an appointment. He said he had someone working on this. *ju*

I then called LTV (Marty (female) Wilson) - explained at the President's request all input should go to Treasury, etc. -- in January after the proposal was more finalized meetings would be held with the private sector.

She asked that we call her in January and set up a time when they could come in and see you -- when we were ready.

Nancy 12/19
