MEMORANDUM FOR BILL SITTMANN

FROM: T. A. D. THARP *T.A.*

SUBJECT: New Presidential Boards and Commissions

According to the permanent record of the White House Executive Clerk, in his first three years in office President Reagan established by Executive Order 26 new part-time Presidential Advisory Boards and Commissions, fewer than the 30 created by Carter in the comparable time period.

Furthermore, since he took office President Reagan has abolished by Executive Order 36 Presidential Advisory Boards and Commissions. Thus, rather than increasing the number of part-time Presidential Advisory Boards, in reality Reagan has decreased the aggregate number by ten.

Mike - This gives you an idea about what OMB is thinking. Most of their recommended cuts are OK. I've flagged the potential political problems.

MEMORANDUM TO E. PENDLETON JAMES

FROM: Hal Steinberg *HS*

SUBJECT: Termination of Boards, Commissions, and Advisory Committees

Ed Harper has asked that I bring you up to date on our review of boards, commissions, and advisory committees for possible termination.

The attached list, organized by OMB budget division, reflects the determinations made at a recent meeting of Ed Harper, Ed Meese, and Martin Anderson. A total of 59 organizations have been identified for termination, subject to a final check with the concerned department or agency; thirteen others are undergoing further study for possible termination. The funding for ten boards and committees is being examined for possible reduction.

I will keep you informed of our progress.
