Dear Mike:

The American Stock Exchange will be holding its fifth annual Washington Conference on June 6 and 7 in Washington, D.C. This event is the single most well-attended Exchange program by chief executive officers of Amex-listed companies and member firms. I would like to invite you to attend the dinner in conjunction with this program on Monday evening, June 6.

At "Washington V: Looking Toward 1984", some of America's most important leaders will assess the state of our nation as we approach the 1984 presidential election, examining many of the critical issues facing Americans in 1984 and years to come.

Confirmed speakers joining PBS Newsman Jim Lehrer, who will again moderate, are Treasury Secretary Donald T. Regan, Speaker of the House Thomas P. O'Neill, Secretary of the Navy John Lehman, Chairman of the Council of Economic Advisors Martin S. Feldstein, U.S. Trade Representative William E. Brock, Under Secretary of State Lawrence Eagleburger, Senators Howard H. Baker, Ernest F. Hollings and Charles H. Percy and Congressmen James R. Jones and Jack F. Kemp.

Attending the dinner will be chief executive officers of Amex-listed companies and member firms and their spouses. They come from 46 states across the nation and have a profound influence on their communities. Our Evening at the Jefferson Memorial promises to be an enjoyable event and I do hope you will be able to join us. A formal invitation is enclosed with the details.

Sincerely,

Enclosure
