WASHINGTON

MEMORANDUM TO: James A. Baker III
Chief of Staff

FROM: John S. Herrington

DATE: May 15, 1981

Attached for your information is an updated status of the Presidential Personnel Office as of May 14, 1981. In addition, we have attached a more detailed report of nominations pending with the Senate through May 13, 1981.

Some points to note:

1. The FBI clearance is our biggest problem. We are requiring an OPM report on everyone. The hard copy must be trucked from storage and takes time. We are also requiring a competency report on everyone which means additional interviews and questions. Do we need this on all positions?
2. The FBI had two women doing all typing at the time of my visit. They now have four with mag-card typewriters. That started this week.
3. Regarding status of the hearings and schedule requirements, (Report attached) it's my feeling that we can follow along, but don't have much to say. Am I wrong?

MEMORANDUM

TO: JIM BAKER
FROM: MICHAEL K. DEEVER
SUBJECT: Personnel

1. Ada Deer. Who appointed her? Haven't we got an American Indian who supported Ronald Reagan?
2. I would buy Nancy Kassenbaum over Millicent Fenwick.
3. Neither John Cheever nor David Suskind promoted us. How about Bill Moyers?
4. My choice would be George Will or Meg Greenfield before David Broder.
5. Jim Lynn over Constance Brennan and Jean Smith.
6. Midge Decter instead of Shirley Temple Black.
7. Albert Shanker, Tom Donahue and Thomas Harris all kicked our brains out during the campaign. Isn't there a union leader who supported us?
8. I also strongly recommend Michael T. Habouty, Dennis Bark and Nancy Reynolds.
9. As far as athletes, I am sure we didn't have Arthur Ashe or Thomas Seaver with us. Attached is a list of about 400 athletes who did endorse us.
