Dear Jim:

Attached for your review are Presidential schedules for July 9th and 10th outlining tentative times reserved for the Tuesday Team. Please let me know if the dates and times are good and as soon as possible give me an outline of what you would like to accomplish during each time, a script if necessary and anything else you think helpful in preparing the President for these meetings.

I've also enclosed a memo outlining the dates presently scheduled with the President for events along the lines you requested in your memo to Mike Deaver. You will note on the last page several already scheduled days suggested which could be used for filming a typical day in the life of the President. Please give me your thoughts after you have reviewed this, let me know if it meets with your requirements, and if there is anything else we need to provide to you.

Sincerely,

Michael A. McManus, Jr.
Assistant to the President

Pursuant to your conversation with Jim Travis this morning,
this memorandum provides you with our request for possible
scenes to be filmed for use in the upcoming documentaries on
the President and Mrs. Reagan.

The list was compiled after a recent meeting between Phil
Dusenberry, Jim and myself in New York and it represents our
optimal film situations.

Additionally, we would like to request an "advance" day at each
location during which time Mr. Dusenberry and members of the
production staff may prepare and plan the best shots for
filming.

Many thanks for your assistance.
