Dear Harpo:

Thanks for your nice letter of the thirtieth. I'll bet if you tried to, you could play those six lines on your harp beautifully.

It was good to hear from you.

Very sincerely yours,

My dear Mr. President,

I listened to ^{Earl} ~~Governor~~ Warren's address
outlining the Republican platform and he stressed
three points -- x2167-A

x856

1. Win the war,
2. Bring back the boys,
3. Get them jobs.

I wonder if he thinks the Democratic platform is

x PP73131-A

1. Lose the war,
2. Keep the boys over there,
3. Don't give them any jobs.

x1871-A

My best to you always.

Harpistically yours,
(Herbert Swope gave
me that word.)
