Mrs. Elizabeth Allaire,
914 W. Main St.,
Rochester, N.Y.

Dear Madam:

The following instructions prepared by the Secretary of State contain the necessary instructions to be followed by you in obtaining the passport or travel document to be utilized in connection with your pilgrimage to the cemeteries in Europe. Please read the directions carefully and call in person upon the nearest Passport Agent or clerk of a Federal or State court having jurisdiction to naturalize aliens. Passport Agencies are located in Boston, Chicago, New Orleans, New York City, San Francisco and Seattle. In large cities there are usually two or more courts and at each county-seat a state court authorized to accept these passport applications.

When you make this call be sure to take with you the four photographs called for in the instructions together with your invitation as a means of identification. You should take with you to the passport office at this time a friend who is an American citizen and who has known you for several years. The passport Agent or clerk of the court will mail your application to the Secretary of State in Washington, D. C., who will issue the passports and travel documents and will deliver them to The Quartermaster General to be held by him until your arrival in New York.

The instructions prepared by the Secretary of State are as follows:

"A mother or widow who owes allegiance to the United States must apply to the Department of State for a Special Pilgrimage Passport through a Passport Agent or through a clerk of a Federal court or State court having jurisdiction to naturalize aliens and on the form prescribed by that Department. When making application, she should be accompanied by a credible witness who is an American citizen and who has known her for a period of two years or more. With her application she should submit four photographs on a light background and on thin paper not more than 3x3 inches in size not less than 2½x2½ inches in size and such documentary

evidence of her American citizenship as she may have in her possession. In the absence of evidence of citizenship, her application should be witnessed by a credible person residing in the same community who is an American citizen, has known her for a long period of time and is able to swear to the best of his or her knowledge and belief that she is a citizen of the United States.

"A mother or widow who does not owe allegiance to the United States must apply to the Department of State for a Pilgrimage Travel Document through a clerk of a Federal court or a State court having jurisdiction to naturalize aliens or through a Passport Agent upon the form of application prescribed for that purpose, entitled APPLICATION FOR A PILGRIMAGE TRAVEL DOCUMENT, issued under the Act of March 2, 1929, submitting therewith four photographs on a light background and on thin paper not more than 3 x 3 inches in size and not less than 2½ x 2½ inches in size. When making application she should be accompanied by a credible witness who has known her for a period of two years or more.

"The Act of March 2, 1929, provides that no fee shall be charged for the execution of an application for a passport or travel document or for the issue of a passport or travel document to a mother or widow making a pilgrimage to the cemeteries of Europe in which deceased soldiers, sailors, and marines of the American forces are now interred.

"Special Pilgrimage Passports and Pilgrimage Travel Documents when issued by the Department of State will be forwarded to the War Department.

"Applicants resident in Boston, Chicago, New Orleans, New York City, San Francisco and Seattle should execute applications at the Passport Agencies in those cities."

Rochester, N. Y.

Dear Sir:

Receipt is acknowledged of your letter of March 22, 1930, furnishing information requested by this office under date of May 15th, 1929, as to whether or not the late Private Daniel P. Allaire is survived by a widow.

The records of this office show that a questionnaire addressed to the mother, Mrs. Elizabeth Allaire, 914 Main Street, Rochester, N. Y., has not been returned to this office. A duplicate questionnaire is being forwarded Mrs. Allaire under even date and it is requested you urge Mrs. Allaire to complete the questionnaire and return the same to this office in order that her eligibility, under the provisions of the Act of March 2, 1929, to make a pilgrimage to her son's grave, may be determined.

The plans for the pilgrimage provide that the mothers and widows of deceased members of the 27th Division will make the journey in a group sailing May 13, 1930. In the event Mrs. Allaire is eligible to make the pilgrimage and is desirous of making the journey with this group, it is imperative that arrangements be made immediately.

For The Quartermaster General,

Very truly yours,

A. D. HUGHES,

Dear Sir:

I am pleased to acknowledge receipt of your letter of July 25, 1930, relative to the pilgrimage Mrs. Elizabeth Allaire has recently made to the grave of her son, the late Private Daniel P. Allaire in the Somme American Cemetery in France.

It is gratifying to know that her trip was entirely satisfactory and that the officers of the Army and other personnel in connection with the pilgrimage rendered such efficient service. The Quartermaster Corps has been charged with detailed arrangements for the pilgrimage and has expended every effort that those making the journey might have a comfortable and pleasant trip. I feel however, that the task has been materially lightened by the wonderful spirit of cooperation and consideration in which the mothers and widows are making the pilgrimage.

I am indeed pleased to receive such complimentary remarks concerning the care and consideration shown the women making the journey by the personnel connected with the pilgrimage.

June 12, 1930.

Allaire, Daniel P. 636 M

Mrs. Elizabeth Allaire,
914 W. Main St.,
Rochester, New York.

Dear Madam:

Somewhat heavier clothing is required to be worn in Europe than is necessary in the United States, in order to be comfortable. During the summer in Europe it is cool during the day and the nights are frequently chilly. Considerable rain is usually encountered during this time.

In order that you may be comfortable at all times, regardless of the condition of the weather, and may avoid missing any of the sights or any part of the itinerary which has been planned for you, the following suggestions are made.

The clothing which you will take with you should be slightly heavier and warmer than you would normally wear in the United States during the summer and should be strong and durable. It is essential that you take with you the necessary equipment to afford protection from the cold and dampness. Be sure to take at least two pairs of comfortable shoes to provide a change in the event your feet become wet, a pair of rubbers, an umbrella, and a sweater or some warm wrap to be used should the weather become uncomfortably cool. It is very desirable that, in addition to the sweater, you have with you a full length coat of medium weight for general wear.

The shortages of suitable facilities for laundry and the frequency of the moves you will make while in Europe will make it impracticable to secure as frequent service of this nature as may be desired. You should therefore provide yourself with sufficient underwear, nightgowns, stockings and handkerchiefs to meet your requirements should it be impossible to have your washing done more frequently than once in two weeks.

If you will read carefully the suggestions made above, and comply with them, it will add greatly to your comfort throughout the trip and will assist the Government in carrying out successfully its plans for conducting the pilgrimage. This letter is being sent to every mother and widow who has accepted the invitation sent to her by the Government to visit the grave of her son or husband.

Dear Madam:

Requests for stop-overs on return from the pilgrimage to the American cemeteries in Europe are being received by this office, in some cases, too late to take action.

Transportation arrangements for the round-trip are made a month before departure and requests for stop-overs on return must be in this office at that time.

Stop-overs can not be allowed on the trip to New York or in Europe, but may be allowed at any point on return from New York provided there is no additional cost or, if there is, that it is paid in advance by the pilgrim.

If you desire stop-overs at any point on return, please advise this office AT ONCE as to the cities where you desire to stop and we will be glad to arrange accordingly, or advise you if there is any additional cost to be paid by you. Dear Madam:

The Honorable James L. Whitley, Representative in Congress, was in communication with this office recently relative to your desire to make a change in connection with the date of sailing and the group of pilgrims with whom you will make the pilgrimage to the grave of your son, the late Daniel P. Allaire.

In compliance with Mr. Whitley's request, your name has been removed from the list to sail with the mothers and widows of deceased members of the 27th Division, and has been placed on the list of women from New York to sail on the SS "Roosevelt" June 21, 1930. An invitation to sail at this time was mailed to you under date of April 16, and you have no doubt received it by this time.

For The Quartermaster General.

Very truly yours,

Mrs. Elizabeth Allaire,

Rochester, N.Y.
Dear Madam:

This letter, which contains general information regarding the pilgrimage to the cemeteries of Europe, is being sent to each mother and widow who has expressed a desire to make the pilgrimage during the calendar year 1930. The general plan for the conduct of the pilgrimage is shown in the Pilgrimage Regulations, a copy of which is enclosed herewith. In addition to the information shown in the regulations, the following explains in detail some of the most important things connected with the pilgrimage.

Formal invitations are being extended to each mother and widow who has expressed a desire to make the pilgrimage during 1930. In so far as practicable, these invitations are being extended with a view to keeping the women from each state together and the order in which the invitations to the women from the several states are issued is based on a drawing by lot which was held about one month ago. Inclosed with each invitation is a card for acknowledgment and it is quite important that you accept or decline this invitation promptly in order that the necessary railroad, steamship and hotel reservations may be arranged. The government will defray all the necessary expenses of the pilgrimage, including railroad fare, hotel accommodations, steamship fare and all other incidental expenses. It will not provide anything other than the necessary expenses so that you should bring with you such funds as you may desire to use for making small purchases and for other uses distinctly of a personal nature.

Arrangements have been made with the American Railroad Association which assures us the united support and cooperation of all of the railroads in the United States in handling the movement to and from New York City. The local ticket agent will secure your railroad and sleeper ticket and will make the necessary pullman reservations. Before your departure from your home we will mail you a check, sufficient to pay for your meals and other travelling expenses while enroute to New York. Your railroad ticket will provide for a round trip from your home to New York and upon arrival in New York the army officer in charge of the New York office will collect the return trip stub and hold it until your return to New York from Europe.

Upon arrival in New York, you will be met by an army officer

and escorted to a first class hotel where reservations have been made. The duration of your stay in New York will be from 24 to 48 hours. At the proper time, you will be escorted to the steamship upon which passage has been engaged for Europe. All of the women making this trip will be provided with cabin class accommodations aboard steamers which means that from two to four will be quartered in the same stateroom. If you have any friend that you would like to be quartered with we will endeavor to arrange it if you will communicate with this office.

The ocean voyage will last about 8 days and when the ship docks at Cherbourg, France, each party will be met by officers especially detailed for the purpose and taken in a special train to Paris where first class hotel accommodations have been reserved. The first day in Paris will be a day of rest. On the 2d day, the women of each party will place a wreath on the tomb of the French unknown soldier. In the afternoon there will be a reception in which the French war mothers, government officials, and prominent civilians will participate. The following morning the groups going to the different cemeteries will leave Paris, travelling in motor busses, and proceed to the cemeteries where they will remain for about 7 days. Twenty-five women will be assigned to each bus and an army officer will have charge of the bus. The itineraries to and from the cemeteries and the daily itineraries while at the cemeteries have been varied so as to take in points of historical interest as well as some parts of the battlefields where American troops were engaged. Upon return to Paris, each party will remain for about 5 days and during this time an opportunity will be given to see the points of historical interest in Paris and vicinity. The entire duration of your stay in Europe will be 14 days, and the itineraries have been so arranged that each day will be provided for. Except in case of illness or other unavoidable cause it will not be possible for any woman making the pilgrimage to remain in Europe for a longer period than 14 days nor to leave the party with which she is travelling unless she is prepared to pay all of her expenses after leaving the party since the Act of Congress authorizing the pilgrimage specifically states that the government shall not pay the expenses of any woman who willfully leaves her party.

Upon return to the United States each ship will be met in New York City by army officers who will escort the mothers and widows to the trains which will take them home. Before leaving New York each woman will be provided with her return railroad ticket, a sleeping car ticket and funds to cover the cost of meals and other travelling expenses.

Army officers are being used as guides and escorts throughout this entire movement and care has been taken to select officers who will see that proper care is taken of the women who are entrusted to their charge. Arrangements have been made for taking care of women who may be taken sick during the pilgrimage and also to care for the remains of any who may die and provision has been made for returning the remains of any who may die to their homes. It is essential that each woman making the pilgrimage furnish The Quartermaster General with an emergency address of some relative or friend to be notified in the event of an emergency. Medical care will be provided by civilian agencies. If such care is needed in New York City it will be furnished by the hotel physicians or

by local hospitals. Aboard ship, medical care will be provided by the ship's doctors and in Paris arrangements have been made with the American Hospital for the hospitalization and treatment of any women who may need it. In addition to this, six doctors of the regular army will be on duty throughout the pilgrimage.

Baggage will be limited to not to exceed two pieces of hand baggage and the articles taken should be such as will be required for a trip of about one month. Laundry service can be obtained in New York and Paris. Since the climate of Europe is much colder than that of the United States, each woman should provide herself with sufficient warm clothing to stand the motor bus trip and the visit to the cemeteries.

Since it is necessary for this office to make all reservations for your accommodations throughout this pilgrimage, it will be greatly appreciated if you will make prompt reply to any communications received from this office.

For The Quartermaster General:

Very truly yours,

A. D. HUGHES,
Captain, Q. M. Corps,
Assistant.

Mrs. Elizabeth Allaire,

Dear Madam:

The following instructions prepared by the Secretary of State contain the necessary instructions to be followed by you in obtaining the passport or travel document to be utilized in connection with your pilgrimage to the cemeteries in Europe. Please read the directions carefully and call in person upon the nearest Passport Agent or clerk of a Federal or State court having jurisdiction to naturalize aliens. Passport Agencies are located in Boston, Chicago, New Orleans, New York City, San Francisco and Seattle. In large cities there are usually two or more courts and at each county-seat a state court authorized to accept these passport applications.

When you make this call be sure to take with you the four photographs called for in the instructions together with your invitation as a means of identification. You should take with you to the passport office at this time a friend who is an American citizen and who has known you for several years. The passport Agent or clerk of the court will mail your application to the Secretary of State in Washington, D. C., who will issue the passports and travel documents and will deliver them to The Quartermaster General to be held by him until your arrival in New York.

The instructions prepared by the Secretary of State are as follows:

"A mother or widow who owes allegiance to the United States must apply to the Department of State for a Special Pilgrimage Passport through a Passport Agent or through a clerk of a Federal court or State court having jurisdiction to naturalize aliens and on the form prescribed by that Department. When making application, she should be accompanied by a credible witness who is an American citizen and who has known her for a period of two years or more. With her application she should submit four photographs on a light background and on thin paper not more than 3x3 inches in size not less than 2½x2½ inches in size and such documentary

evidence of her American citizenship as she may have in her possession. In the absence of evidence of citizenship, her application should be witnessed by a credible person residing in the same community who is an American citizen, has known her for a long period of time and is able to swear to the best of his or her knowledge and belief that she is a citizen of the United States.

"A mother or widow who does not owe allegiance to the United States must apply to the Department of State for a Pilgrimage Travel Document through a clerk of a Federal court or a State court having jurisdiction to naturalize aliens or through a Passport Agent upon the form of application prescribed for that purpose, entitled APPLICATION FOR A PILGRIMAGE TRAVEL DOCUMENT, issued under the Act of March 2, 1929, submitting therewith four photographs on a light background and on thin paper not more than 3 x 3 inches in size and not less than 2½ x 2½ inches in size. When making application she should be accompanied by a credible witness who has known her for a period of two years or more.

"The Act of March 2, 1929, provides that no fee shall be charged for the execution of an application for a passport or travel document or for the issue of a passport or travel document to a mother or widow making a pilgrimage to the cemeteries of Europe in which deceased soldiers, sailors, and marines of the American forces are now interred.

"Special Pilgrimage Passports and Pilgrimage Travel Documents when issued by the Department of State will be forwarded to the War Department.

"Applicants resident in Boston, Chicago, New Orleans, New York City, San Francisco and Seattle should execute applications at the Passport Agencies in those cities."

R.C. searcher reports--On Sept. 29th 1918 I found Pvt. Allaire in shell hole. I took him back to the 30th Div. dressing station. His remarks to me were: "Give me some water" after which I gave some. "Do you think that I will lose my wing" after which I assured him that they would pull him thru.

Report was submitted on Army Form 3745 (B.A.) that Pvt. Allaire died at 10.30a.M. 9/30/18. Cause of death; SW Arm R & Leg L this report from #12 casualty clearing station and was signed Hamilton Lt. Col. RAMC.

Note the R.C.S. reports S.W. Arm R and Leg L. while 16-A of 1/6/21 reports body in Grave 22-E-6 Cty 51-A had simple fracture of left arm, the investigator is of the opinion that the fracture of the left arm was not noticeable due to the wounds in the other part of this soldier's body.

There are 13 unidentified American Soldiers in Cty 51-A and 13 American soldiers who had confirmed burials in Cty 51-A but during operations in this Cty. the grave of these 13 soldiers became unlocated, due to lack of sufficient data to identify, as none had any means of identification. Operations have been completed in this Cty. and the Cty. has been evacuated, the evacuation letter has not as yet been received in this Dept. stating as to where these soldiers have been finally concentrated.

The dental chart of Pvt. Allaire has been checked with the dental chart of the 13 Unidentified American Soldiers, and the dental chart of the body found in Grave 22-E-6 and reburied during operations in Gr. 23-E-6 checks better with the dental chart of Pvt. Allaire than any others.

Dear Madam:-

Your letter of July 21st is received and noted. While the Department has never considered it seemly to undertake to influence relatives in the matter of final burial places of their here dead, the Quartermaster Corps always feels gratified when the relatives entrust the graves to its care. It considers such trust a sacred one and is resolved that the last resting places of our comrades who died for their country shall be fittingly cared for as long as the Nation endures.

Permit me, however, to correct one error into which you have somehow been lead. While the French Government undoubtedly would willingly care for the graves of the American soldiers left in that country, it is not doing so in fact. These burials will be in permanent American cemeteries where the flag under which the men resting there died will forever float and which will be improved and cared for in a manner similar to that of our National Cemeteries here in the United States.

R.C. searcher reports--On Sept. 29th 1918 I found Pvt. Allaire in shell hole. I took him back to the 30th Div. dressing station. His remarks to me were: "Give me some water" after which I gave some. "Do you think that I will lose my wing" after which I assured him that they would pull him thru.

Report was submitted on Army Form 3745 (B.A.) that Pvt. Allaire died at 10.30a.m. 9/30/18. Cause of death; SW Arm R & Leg L; this report from #12 casualty clearing station and was signed Hamilton Lt. Col. *shell wound, right arm + left leg.*

Note the R.C.S. reports S.W. Arm R and Leg L. while 16-A of 1/6/21 reports body in Grave 22 -E-6. Cty 51-A had simple fracture of left arm, the investigator is of the opinion that the fracture of the left arm was not noticeable due to the wounds in the other part of this soldier's body.

There are 13 unidentified American Soldiers in Cty 51-A and 13 American soldiers who had confirmed burials in Cty 51-A but during operations in this Cty. the grave of these 13 soldiers became unlocated, due to lack of sufficient data to identify, as none had any means of identification. Operations have been completed in this Cty. and the Cty. has been evacuated, the evacuation letter has not as yet been received in this Dept. stating as to where these soldiers have been finally concentrated.

The dental chart of Pvt. Allaire has been checked with the dental chart of the 13 Unidentified American Soldiers, and the dental chart of the body found in Grave 22-E-6 and reburied during operations in Gr. 23-E-6 checks better with the dental chart of Pvt. Allaire than any others.
