Dear Madam:

There are enclosed herewith two tags and four identification pasters which have been prepared for the purpose of protecting your baggage while in transit, and to insure its safe arrival at the hotel where you are to stop in New York City. Please attach the tags to the handle of each piece of your baggage and place a paster on each end of each piece of your baggage before leaving your home.

Upon your arrival in New York City, you will be met at the railroad station by an Army Officer who will be in uniform. During your sojourn in New York before sailing for Europe, and upon your return from Europe, you will stop at the Hotel Astor, 45th Street and Broadway, New York City.

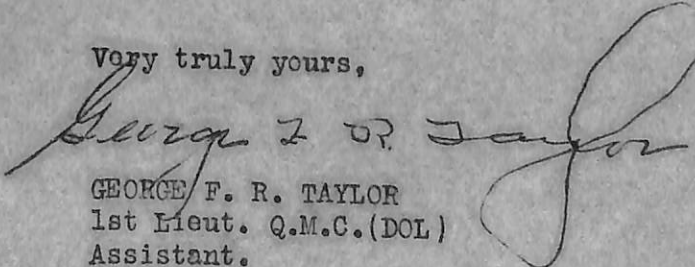

All mail intended to reach you between July 22nd, 1931, the day you sail from the United States, and August 13th, 1931, the day you leave Europe, should be addressed to you in care of American Pilgrimage, 146 Avenue des Champs Elysees, Paris, France; for example:

Mrs. Mary Smith,  
c/o American Pilgrimage,  
146 Avenue des Champs Elysees,  
Paris, France.

In making reservations for your journey home from New York City, it is necessary for this office to furnish the railroads with the exact time and date of your departure. The party you are to travel with will be disbanded in New York City on the day following your return from Europe and all arrangements for your accommodations will be made with the railroads by this office accordingly. Upon your return from Europe, it will therefore be necessary for you to remain in the hotel over night as a guest of the United States Government.

There is also enclosed herewith information relative to the cemeteries in Europe.

Very truly yours,

Dear Madam:

Receipt is acknowledged of your letter of March 17, 1931, relative to the pilgrimage to the grave of your stepson, the late Sergeant Anthony Amodei, sailing on the President Roosevelt July 22, 1931.

In compliance with your request, there is enclosed, herewith, a list of the women from Philadelphia, scheduled to sail on the President Roosevelt July 22, 1931, who have been invited to visit the St. Mihiel American Cemetery in France.

In the event you become acquainted with any of these women and desire to be quartered with them when you make the pilgrimage, it is requested that you advise this office, stating their names and addresses, and every effort will be made to arrange quarters together.

Should you be unable to meet any of the women before your departure, it is believed that you should feel no hesitancy in making the journey, as arrangements have been made with the railroad companies to give special care and attention to the pilgrims enroute from their homes to New York and return. Competent personnel will be provided to care for the mothers and widows from the time they arrive in New York City until they return thereto. You will no doubt make friends with some of the many women making the journey and find congenial companionship during the entire trip.

For The Quartermaster General.

Very truly yours,

Receipt is acknowledged of your letter of March 17, 1931, relative to the pilgrimage to the grave of your stepson, the late Sergeant Anthony Amodei, sailing on the President Roosevelt July 22, 1931.

In compliance with your request, there is enclosed, herewith, a list of the women from Philadelphia, scheduled to sail on the President Roosevelt July 22, 1931, who have been invited to visit the St. Mihiel American Cemetery in France.

In the event you become acquainted with any of these women and desire to be quartered with them when you make the pilgrimage, it is requested that you advise this office, stating their names and addresses, and every effort will be made to arrange quarters together.

Should you be unable to meet any of the women before your departure, it is believed that you should feel no hesitancy in making the journey, as arrangements have been made with the railroad companies to give special care and attention to the pilgrims enroute from their homes to New York and return. Mr. James Anodel,  
3637 N. 5th St.,  
Philadelphia, Pa.

Dear Sir:

Your attention is invited to the enclosed copy of an Act of Congress approved March 2, 1929, entitled an Act "To enable the mothers and widows of the deceased soldiers, sailors and marines of the American forces now interred in the cemeteries of Europe to make a pilgrimage to these cemeteries".

The records of this office show that you are the father of the late Sergeant Anthony Anodel, Co. C, 18th Inf., whose remains are now interred in the St. Mihiel American Cemetery, Thiaucourt, Meurthe-et-Moselle, France.

Will you please advise this office whether or not he is survived by a mother or widow who is entitled under the provisions of the above quoted Act, to make the pilgrimage, and if so, will you please furnish the full names and addresses of the mother and widow in order that action may be taken to extend invitations to them to make the pilgrimage. Both mothers and widows are entitled to make the pilgrimage.

Your attention is particularly invited to Section 4 of the enclosed Act, which defines the terms "mother" and "widow". If the relative is a stepmother, mother through adoption, or any woman who stood in loco parentis to the decedent, a statement as to her relationship is requested. If he was survived by a widow who has since remarried it is also requested that a statement to that effect be made.

For your reply, you may use the enclosed envelope which requires no postage.

Mr. James Amodi,  
3637 North 5th St.,  
Philadelphia, Pa.

The Quartermaster General desires to invite your attention to the enclosed card which gives the permanent cemetery location of the soldier's grave in which you are interested.

This American military cemetery is one of those to be maintained by the United States for all time in Europe. Each grave will be marked by a headstone of white marble, of dignified design, with the name, rank, division, organization, date of soldier's death and State from which he came. Headstones will be placed at all graves in connection with the improvement work now in progress, as soon as possible and without waiting for special action or request on the part of relatives.

Please be assured that in effecting removal of the dead, the utmost reverential care was exercised and more than willingly accorded by those who performed this sacred duty. For the future, these graves will be perpetually maintained by the Government in a manner befitting the last resting place of our heroes.

Very truly yours,
