July 13, 1932

Mrs. Jennie Anderson,
266 60th St.,
Brooklyn, N. Y.

Dear Madam:

The Act of Congress of March 2, 1929, as amended May 15, 1930, authorizes pilgrimages to the cemeteries Of Europe during the years 1930, 1931, 1932 and 1933 for the mothers and widows of deceased members of the American forces who were lost or buried at sea or whose remains are interred in Europe.

Your attention is particularly invited to the fact that this is the last opportunity you will have to make the pilgrimage under the provisions of the above mentioned Act. Unless you take advantage of this LAST chance to make a trip in 1933 you will receive no benefit from the Act. There is no provision of law which will permit the Government to make a money allowance to any mother or widow who does not choose to make the pilgrimage.

IT IS REQUESTED THAT YOU GIVE THE MATTER YOUR MOST CAREFUL CONSIDERATION BEFORE REACHING A DECISION, BEARING IN MIND THAT THIS IS THE LAST OPPORTUNITY YOU WILL HAVE TO MAKE THE TRIP AT GOVERNMENT EXPENSE.

In order to assure proper and satisfactory accommodations for the mothers and widows making the journey in 1933, reservations for steamship transportation must be made by this office several months in advance. It is requested that you answer the questions below by writing "Yes" or "No" or "Undecided" in the blank space following the question. When you have answered the question, sign your name and return this sheet in the enclosed addressed envelope which requires no postage. PLEASE DO NOT DELAY, as it is essential that the information be in this office promptly.

This letter is being sent to all eligible mothers and widows who did not make the pilgrimage during the years 1930, 1931 or 1932. There is enclosed a circular of information WHICH YOU SHOULD READ VERY CAREFULLY BEFORE MAKING YOUR DECISION.

For The Quartermaster General,

Very truly yours,

CHAS. W. DIETZ,

Mrs. Jennie Anderson,

Brooklyn, New York.

Dear Madam:

Receipt is acknowledged of your communication of recent date, advising that you are unable to sail June 28th on the LEVIATHAN to visit the grave of your son, the late Private Alfred Anderson.

It is regretted that your health will not permit you to make the journey at this time, and it is sincerely hoped that you will improve rapidly. It is believed, however, that you should feel no hesitancy in making the trip because of poor health, as everything possible would be done to make your pilgrimage comfortable and pleasant, and you would probably be materially benefited by the sea air and the change of scenery.

Should you change your mind and later desire to sail June 28th, it is requested you so notify this office not later than April 28th, in order that arrangements may be made for you. However, if you are unable to visit your son's grave this year, you will be communicated with when pilgrimages are being arranged for 1933, which is the last year for which they are authorized.

For The Quartermaster General.

Very truly yours,

Dear Madam:

Receipt is acknowledged of your letter of April 22nd, declining the invitation to sail on the AMERICA May 13th, 1931, to visit the grave of your son, the late Private Alfred Andersen.

It is regretted that you do not feel physically able to make the pilgrimage at this time. Brooklyn, New York.

Dear Madam:

Receipt is acknowledged of your letter of April 22nd, declining the invitation to sail on the AMERICA May 13th, 1931, to visit the grave of your son, the late Private Alfred Andersen.

It is regretted that you do not feel physically able to make the pilgrimage at this time. Your name has been placed upon the list of mothers and widows who are eligible to visit the cemeteries of Europe in 1932, and you will be communicated with when the pilgrimages are being arranged for that year.

Properly qualified personnel has been provided to care for the comfort and needs of the women making the journey, and medical attention and nurses will be available from the time the mothers and widows arrive in New York City until they return thereto. It is not anticipated you would experience any difficulty in making the trip.

Plans provide that pilgrimages will be conducted during the months of June, July and August of this year also. Should your health improve and you desire to visit the grave of your son at a later date this summer, it is requested that you so advise this office, in order that arrangements may be made for you.

It is requested that you return the identification badge which was forwarded you to be worn on the pilgrimage. The badge will be returned to you when you accept an invitation to make the journey.

For The Quartermaster General,

Very truly yours,

INSTRUCTIONS FOR THE PROPER COMPLETION OF G. R. S. FORM NO. 16-A

Enter information, as noted below, on reverse side of sheet in the *corresponding numbered space*. This form is supplemental to and is to be forwarded with G. R. S. Form 1-a, reporting reburial locations. To be used in answer to Question 26, Form 114, in case no means of identification on body.

1. Show soldier's name, serial number, rank and organization, and by whom disinterred and reburied.
2. Give date and accurate information as to location from which the body was disinterred and the group and unit which made disinterment.
3. Give date and accurate information as to location of reburial and the group and unit which made reburial, and how reburial was made—in casket, wooden box, etc.
4. State to what degree decomposition has progressed, whether recognition is possible, and how the body was originally buried—in a casket, box, burlap, etc. This statement should be as complete as possible.

5. (a) State whether identification tags were found buried with body and on grave marker by reporting "Yes" or "No".

(b) State whether or not body appears to have been a hospital case. Were any identifying articles found in or on body or grave? List any personal effects, letters, money-order receipts, and the like found on body or in grave. Give any and all information which it is thought might be of use in identifying the body, other than that tabulated under Item No 6.

6. Give all information as to body description and dental chart as nearly correctly as the condition of the body will allow. Items (e) and (f) under the body description are very important and should be very complete. The dental chart is also very important and should be filled in with great care. There are 32 teeth to be accounted for, as shown by the numbers on the chart. Beginning at the middle line in both upper and lower jaws, the teeth are arranged symmetrically on either side and classed as incisors (cutting teeth), cuspids or canines (tearing teeth), bicuspids (chewing teeth), and molars (principal chewing teeth). An examination should be made and findings charted to cover the following basic conditions: Lost teeth, crowned teeth, bridge work, fillings, caries (cavities of decay), dentures (plates), and any deformity of jaws found.

MISSING TEETH	All teeth missing through previous extraction (not those fractured or displaced by recent wounds) should be scratched out, thus:	
CROWNED TEETH	Block in solid the crown of tooth (label gold, porcelain, or gold and porcelain), thus:	
BRIDGE WORK	Block in solid the crown of tooth (label gold bridge, gold and porcelain bridge) thus:	
FILLINGS	Draw filling on tooth accurately as possible (block in and label gold, silver, cement), thus:	
CARIES (CAVITIES)	Outline location and size of cavity, shade in thus:	
DENTURES (PLATES)	Draw diagram of relative size and shape of plate block in teeth attached and indicate retaining clasps on natural teeth with the word "clasp"
