Mr. Chas. J. Anderson,  
929 Tenney Ave.,  
Kansas City, Kans.

Dear Sir:

The Quartermaster General desires that you be informed that the permanent grave of the late Edwin H. Anderson, Private, Co. G, 351st Infantry, is Grave 35, Row 45, Block A, Meuse-Argonne American Cemetery, Romagne-sous-Montfaucon, Department of Meuse, France. This is one of the permanent American military cemeteries to be maintained by this Government in Europe. Each grave will be marked by a headstone of white marble, of suitable design, with name, rank, organization, date of soldier's death and State from which he came. The headstones will be placed at all graves in connection with the improvement work now in progress, as soon as possible and without waiting for special action or request on the part of relatives.

In effecting removal, the utmost care and reverence were exacted and more than willingly accorded by those performing this sacred duty. The grave of the deceased will be perpetually maintained by this Government in a manner befitting the last resting place of our heroes.

Very truly yours,

## INSTRUCTIONS FOR THE PROPER COMPLETION OF G. R. S. FORM NO. 16-A

Enter information, as noted below, on reverse side of sheet in the *corresponding numbered space*. This form is supplemental to and is to be forwarded with G. R. S. Form 1-a, reporting reburial locations. To be used in answer to Questions 26, Form 114, in case no means of identification on body.

1. Show soldier's name, serial number, rank and organization, and by whom disinterred and reburied.

2. Give date and accurate information as to location from which the body was disinterred and the group and unit which made disinterment.

3. Give date and accurate information as to location of reburial and the group and unit which made reburial, and how reburial was made—in casket, wooden box, etc.

4. State to what degree decomposition has progressed, whether recognition is possible, and how the body was originally buried—in a casket, box, burlap, etc. This statement should be as complete as possible.

5. (a) State whether identification tags were found buried with body and on grave marker by reporting "Yes" or "No".

(b) State whether or not body appears to have been a hospital case. Were any identifying articles found in or on body or grave? List any personal effects, letters, money-order receipts, and the like found on body or in grave. Give any and all information which it is thought might be of use in identifying the body, other than that tabulated under Item No 6.

6. Give all information as to body description and dental chart as nearly correctly as the condition of the body will allow. Items (e) and (f) under the body description are very important and should be very complete. The dental chart is also very important and should be filled in with great care. There are 32 teeth to be accounted for, as shown by the numbers on the chart. Beginning at the middle line in both upper and lower jaws, the teeth are arranged symmetrically on either side and classed as incisors (cutting teeth), cuspids or canines (tearing teeth), bicuspids (chewing teeth), and molars (principal chewing teeth). An examination should be made and findings charted to cover the following basic conditions: Lost teeth, crowned teeth, bridge work, fillings, caries (cavities of decay), dentures (plates), and any deformity of jaws found.

### MISSING TEETH

All teeth missing through previous extraction (not those fractured or displaced by recent wounds) should be scratched out, thus:

### CROWNED TEETH

Block in solid the crown of tooth (label gold, porcelain, or gold and porcelain), thus:

### BRIDGE WORK

Block in solid the crown of tooth (label gold bridge, gold and porcelain bridge) thus:

### FILLINGS

Draw filling on tooth accurately as possible (block in and label gold, silver, cement), thus:

### CARIES (CAVITIES)

Outline location and size of cavity, shade in thus:

### DENTURES (PLATES)

Draw diagram of relative size and shape of plate block in teeth attached and indicate retaining clasps on natural teeth with the word "clasp"

7. Show name of person supervising the disinterment and the name and title of the person approving same.

8. Show name of person supervising the reburial and the name and title of the person approving same.
