Dear Madam:

Receipt is acknowledged of a communication from you and your husband, relative to your desire to receive a monetary allowance inasmuch as you were unable to make a pilgrimage to the grave of your son, the late Private Peter K. Anderson.

It is regretted to advise that the law authorizing the pilgrimage, makes no provision whereby any mother or widow may receive a sum of money in lieu of the journey.

For The Quartermaster General,

Very truly yours,

Dear Madam:

The Act of Congress of March 2, 1929, as amended May 15, 1930, authorizes pilgrimages to the cemeteries Of Europe during the years 1930, 1931, 1932 and 1933 for the mothers and widows of deceased members of the American forces who were lost or buried at sea or whose remains are interred in Europe.

Your attention is particularly invited to the fact that this is the last opportunity you will have to make the pilgrimage under the provisions of the above mentioned Act. Unless you take advantage of this LAST chance to make a trip in 1933 you will receive no benefit from the Act. There is no provision of law which will permit the Government to make a money allowance to any mother or widow who does not choose to make the pilgrimage.

IT IS REQUESTED THAT YOU GIVE THE MATTER YOUR MOST CAREFUL CONSIDERATION BEFORE REACHING A DECISION, BEARING IN MIND THAT THIS IS THE LAST OPPORTUNITY YOU WILL HAVE TO MAKE THE TRIP AT GOVERNMENT EXPENSE.

In order to assure proper and satisfactory accommodations for the mothers and widows making the journey in 1933, reservations for steamship transportation must be made by this office several months in advance. It is requested that you answer the questions below by writing "Yes" or "No" or "Undecided" in the blank space following the question. When you have answered the question, sign your name and return this sheet in the enclosed addressed envelope which requires no postage. PLEASE DO NOT DELAY, as it is essential that the information be in this office promptly.

This letter is being sent to all eligible mothers and widows who did not make the pilgrimage during the years 1930, 1931 or 1932. There is enclosed a circular of information WHICH YOU SHOULD READ VERY CAREFULLY BEFORE MAKING YOUR DECISION.

GENERAL INFORMATION REGARDING THE PILGRIMAGE

And if you want any information

The entire cost of the Pilgrimage from the time you leave your home until you return thereto will be borne by the United States Government. You will need money only for the purchase of any small articles of a personal nature you may desire to obtain as souvenirs.

Should you decide to make the trip, a formal invitation will be extended you, setting forth the name of the vessel and the date of sailing. If you accept the invitation, an identification badge will be forwarded you shortly before you leave home to wear while on the journey. The wearing of this badge assures you every attention, the railroad personnel rendering special care and assistance to the wearers of this emblem. Your local railroad agent will deliver your Pullman and railroad tickets to you about a week before you leave home, and you will be furnished a detailed schedule of your trip to New York. A check to cover the cost of your meals and incidental expenses to New York will be sent you about two weeks prior to leaving.

Upon arrival in New York you will be met at the station by an officer of the United States Army who will escort you to the hotel at which reservation has been made for you. From that time on you will be under the personal supervision of Army officers and any expenditures that are necessary will be taken care of by them. Competent personnel to care for your comfort and welfare throughout the trip will be provided and doctors and nurses will be available. When you return to New York from Europe, you will be given railroad and Pullman tickets to your home, together with a check to pay for meals and other expenses on the journey, and you will be escorted to the train by an officer.

Somewhat heavier clothing is required in Europe during the summer than is necessary in the United States, and the pilgrims are requested to provide themselves with slightly heavier and warmer clothing than they ordinarily wear at home. That is, at least two pairs of comfortable shoes to provide a change in the event your feet become wet, a pair of rubbers, an umbrella, a full length coat for general wear, and a sweater or some warm wrap to be used should the weather become uncomfortably cool.

The pilgrimage was authorized by Congress in an endeavor to bring a measure of solace and peace to the hearts of the mothers and widows whose loved ones gave their lives in their Country's cause, and it is evident from the many letters received from women who have made the journey that the effort has not been in vain. Approximately six thousand mothers and widows, many of whom were in very poor health and of advanced age, successfully made the pilgrimage during the summers of 1930, 1931 and 1932. The pilgrimages of 1930 and 1931 have been completed, that of 1932 is under way, and arrangements are now being made for conducting the last of these pilgrimages during the summer months of 1933.

SPECIAL

Dear Madam:

Your Government has provided an opportunity for all Mothers and Widows of deceased members of the American Forces who were lost, buried at sea, or whose remains are now interred in Europe, to make a pilgrimage to the cemeteries in Europe. This was done in the hope that all who may make the pilgrimage will derive a measure of comfort and solace from the visit.

You are numbered among those who are privileged to make this pilgrimage.

During July and September of this year, inquiries were addressed to you as to whether or not you desire to make the pilgrimage to Europe. To these inquiries no reply has been received from you.

You probably do not realize how important it is that a reply be received from you. If we do not receive replies, it becomes very difficult to make the necessary and proper arrangements for those who are to make the trip, as everything must be arranged in advance. Consequently, it is just as important for the Government to know the names of those who do not desire to take advantage of its offer as it is to know the names of those who do.

Will you please devote a few moments of your time to write either the word "YES" or "NO" in the following space No, thus indicating whether or not you desire to make the pilgrimage during 1933 and sign your name here Elizabeth K. Anderson. Use the enclosed envelope, which requires no postage, and return this sheet.

This reply will assure your Government that no worthy Mother or Widow has failed to receive its offer in commemoration of a loved one departed, and will greatly assist in making the necessary preparations for those of them who wish to take advantage of the privilege.

For The Quartermaster General,

Very truly yours,

Pa.

Dear Madam:

The Act of Congress of March 2, 1929, as amended May 15, 1930, authorizes pilgrimages to the cemeteries Of Europe during the years 1930, 1931, 1932 and 1933 for the mothers and widows of deceased members of the American forces who were lost or buried at sea or whose remains are interred in Europe.

Your attention is particularly invited to the fact that this is the last opportunity you will have to make the pilgrimage under the provisions of the above mentioned Act. Unless you take advantage of this LAST chance to make a trip in 1933 you will receive no benefit from the Act. There is no provision of law which will permit the Government to make a money allowance to any mother or widow who does not choose to make the pilgrimage.

IT IS REQUESTED THAT YOU GIVE THE MATTER YOUR MOST CAREFUL CONSIDERATION BEFORE REACHING A DECISION, BEARING IN MIND THAT THIS IS THE LAST OPPORTUNITY YOU WILL HAVE TO MAKE THE TRIP AT GOVERNMENT EXPENSE.

In order to assure proper and satisfactory accommodations for the mothers and widows making the journey in 1933, reservations for steamship transportation must be made by this office several months in advance. It is requested that you answer the questions below by writing "Yes" or "No" or "Undecided" in the blank space following the question. When you have answered the question, sign your name and return this sheet in the enclosed addressed envelope which requires no postage. PLEASE DO NOT DELAY, as it is essential that the information be in this office promptly.

This letter is being sent to all eligible mothers and widows who did not make the pilgrimage during the years 1930, 1931 or 1932. There is enclosed a circular of information WHICH YOU SHOULD READ VERY CAREFULLY BEFORE MAKING YOUR DECISION.

For The Quartermaster General,

Very truly yours,

CHAS. W. DIETZ,
Captain, Q. M. Corps,
Assistant.

Dear Sir:

The Quartermaster General desires to invite your attention to the inclosed card which gives the permanent cemetery location of the soldier's grave in which you are interested.

This American military cemetery is one of those to be maintained by the United States for all time in Europe. Each grave will be marked by a headstone of white marble, of dignified design, with the name, rank, division, organization, date of soldier's death and State from which he came. Headstones will be placed at all graves in connection with the improvement work now in progress, as soon as possible and without waiting for special action or request on the part of relatives.

Please be assured that in effecting removal of the dead, the utmost reverential care was exercised and more than willingly accorded by those who performed this sacred duty. For the future, these graves will be perpetually maintained by the Government in a manner befitting the last resting place of our heroes.

Very truly yours,
