Dear Madam:

Receipt is acknowledged of your recent communication, stating your acceptance to sail on the SS AMERICA on June 4, 1930.

In connection with your inquiry as to the approximate cost of transportation for a companion to accompany you on this pilgrimage, you are advised that under the law providing for pilgrimages, the Government cannot bear any part of the expense of a relative or friend accompanying you nor can it make any arrangements for them. This must be entirely a personal matter.

It may be possible for a companion to secure accommodations on the same ship and possibly at the same hotels in New York and Paris, but in view of the limited accommodations you could not travel to the cemetery together, and it is doubtful if you could secure accommodations in the same town near the cemetery. The Government can assume no responsibility for relatives or friends accompanying pilgrims and they must not expect medical or other assistance from the Government or to be included in official tours paid for by the Government.

If you desire to have a companion accompany you under these conditions, it is suggested you write for further information to the United States Lines, 1027 Connecticut Ave., Washington, D. C., who will no doubt be able to give you complete information as to cost of transportation. This company is a commercial line which owns and operates the vessels upon which reservations have been made for all mothers and widows making the pilgrimage. It is understood, that they have arranged with some of the tourist agencies to take care of any relatives or friends and make all arrangements for their accommodations while in Europe.

For The Quartermaster General,

Very truly yours,

Mrs. Mattie Andrews,

Dear Madam:

The following instructions prepared by the Secretary of State contain the necessary instructions to be followed by you in obtaining the passport or travel document to be utilized in connection with your pilgrimage to the cemeteries in Europe. Please read the directions carefully and call in person upon the nearest Passport Agent or clerk of a Federal or State court having jurisdiction to naturalize aliens. Passport Agencies are located in Boston, Chicago, New Orleans, New York City, San Francisco and Seattle. In large cities there are usually two or more courts and at each county-seat a state court authorized to accept these passport applications.

When you make this call be sure to take with you the four photographs called for in the instructions together with your invitation as a means of identification. You should take with you to the passport office at this time a friend who is an American citizen and who has known you for several years. The passport Agent or clerk of the court will mail your application to the Secretary of State in Washington, D. C., who will issue the passports and travel documents and will deliver them to The Quartermaster General to be held by him until your arrival in New York.

The instructions prepared by the Secretary of State are as follows:

"A mother or widow who owes allegiance to the United States must apply to the Department of State for a Special Pilgrimage Passport through a Passport Agent or through a clerk of a Federal court or State court having jurisdiction to naturalize aliens and on the form prescribed by that Department. When making application, she should be accompanied by a credible witness who is an American citizen and who has known her for a period of two years or more. With her application she should submit four photographs on a light background and on thin paper not more than 3x3 inches in size not less than 2½x2½ inches in size and such documentary

evidence of her American citizenship as she may have in her possession. In the absence of evidence of citizenship, her application should be witnessed by a credible person residing in the same community who is an American citizen, has known her for a long period of time and is able to swear to the best of his or her knowledge and belief that she is a citizen of the United States.

"A mother or widow who does not owe allegiance to the United States must apply to the Department of State for a Pilgrimage Travel Document through a clerk of a Federal court or a State court having jurisdiction to naturalize aliens or through a Passport Agent upon the form of application prescribed for that purpose, entitled APPLICATION FOR A PILGRIMAGE TRAVEL DOCUMENT, issued under the Act of March 2, 1929, submitting therewith four photographs on a light background and on thin paper not more than 3 x 3 inches in size and not less than 2½ x 2½ inches in size. When making application she should be accompanied by a credible witness who has known her for a period of two years or more.

"The Act of March 2, 1929, provides that no fee shall be charged for the execution of an application for a passport or travel document or for the issue of a passport or travel document to a mother or widow making a pilgrimage to the cemeteries of Europe in which deceased soldiers, sailors, and marines of the American forces are now interred.

"Special Pilgrimage Passports and Pilgrimage Travel Documents when issued by the Department of State will be forwarded to the War Department.

"Applicants resident in Boston, Chicago, New Orleans, New York City, San Francisco and Seattle should execute applications at the Passport Agencies in those cities."

Dear Madam:

Receipt is acknowledged of your recent communication, stating your acceptance to sail on the SS AMERICA on June 4, 1930.

In connection with your inquiry as to the approximate cost of transportation for a companion to accompany you on this pilgrimage, you are advised that under the law providing for pilgrimages, the Government cannot bear any part of the expense of a relative or friend accompanying you nor can it make any arrangements for them. This must be entirely a personal matter.

It may be possible for a companion to secure accommodations on the same ship and possibly at the same hotels in New York and Paris, but in view of the limited accommodations you could not travel to the cemetery together, and it is doubtful if you could secure accommodations in the same town near the cemetery. The Government can assume no responsibility for relatives or friends accompanying pilgrims and they must not expect medical or other assistance from the Government or to be included in official tours paid for by the Government.

If you desire to have a companion accompany you under these conditions, it is suggested you write for further information to the United States Lines, 1027 Connecticut Ave., Washington, D. C., who will no doubt be able to give you complete information as to cost of transportation. This company is a commercial line which owns and operates the vessels upon which reservations have been made for all mothers and widows making the pilgrimage. It is understood, that they have arranged with some of the tourist agencies to take care of any relatives or friends and make all arrangements for their accommodations while in Europe.

For The Quartermaster General,

Very truly yours,

Dear Madam:

The following instructions prepared by the Secretary of State contain the necessary instructions to be followed by you in obtaining the passport or travel document to be utilized in connection with your pilgrimage to the cemeteries in Europe. Please read the directions carefully and call in person upon the nearest Passport Agent or clerk of a Federal or State court having jurisdiction to naturalize aliens. Passport Agencies are located in Boston, Chicago, New Orleans, New York City, San Francisco and Seattle. In large cities there are usually two or more courts and at each county-seat a state court authorized to accept these passport applications.

When you make this call be sure to take with you the four photographs called for in the instructions together with your invitation as a means of identification. You should take with you to the passport office at this time a friend who is an American citizen and who has known you for several years. The passport Agent or clerk of the court will mail your application to the Secretary of State in Washington, D. C., who will issue the passports and travel documents and will deliver them to The Quartermaster General to be held by him until your arrival in New York.

The instructions prepared by the Secretary of State are as follows:

"A mother or widow who owes allegiance to the United States must apply to the Department of State for a Special Pilgrimage Passport through a Passport Agent or through a clerk of a Federal court or State court having jurisdiction to naturalize aliens and on the form prescribed by that Department. When making application, she should be accompanied by a credible witness who is an American citizen and who has known her for a period of two years or more. With her application she should submit four photographs on a light background and on thin paper not more than 3x3 inches in size not less than 2½x2½ inches in size and such documentary

evidence of her American citizenship as she may have in her possession. In the absence of evidence of citizenship, her application should be witnessed by a credible person residing in the same community who is an American citizen, has known her for a long period of time and is able to swear to the best of his or her knowledge and belief that she is a citizen of the United States.

"A mother or widow who does not owe allegiance to the United States must apply to the Department of State for a Pilgrimage Travel Document through a clerk of a Federal court or a State court having jurisdiction to naturalize aliens or through a Passport Agent upon the form of application prescribed for that purpose, entitled APPLICATION FOR A PILGRIMAGE TRAVEL DOCUMENT, issued under the Act of March 2, 1929, submitting therewith four photographs on a light background and on thin paper not more than 3 x 3 inches in size and not less than 2½ x 2½ inches in size. When making application she should be accompanied by a credible witness who has known her for a period of two years or more.

"The Act of March 2, 1929, provides that no fee shall be charged for the execution of an application for a passport or travel document or for the issue of a passport or travel document to a mother or widow making a pilgrimage to the cemeteries of Europe in which deceased soldiers, sailors, and marines of the American forces are now interred.

"Special Pilgrimage Passports and Pilgrimage Travel Documents when issued by the Department of State will be forwarded to the War Department.

"Applicants resident in Boston, Chicago, New Orleans, New York City, San Francisco and Seattle should execute applications at the Passport Agencies in those cities."

March 20, 1930

Mrs. Hattie Andrews,

Dear Madam:

This letter, which contains general information regarding the pilgrimage to the cemeteries of Europe, is being sent to each mother and widow who has expressed a desire to make the pilgrimage during the calendar year 1930. The general plan for the conduct of the pilgrimage is shown in the Pilgrimage Regulations, a copy of which is enclosed herewith. In addition to the information shown in the regulations, the following explains in detail some of the most important things connected with the pilgrimage.

Formal invitations are being extended to each mother and widow who has expressed a desire to make the pilgrimage during 1930. In so far as practicable, these invitations are being extended with a view to keeping the women from each state together and the order in which the invitations to the women from the several states are issued is based on a drawing by lot which was held about one month ago. Inclosed with each invitation is a card for acknowledgment and it is quite important that you accept or decline this invitation promptly in order that the necessary railroad, steamship and hotel reservations may be arranged. The government will defray all the necessary expenses of the pilgrimage, including railroad fare, hotel accommodations, steamship fare and all other incidental expenses. It will not provide anything other than the necessary expenses so that you should bring with you such funds as you may desire to use for making small purchases and for other uses distinctly of a personal nature.

Arrangements have been made with the American Railroad Association which assures us the united support and cooperation of all of the railroads in the United States in handling the movement to and from New York City. The local ticket agent will secure your railroad and sleeper ticket and will make the necessary pullman reservations. Before your departure from your home we will mail you a check, sufficient to pay for your meals and other travelling expenses while enroute to New York. Your railroad ticket will provide for a round trip from your home to New York and upon arrival in New York the army officer in charge of the New York office will collect the return trip stub and hold it until your return to New York from Europe.

Upon arrival in New York, you will be met by an army officer

and escorted to a first class hotel where reservations have been made. The duration of your stay in New York will be from 24 to 48 hours. At the proper time, you will be escorted to the steamship upon which passage has been engaged for Europe. All of the women making this trip will be provided with cabin class accommodations aboard steamers which means that from two to four will be quartered in the same stateroom. If you have any friend that you would like to be quartered with we will endeavor to arrange it if you will communicate with this office.

The ocean voyage will last about 8 days and when the ship docks at Cherbourg, France, each party will be met by officers especially detailed for the purpose and taken in a special train to Paris where first class hotel accommodations have been reserved. The first day in Paris will be a day of rest. On the 2d day, the women of each party will place a wreath on the tomb of the French unknown soldier. In the afternoon there will be a reception in which the French war mothers, government officials, and prominent civilians will participate. The following morning the groups going to the different cemeteries will leave Paris, travelling in motor busses, and proceed to the cemeteries where they will remain for about 7 days. Twenty-five women will be assigned to each bus and an army officer will have charge of the bus. The itineraries to and from the cemeteries and the daily itineraries while at the cemeteries have been varied so as to take in points of historical interest as well as some parts of the battlefields where American troops were engaged. Upon return to Paris, each party will remain for about 5 days and during this time an opportunity will be given to see the points of historical interest in Paris and vicinity. The entire duration of your stay in Europe will be 14 days, and the itineraries have been so arranged that each day will be provided for. Except in case of illness or other unavoidable cause it will not be possible for any woman making the pilgrimage to remain in Europe for a longer period than 14 days nor to leave the party with which she is travelling unless she is prepared to pay all of her expenses after leaving the party since the Act of Congress authorizing the pilgrimage specifically states that the government shall not pay the expenses of any woman who willfully leaves her party.

Upon return to the United States each ship will be met in New York City by army officers who will escort the mothers and widows to the trains which will take them home. Before leaving New York each woman will be provided with her return railroad ticket, a sleeping car ticket and funds to cover the cost of meals and other travelling expenses.

Army officers are being used as guides and escorts throughout this entire movement and care has been taken to select officers who will see that proper care is taken of the women who are entrusted to their charge. Arrangements have been made for taking care of women who may be taken sick during the pilgrimage and also to care for the remains of any who may die and provision has been made for returning the remains of any who may die to their homes. It is essential that each woman making the pilgrimage furnish The Quartermaster General with an emergency address of some relative or friend to be notified in the event of an emergency. Medical care will be provided by civilian agencies. If such care is needed in New York City it will be furnished by the hotel physicians or

by local hospitals. Aboard ship, medical care will be provided by the ship's doctors and in Paris arrangements have been made with the American Hospital for the hospitalization and treatment of any women who may need it. In addition to this, six doctors of the regular army will be on duty throughout the pilgrimage.

Baggage will be limited to not to exceed two pieces of hand baggage and the articles taken should be such as will be required for a trip of about one month. Laundry service can be obtained in New York and Paris. Since the climate of Europe is much colder than that of the United States, each woman should provide herself with sufficient warm clothing to stand the motor bus trip and the visit to the cemeteries.

Since it is necessary for this office to make all reservations for your accommodations throughout this pilgrimage, it will be greatly appreciated if you will make prompt reply to any communications received from this office.

For The Quartermaster General:

Very truly yours,

A. D. HUGHES,
Captain, Q. M. Corps,
Assistant.

Your attention is invited to the enclosed copy of an Act of Congress approved March 2, 1929, entitled an Act "To enable the mothers and widows of the deceased soldiers, sailors and marines of the American forces now interred in the cemeteries of Europe to make a pilgrimage to these cemeteries".

From: The Quartermaster General, U. S. Army, (Cemeterial Division)
To: Mr. A. S. Andrews, Muskegon, Michigan.
Subject: Permanent burial in France.

1. In reply to your letter of September 23, 1920, you are advised that inasmuch as the American Cemetery at Mouroux, Department of Seine-et-Marne, in which the remains of your brother, Sgt. William E. Andrews, Hdq. Co., 23rd Infantry, are buried, is only a temporary American Cemetery and must be abandoned at some future date, it will be necessary that the remains of your brother be disinterred and reburied in a permanent American Field of Honor in France if the body is to remain in France.

2. In view of this information of which your mother was not previously aware, it is suggested that she inform this office again whether she desires the remains of her son permanently interred in France in one of the permanent cemeteries or to be returned to this country for private interment as she previously requested. The records of this office will remain unchanged awaiting further advice from your mother.

File # 29318-11008

Col. Charles C. Pierce, Chief,
Graves Registration Service,
Washington, D.C.

Dear Sir:

Some time ago my mother, Mrs. William M. Andrews, filled out a blank requesting the return to this country the remains of my brother, Sergeant William E. Andrews, Head Quarters Company, 23rd Infantry, but since the receipt a few days ago of a photograph from the American Red Cross showing the grave in France, ~~she~~ seems satisfied to leave the remains where they are, and asks that if removal has not already been made, that our previous instructions be withdrawn.

Will you kindly give this your careful attention and let me know what action is taken.

Very truly yours,

A. S. Andrews

Chief Grave Registration Service,

Gentlemen:

My family received notice from the Adjutant General's office at Washington a few days ago to the effect that ~~my brother, Sargeant Wm. E. Andrews, connected with the~~ Headquarters Company of the Twenty-Third Infantry, died of wounds July 1st.

This is all the information we have been able to obtain and naturally we are anxious to find out something relative to conditions surrounding his death, whether or not he had any personal belongings; battle in which he was wounded and where he is burried.

We have been at a loss to know just how to obtain this information but one of the boys who has returned from Overseas' Service has advised us of your department, he having been connected with it for some time.

He intimated that possibly you would be able to give us the information we are seeking so if you can grant us this favor, it will be much appreciated.

Thanking you for any consideration you can give our request and hoping we may hear from you in the near future, I remain

Very truly yours,
