Mrs. Keziah J. Anslow,
32 Wellington Hill St.

Dear Madam:

The Act of Congress of March 2, 1929, as amended May 15, 1930, authorizes pilgrimages to the cemeteries Of Europe during the years 1930, 1931, 1932 and 1933 for the mothers and widows of deceased members of the American forces who were lost or buried at sea or whose remains are interred in Europe.

Your attention is particularly invited to the fact that this is the last opportunity you will have to make the pilgrimage under the provisions of the above mentioned Act. Unless you take advantage of this LAST chance to make a trip in 1933 you will receive no benefit from the Act. There is no provision of law which will permit the Government to make a money allowance to any mother or widow who does not choose to make the pilgrimage.

IT IS REQUESTED THAT YOU GIVE THE MATTER YOUR MOST CAREFUL CONSIDERATION BEFORE REACHING A DECISION, BEARING IN MIND THAT THIS IS THE LAST OPPORTUNITY YOU WILL HAVE TO MAKE THE TRIP AT GOVERNMENT EXPENSE.

In order to assure proper and satisfactory accommodations for the mothers and widows making the journey in 1933, reservations for steamship transportation must be made by this office several months in advance. It is requested that you answer the questions below by writing "Yes" or "No" or "Undecided" in the blank space following the question. When you have answered the question, sign your name and return this sheet in the enclosed addressed envelope which requires no postage. PLEASE DO NOT DELAY, as it is essential that the information be in this office promptly.

This letter is being sent to all eligible mothers and widows who did not make the pilgrimage during the years 1930, 1931 or 1932. There is enclosed a circular of information WHICH YOU SHOULD READ VERY CAREFULLY BEFORE MAKING YOUR DECISION.

Dear Madam:

Reference is made to previous correspondence relative to the pilgrimage to the cemeteries of Europe, authorized by the Act of Congress of March 2, 1929.

It is noted that you feel your age will prevent you from making the journey to the grave of your son, the late Corporal George Anslow. However, it is believed you should feel no hesitancy in making the trip on this account as competent personnel will be provided to care for your comfort and needs and doctors and nurses will be available. In the event you decide to make the trip you are assured that everything possible will be done for your comfort and welfare. During the summers of 1930 and 1931 hundreds of mothers in poor health and of advanced age make the pilgrimage and appear to have benefited therefrom.

Should you desire to take advantage of the offer of the Government during the summer of 1932, it is requested you so notify this office and arrangements will be made accordingly. ②

Dear Madam:

In reply to your letter of the 1st instant, you are advised that the remains of your late brother, Corporal George Anslow, Company D, 28th Infantry, have been permanently buried in Grave 10, Row 7, Block D, Some American Cemetery, Bouy, Department of Aisne, France.

You are assured in effecting removal of the remains of this late soldier to his final resting place, the utmost care and reverence were exercised and more than willingly accorded by those who performed this sacred duty. The grave of the deceased will be perpetually maintained by this Government in a manner befitting the last resting place of our heroes.

The Department is advising relatives of new grave locations or changes in grave numbers as expeditiously as is practicable and will continue until all have been advised.

My dear Mr. Weeks,

Five years ago, when my brother the late Corporal George Anslow was killed in France my mother and father received a very kind letter of sympathy from you in which you stated that if you could be of any service to them at any time to call on you.

We would like to enlist your services now.

After the war was over we were sent the location and number of my brother's grave in the cemetery at Viller Tournelle. This week we have received a letter from a friend travelling in France telling us that his grave is no longer in Villier Tournelle. but that the body has been reinterred in the Amer. Cty. at Bony.

It does seem as though we should have received word from the war department of the transfer of his body to the cemetery at Bony. Can you set in motion the necessary activities to notify us of the location and number of my brother's grave at the cemetery in Bony? If you will be so kind, you will be giving a great deal of comfort to his aged mother and father and to his sisters and brothers.

Most gratefully yours,

Miss Keziah J. Anslow.

Mr. Robert J. Anslow,

Dear Sir:

It is requested that you advise this office if the late Corporal George Anslow, Serial No. 57168, Company D, 28th Infantry, is survived by a widow and children; and if so, kindly furnish name and address of each.

The above information is necessary due to the fact that instructions for the disposition of the remains will be issued by this office only upon the properly executed authority of the legal next of kin; and in this case, if the soldier was married, the widow (and if she has remarried, the children of the late soldier) would be the legal next of kin.

If the deceased is not survived by any of the above mentioned persons, it is requested that you state definitely if you wish the body of your late son left in France for burial in an American National Cemetery, or returned to the United States and shipped to you, or interred in the National Cemetery at Arlington, Virginia.

An early reply from you, using the enclosed envelope which requires no postage, will be appreciated.

I saw his grave a month after the drive when I came out of the hospital. The grave is 1/2 kilometer from the town. It is marked by a white cross of plain pine wood with the name printed in black, and with the identification tag. It is under a small apple tree. There are about 23 graves in the same place. It is down a ravine. The apple tree is one of a clump of trees in an open wheat field."

Charles C. Pierce,

Chief, Graves Registration Service,

Dear Sir,

For my family, I want to thank you for the information concerning the location of my brother's grave. It has been weary waiting to learn these facts; and after the lapse of nearly a year and a half since his death, we had begun to think we might never know. Hence the information is doubly precious.

As the family has decided not to have my brother's body

brought home, may we not hope
that soon we shall have a
photograph of his grave for-
warded to us?

Again thanking you, I beg to
remain.

Gratefully yours,

Adjt. General,
War Department,
Washington, D. C.

Dear Sir,

Can you inform me if there is any way in which we can obtain the location and grave number of my brother the late Corporal George Quislow. He was a member of D Company 28th regiment and was reported killed at Cantigny May 28, 1918. As it is

is nearly a year and a half
since his death we feel
that we have given the
department a fair amount
of time to notify us of these
two things.

We shall be deeply grate-
ful for any information
which you may be able
to obtain for us.

Thanking you, I beg to
remain,

Very sincerely yours,

// Heziah J. Ginslow

Maj. Gen. E. F. McGlachlin
Com. 1st Division.

Dear Sir.

On May 28, 1918, my brother was reported "killed in action". Since that time we have received no word of any kind from any one. We wrote to his commanding officer and the chaplain of the regiment; possibly the letters were never received by them for they brought no reply.

Now I am writing to you to find out for us if you can through your command, the two things we want to know. In what engagement he was killed, and if his body was buried, where it was buried. My brother was Corporal George Anslow, Co. D, 28th Infantry. You will be conferring a very great favor upon the family if you can find time to do this for us.

Thanking you, I beg to remain,

Most gratefully yours,
