Dear Sir:

Receipt is acknowledged of your letter of December 7th, furnishing information requested in connection with the pilgrimage of mothers and widows to the cemeteries of Europe.

It has been held that in order for a woman to be eligible to make a pilgrimage as a stepmother, she must have been married to the father of a veteran at the time of the enlistment and death of the veteran. It does not appear that any of your wives can qualify as a stepmother and accordingly no arrangements can be made for a visit to the grave of your son at the expense of the Government.

Very truly yours,

Mrs. Carrie Archer,  
845 East Moyer St.,  
Philadelphia, Pa.

Dear Madam:

The Quartermaster General desires that you be informed that the permanent grave of the late Bugler Edward L. Archer, Company "C", 315th Infantry, is Grave #5, Row #13, Block B, Meuse-Argonne American Cemetery, Romagne-sous-Montfaucou, Department of the Meuse.

This is one of the permanent American military cemeteries to be maintained by this Government in Europe. Each grave will be marked by a headstone of white marble, of suitable design, with name; rank, organization, date of soldier's death and State from which he came. The headstones will be placed at all graves in connection with the improvement work now in progress, as soon as possible and without waiting for special action or request on the part of relatives.

In effecting removal, the utmost care and reverence were exacted and more than willingly accorded by those performing this sacred duty. The grave of the deceased will be perpetually maintained by this Government in a manner befitting the last resting place of our heroes.

Very truly yours,

H. J. Connor,  
Assistant.
