Dear Madam:

Your attention is invited to the enclosed copy of an Act of Congress of March 2, 1929, together with an amendment thereto, approved May 15, 1930.

This office has no record of any person entitled under the Act mentioned to make a pilgrimage to the cemeteries in Europe as the mother or widow of the above named deceased service man. To complete the list of eligibles and to assure that, if the above named man is survived by a mother or widow entitled to make a pilgrimage she receive an invitation to do so, it is requested you answer the following questions in the space provided on this letter and return to this office in the enclosed envelope which requires no postage.

1. Is the deceased survived by a mother?

If so, give her name and address:

no

2. Is the deceased survived by a widow who has not remarried?

If so, give her name and address:

no

3. Is the deceased survived by any woman who stood in loco parentis to him according to the terms of Section 4 (a) of the enclosed Act as amended?

If so, give her name and address:

no

Dear Madam:

Your attention is invited to the enclosed copy of an Act of Congress approved March 2, 1929, entitled an Act "To enable the mothers and widows of the deceased soldiers, sailors and marines of the American forces now interred in the cemeteries of Europe to make a pilgrimage to these cemeteries".

The records of this office show that you are the widow of the late Private Peach Armentrout, Co. E, 127th Inf., whose remains are now interred in the St. Mihiel American Cemetery, Thiaucourt, Meuse-et-Moselle, France.

Will you please advise this office whether or not he is survived by a mother who is entitled under the provisions of the above quoted Act, to make the pilgrimage, and if so, will you please furnish her full name and address in order that action may be taken to extend an invitation to her to make the pilgrimage. Both mothers and widows are entitled to make the pilgrimage.

Your attention is particularly invited to Section 4 of the enclosed Act, which defines the terms "mother" and "widow". If the relationship is that of a stepmother, mother through adoption or a woman who stood in loco parentis to the decedent, a statement as to her relationship is requested. In case you have remarried it is also requested that a statement to that effect be made.

For your reply, you may use the enclosed envelope which requires no postage.

For The Quartermaster General,

Very truly yours,

INSTRUCTIONS FOR THE PROPER COMPLETION OF G. R. S. FORM NO. 16-A

Enter information, as noted below, on reverse side of sheet in the *corresponding numbered space*. This form is supplemental to and is to be forwarded with G. R. S. Form 1-a, reporting reburial locations. To be used in answer to Question 26, Form 114, in case no means of identification on body.

1. Show soldier's name, serial number, rank and organization, and by whom disinterred and reburied.

2. Give date and accurate information as to location from which the body was disinterred and the group and unit which made disinterment.

3. Give date and accurate information as to location of reburial and the group and unit which made reburial, and how reburial was made—in casket, wooden box, etc.

4. State to what degree decomposition has progressed, whether recognition is possible, and how the body was originally buried—in a casket, box, burlap, etc. This statement should be as complete as possible.

5. (a) State whether identification tags were found buried with body and on grave marker by reporting "Yes" or "No".

(b) State whether or not body appears to have been a hospital case. Were any identifying articles found in or on body or grave? List any personal effects, letters, money-order receipts, and the like found on body or in grave. Give any and all information which it is thought might be of use in identifying the body, other than that tabulated under Item No 6.

6. Give all information as to body description and dental chart as nearly correctly as the condition of the body will allow. Items (e) and (f) under the body description are very important and should be very complete. The dental chart is also very important and should be filled in with great care. There are 32 teeth to be accounted for, as shown by the numbers on the chart. Beginning at the middle line in both upper and lower jaws, the teeth are arranged symmetrically on either side and classed as incisors (cutting teeth), cuspids or canines (tearing teeth), bicuspids (chewing teeth), and molars (principal chewing teeth). An examination should be made and findings charted to cover the following basic conditions: Lost teeth, crowned teeth, bridge work, fillings, caries (cavities of decay), dentures (plates), and any deformity of jaws found.

MISSING TEETH.

All teeth missing through previous extraction (not those fractured or displaced by recent wounds) should be scratched out, thus:

CROWNED TEETH

Block in solid the crown of tooth (label gold, porcelain, or gold and porcelain), thus:

BRIDGE WORK

Block in solid the crown of tooth (label gold bridge, gold and porcelain bridge) thus:

FILLINGS

Draw filling on tooth accurately as possible (block in and label gold, silver, cement), thus:

CARIES (CAVITIES)

Outline location and size of cavity, shade in thus:

DENTURES (PLATES)

Draw diagram of relative size and shape of plate block in teeth attached and indicate retaining clasps on natural teeth with the word "clasp"

7. Show name of person supervising the disinterment and the name and title of the person approving same.

8. Show name of person supervising the reburial and the name and title of the person approving same.
