No. 293,3-C

March 4, 1918.

From: The Quartermaster General of the Army.

To: Mr. James J. Astall, 2316 Avenue G, Galveston, Texas.

Subject: Shipment home of remains of **Private Douglas H. Astall, 475th Aero Construction Squadron, Aviation Section, Signal Corps.**

1. This office is in receipt of your letter of recent date requesting shipment to you at Galveston, Texas, of the remains of your son, Douglas H. Astall, Pvt., 475th A.E.S., Av. Sec., S.C., who died February 21, 1918, in France.

2. In reply I regret to inform you that it will be impracticable to comply with your request as the Secretary of War has decided, on the recommendation of the Commanding General of the American Expeditionary Forces, that bodies of deceased officers and soldiers will not be shipped from France to the United States during the continuance of the War. This policy has been adopted in view of the difficulties in shipping the remains home, and the Department is unable to deviate from the policy which has been adopted.

3. You are advised, however, that if in the future it is found to be practicable to ship the remains home in accordance with your request, it will be done. If your address as indicated above is not correct, or you should desire that your request for shipment home of the remains be canceled, this office should be advised accordingly.

4. Under existing regulations the necessary steps will be taken by the military authorities in France to mark the grave of each soldier who dies or is killed in battle, and to register the number and location of the grave and to establish beyond a doubt their identity should it become desirable subsequently to disinter the remains for removal to the United States.

Acting Quartermaster General.
