Mrs. Beatrice Attaway
412 Franklin St.
Dublin, Ga.

Dear Madam;

There are enclosed herewith two tags and four identification pasters which have been prepared for the purpose of protecting your baggage while in transit, and to insure its safe arrival at the hotel where you are to stop in New York City. Please attach the tags to the handle of each piece of your baggage and place a paster on each end of each piece of your baggage before leaving your home.

Upon your arrival in New York City, you will be met at the railroad station by an Army Officer who will be in uniform. During your sojourn in New York before sailing for Europe, and upon your return from Europe, you will stop at the Hotel McAlpin, Broadway and 34th Street, New York City.

All mail intended to reach you between May 27th, 1931, the day you sail from the United States, and June 16th, 1931, the day you leave Europe, should be addressed to you in care of American Pilgrimage, 146 Avenue des Champs Elysees, Paris, France; for example:

Mrs. Mary Smith,
c/o American Pilgrimage,
146 Avenue des Champs Elysees,
Paris, France.

In making reservations for your journey home from New York City, it is necessary for this office to furnish the railroads with the exact time and date of your departure. The party you are to travel with will be disbanded in New York City on the day following your return from Europe and all arrangements for your accommodations will be made with the railroads by this office accordingly. Upon your return from Europe, it will therefore be necessary for you to remain in the hotel over night as a guest of the United States Government.

There is also enclosed herewith information relative to the cemeteries in Europe.

Very truly yours,

George F. R. Taylor

Dear Mrs. Attaway:

I have the letter of recent date which you and other mothers and widows who sailed May 27th were so kind as to send me in appreciation of the pilgrimage you made to the cemeteries of Europe in honor of loved ones who lost their lives at sea during the late war.

The pilgrimage was authorized by Congress in an endeavor to bring a measure of comfort and solace to the hearts of the mothers and widows whose sons and husbands made the supreme sacrifice for their country, and it would seem from the generous expressions contained in the letter that the effort has not been in vain.

I am delighted to know that you were pleased with the arrangements made for your comfort and welfare and that the personnel as a whole rendered such satisfactory and commendable service. The Quartermaster Corps is proud of the honor bestowed upon it by being charged with the conduct of these pilgrimages and has expended every effort that those making the trip might have a comfortable and pleasant journey. I feel, however, that the task has been materially lightened by the wonderful spirit of cooperation and consideration shown by the mothers and widows.
