October 27, 1932

Mrs. Alice Boudreaux,
P. O. Box 242,
Baldwin, La.

Dear Madam:

I have your letter of October 18th, expressing your appreciation of the pilgrimage to the grave of your husband, the late Private Thomas Boudreaux, and making inquiry as to whether or not you could be reimbursed for the care you rendered Mrs. Pierre Aucoin while on the pilgrimage, to offset the loss of \$100.00 sustained by you while enroute to New York.

It is indeed gratifying to know that the officers of the Army and the other personnel connected with the pilgrimage rendered such courteous and efficient service. The Quartermaster Corps is proud of the honor bestowed upon it by being charged with the conduct of these pilgrimages and has expended every effort that those making the trip might have a comfortable and pleasant journey. I feel however, that the task has been materially lightened by the wonderful spirit of cooperation and consideration shown by the mothers and widows.

You are assured the American cemeteries in Europe will be forever maintained in the same fine condition in which you found them, as it will be the constant effort of the Quartermaster Corps to make them fitting resting places for the heroes buried there.

With reference to your securing payment for the care and consideration accorded Mrs. Aucoin, you are advised office letter of July 11 to Mrs. Aucoin was intended to assure this pilgrim that another pilgrim spoke the French language and would be able to converse with her while on the pilgrimage. It has been the policy to quarter women speaking the same language together. Experience has shown that the pilgrims quickly become friends, and such an arrangement is made in the belief that women speaking a common language and with a common cause in view, might find mutual enjoyment in being together. While the services rendered Mrs. Aucoin no doubt added materially to her enjoyment of the pilgrimage, you were under no obligation to this pilgrim at any time.

QM 295 A-M
Boudreaux, Thomas (MA)

-2-

I appreciate your desire to find some means of offsetting the loss of funds, however, inasmuch as your services in caring for Mrs. Aucoin were entirely voluntary, it is regretted to advise there is no provision of law which will permit the Government to reimburse you.

Very truly yours,

J. L. DOWITT,
Major General,
The Quartermaster General.

Referring to your request that the remains of the deceased soldier named above be left undisturbed, you are advised that the cemetery in which the body is now buried is a temporary one. It will be necessary, therefore, to remove it to the nearest permanent American Cemetery where the grave will be marked by a suitable headstone and will be perpetually maintained in the most reverent and careful manner by our Government as a memorial to the late soldier's supreme sacrifice.

After the body has been reinterred in one of the permanent American cemeteries you will be notified of its final resting place. You are assured that the Government will never forget your priceless gift to the cause of freedom.
