Dear Madam:

This letter is in further reference to your eligibility to make a pilgrimage to the cemeteries of Europe, authorized by the Act of March 2, 1929, as amended May 15, 1930.

As stated in office letter of September 9, 1929, you were not eligible to make a pilgrimage to the grave of the late Private Willie Arnold, under the provisions of the original Act. However, you are advised that Section 4 (a) of the Act of March 2, 1929 was amended May 15, 1930, to read in part as follows: "--or any woman who stood in loco parentis to the deceased member of the military or naval forces for a period of not less than five years at any time prior to the soldier, sailor or marine becoming 18 years of age."

In order to satisfy legal requirements it will be necessary for you to furnish as proof of your relationship, in loco parentis, the affidavits of at least two persons not related to you.

In the event you consider yourself eligible under the law as amended, to make the pilgrimage, it is requested that the inclosed form be completed and returned to this office in order that your eligibility may be determined. Under paragraphs 1 (c) and 1 (d), sufficient information should be included to permit an intelligible decision as to eligibility.

Dear Madam:

Receipt is acknowledged of the form letter from this office dated July 30, 1929, completed by you, furnishing information requested relative to the Gold Star Mothers' and Widows' Pilgrimage to Europe.

It is assumed you desire to make the pilgrimage to the grave of the late Private Willie Arnold under the provisions of Section 4 (a) of the Act of Congress approved March 2, 1929, which states in part "or any woman who stood in loco parentis to the deceased member of the military or naval forces". In determining who is meant by the phrase "who stood in loco parentis", this phrase has been given its usually accepted legal meaning and it has been held that:

- (a) A person cannot stand in loco parentis to an adult who is not incapacitated either mentally or physically.
- (b) In order for a woman to occupy such a status towards a minor or incapacitated adult, she must act the part of a lawful father of such person in performing the duty of providing for him, intending thereby to take the place of the father in this particular.
- (c) In order to receive the benefits of the Act in question, one must have occupied the status toward a particular deceased member of the military or naval forces "for the year prior to the commencement of his service in such forces".

The records indicate that the late Private Willie Arnold was 25 years of age when he entered the military service. As there is a positive showing that the soldier in question was not incapacitated either mentally or physically at the time of his entry into the military service and that he was more than 21 years of age, it is not possible for you to have stood in loco parentis to him within the meaning of the Act, for the year immediately preceding the commencement of his service in the Army. It is therefore regretted to advise you that you are ineligible to make the pilgrimage.

For The Quartermaster General,

Very truly yours,

JOHN T. HARRIS,
Major, G. M. Corps.
