Dear Sir:

Your attention is invited to the enclosed copy of an Act of Congress approved March 2, 1929, entitled an Act "To enable the mothers and widows of the deceased soldiers, sailors and marines of the American forces now interred in the cemeteries of Europe to make a pilgrimage to these cemeteries".

The records of this office show that you are the uncle of the late Private Andy Baczynski, Company B, 117th Infantry, whose remains are now interred in the Somme American Cemetery, Bony, Aisne, France.

Will you please advise this office whether or not he is survived by a mother or widow who is entitled under the provisions of the above quoted Act, to make the pilgrimage, and if so, will you please furnish the full names and addresses of the mother and widow in order that action may be taken to extend invitations to them to make the pilgrimage. Both mothers and widows are entitled to make the pilgrimage.

Your attention is particularly invited to Section 4 of the enclosed Act, which defines the terms "mother" and "widow". If the relative is a stepmother, mother through adoption, or any woman who stood in loco parentis to the decedent, a statement as to her relationship is requested. If he was survived by a widow who has since remarried it is also requested that a statement to that effect be made.

For your reply, you may use the enclosed envelope which requires no postage.

Very truly yours,

Dear Madam:-

The American Government is undertaking to remove the bodies of its soldiers who died in the late war to such places as the relatives may desire, and accordingly you are requested to advise whether you wish the body of your late son, Private Andy Baczynski, United States Army, to remain buried in France, in the care and custody of the United States, or delivered to you for reburial in Poland, or returned to the United States and placed in the National Cemetery at Arlington, Virginia, where the grave is assured constant care by the American Government. WAR DEPARTMENT
OFFICE OF THE QUARTERMASTER GENERAL OF THE ARMY

FROM: The Quartermaster General, U.S. Army, (Cemeterial Division).
TO: The relatives of our dead.
SUBJECT: Participation of patriotic societies in funerals.

1. The American Legion has expressed its desire to render any possible aid and comfort to relatives of our soldier dead returned from Europe for burial at their homes, and to honor their fallen comrades through participation in the funeral ceremonies. To this end the Legion requested this office to furnish the National Headquarters with the names and addresses of next of kin, approximate date of return and other data. This information cannot be furnished to others than relatives of the dead, since it is peculiarly their property and its dissemination to others would be a violation of our obligation to them and to the dead.

2. The desire of the American Legion is brought to your attention in order that, should you wish any aid from the organization or that it participate in the funeral of your soldier dead, you may bring the matter to the attention of the commander of the local post, or if there be no local post, to the attention of the National Adjutant, American Legion, National Headquarters, Meridian Bldg., Indianapolis, Ind.

3. It is understood to be the intention of the National Headquarters, American Legion, in case there is no local post in the immediate vicinity of the intended burial place of any returned soldier's remains, to direct the nearest post to take action on those cases where relatives so request.

4. The American Red Cross desires also to render comfort to the relatives of our dead, through their local chapters, which are in operation in almost every town. We are sure they will be glad to serve whenever they may be called upon.

5. The same is doubtless true concerning the other welfare organizations which were officially recognized during the World War and are still in operation, as well as other military associations which are locally established.

1.- It would be likely to involve further delay if we should write personal letters in each of the many cases of notification of relatives as to the present resting places of their noble dead who glorify the nation's roll of honor.

2.- Will you therefore, please accept this letter as being the best we can do, just now? And will you also accept the sympathy of those who have been working hard for many months to render worthy service to tens of thousands of sorrowing people, in the care of their dead?

3.- Many delays in notification have resulted from our ignorance of proper addresses, shortage of clerical personnel, incomplete and imperfect information, or non-delivery and return of former letters.

4.- Thousands of bodies have been transferred to larger and better cemeteries, for reasons which were deemed imperative by the military authorities of all the Allied Nations, and the great task of improving these cemeteries is well under way. The most diligent care has been exercised to insure accuracy, and this immense project is being carried through as an unquestionable service to the friends of our dead.

5.- In serving you and others, we have been hampered by conditions and consequences of such a war as we hope may never involve our country again.

CHARLES C. PIERCE,
Colonel, Q. M. Corps,
Chief, Graves Registration Service.
