INSTRUCTIONS.

75 x 1
1. *Opening of record.*—When a soldier is enlisted or reenlisted a service record on this form will be opened for him by the recruiting officer, who will fill out the Descriptive List, page 2, the Prior Service, and the first part of Current Enlistment, page 3. Other data called for by the printed headings or by these instructions will be supplied from time to time as occasion arises by the soldier's company or detachment commander, care being taken to make the record complete and to keep it up to date at all times.

2. *Forwarding to first station.*—When a soldier is sent from the recruit depot to a post, camp, or regiment, for assignment, the adjutant, or other designated officer, at the depot will fill out the first indorsement and turn the service record over to the officer or noncommissioned officer in command of detachment of departing recruits; or, if no officer or noncommissioned officer be placed in command, the service record will be forwarded by mail to the proper commanding officer.

3. *Transmission to company.*—Upon assignment of a soldier to a company, the post, camp, or regimental commander will transmit the service record to the commanding officer of the company to which he is assigned, detaching the report of assignment and forwarding same to The Adjutant General of the Army.

4. *Soldiers transferred or detached.*—When a soldier is transferred or detached from his company, the company commander will fill out the second indorsement and transmit the service record to the soldier's new commanding officer in the manner prescribed in paragraph 2, above, in the case of soldiers leaving recruit depots. Subsequent indorsements will be filled out as the soldier's change of station or status requires, the original service record thus following the soldier wherever he goes. Each commanding officer forwarding the service record will retain an official copy of his indorsement, to which will be added the name of the soldier for purpose of identification.

5. *Data to be included in indorsements.*—Each indorsement will give the reason for the soldier's change of station or status, and his character, and will contain a full statement of his accounts at the time. Under the heading "Due United States" will be noted all authorized stoppages for loss of or damage to Government property or supplies; amounts due on account of allotment, post exchange, post laundry, tailor, company fund, or transportation; and stoppages, including detained pay, under sentence of a court-martial and on account of absence from duty because of disease resulting from the soldier's own intemperate use of drugs or alcoholic liquor, or other misconduct. In short, all information required to be entered on muster roll and pay roll will be incorporated in the indorsement on the service record, the wording of the indorsement conforming to model remarks for such rolls prescribed by the War Department.

6. *Soldiers furloughed to reserve.*—When a soldier is furloughed to the reserve, his service record will be forwarded by indorsement to the officer charged with keeping his records as a reservist. If the soldier is detached from his company at the time he is furloughed to the reserve, a copy of the indorsement forwarding the service record will be furnished his former company commander without delay.

7. *Soldiers discharged, etc.*—When a soldier is discharged or otherwise separated from the service without being furloughed to the reserve, his service record will be closed and filed with records of his company. If he is absent from his company at the time, the officer under whom he is serving will promptly transmit the service record to the company commander for file. The service record of a soldier discharged or otherwise separated from the service while in the reserve, will be closed and filed by the officer charged with keeping the reservist's record.

8. *Record of court-martial.*—When the service record of a soldier shows a sentence by court-martial, it will be accompanied by an authenticated copy of the record of summary court-martial, or by an official copy of the order promulgating sentence in case of conviction by a general or special court-martial.

9. *Procedure in case of lost record.*—In the event that a service record is lost a report of the fact will be made to The Adjutant General of the Army, who will start a new service record, transmitting same to the recruit depot or station at which the soldier was enlisted. The new record will then be forwarded in turn to the commanding officers of the companies in which the soldier has served during current enlistment, each commanding officer repeating the indorsement required by paragraph 4, and making appropriate entries in the body of the record. Pending receipt of the new service record the soldier's pay and duty status will be determined from the data shown on the last pay roll on which his name appears, and from other records of the company or detachment with which he last served.

10. *Changes in entries.*—Erasures of entries on a service record are prohibited. All changes in original entries must be made by drawing lines through the entries and each change will be duly authenticated by the signature of the officer making it, the reason for the change being stated.

11. *Additional space for entries.*—In case the space under any heading, except "Deposits" in the body of the record proves insufficient, the entry will be continued under "Remarks," page 5. If the space under "Remarks" or "Deposits" is insufficient, additional sheets will be securely pasted at the bottom of the page, as indicated by footnote. If the space for showing change of station or status in an indorsement is insufficient, the entry will be continued under "Due United States." One indorsement may, if necessary, occupy the space allotted to two. If there be more than 12 indorsements, an additional sheet will be securely pasted at the bottom of the last page of the form, as indicated by footnote. Under no circumstances will sheets or slips of paper be pasted or attached to a service record except as provided above.

12. *Initialing of entries.*—Each entry under "Military Record," pages 4 and 5, "Clothing Account," pages 6 and 7, and "Allotments," page 7, will be initialed by the recruiting officer or company commander, as the case may be. Where there are no data of record relating to a printed heading, the space under that heading will be left blank, except that in case of transfer to another organization or furlough to the reserve the company commander will insert his initials in such blank spaces to show that he has not overlooked the entries. Negative entries, such as "None," "Nothing," etc., will not be made in any part of the form except as required for street and house number and indorsements.

INSTRUCTIONS.

1. When articles of clothing and equipment are issued to an enlisted man they will be entered in the "issue" column, with the date of issue entered in figures (e. g., 10/30/17) on the date line. The column will be initialed by the witnessing officer and, except in the case of issue of clothing, by the soldier, a line being drawn through each blank space in the column by the witnessing officer. When articles are first issued to an enlisted man the sizes that have been determined to be the proper ones will be entered in column headed "size."

2. When articles are turned in, lost, damaged, or destroyed, they will be entered in a column under the heading "Turned in," and the column completed and initialed by an officer and the soldier as in the case of issues. The officer who receives the articles turned in or enters the articles lost, damaged, or destroyed on statement of charges will initial the column. (117, 685-687, A. R.)

3. When an individual equipment record form is filled a new one will be started and the old record retained with the individual clothing slips (Q. M. C. Form No. 165) pertaining thereto, until the next inspection by an inspector, after which all filled individual equipment records and clothing slips may be destroyed. When a new equipment record is started the number of articles transferred will be entered in first issue column of new record, and the column initialed as prescribed in paragraph 1.

4. No record will be made of a transaction where an article is turned in and replaced by a like article at the same time.

5. When a soldier is transferred or detached from his company the word "canceled" will be written in columns showing articles issued and turned in to date. The articles which the soldier carries with him, or for which he is indebted to the United States, will then be entered in the next issue column; the column being initialed by the soldier and witnessing officer, as prescribed in paragraph 1. These articles, except clothing and individual mess equipment, will be entered on Form No. 600, A. G. O., as required by paragraph 681-O, A. R. The individual equipment record will be forwarded with the service record to the soldier's new commanding officer.

November 25th, 1918.

Mrs. Eunice Harris Badger,
1609 Jefferson Street,
Tampa, Florida.
U.S.A.

My dear Mrs. Badger:

It is with deep regret that I must confirm the message which you will doubtless already have received from the War Department, and inform you that Private Norman Badger, Co. D, 546th Engineers Service Battalion, is to be numbered among those who have given their lives for their country, and for the cause of human freedom.

I hope you will always realize, as do we his former comrades, that the fact that his sacrifice was not, as it happened, made upon the field of battle, takes away nothing from its glory, nor from his claim to a soldier's renown.

As a matter of fact he fell a victim, on the fifth day of October last, to a disease which claimed a number of his comrades with him, and the same day was buried, with full military honors, in mid-ocean. As the Company to which he belonged sailed on a different ship from the rest of the battalion, it was not possible for me to conduct his funeral service, at which the Rev. Mr. McPherson of the Y.M.C.A. officiated. The service was, however, attended by all the members of his company, and by the officers under whom he served.

In regard to this disposition of his effects, the payment of his insurance, and so on, you will be notified in due time by the proper Government authorities.

As one who should have been, in ordinary circumstances, his pastor, may I venture to remind you that, though your dear one is gone from his sight, you should not, as a Christian, think of him as dead, but rather as having gone before you to a land where the devotion to duty which he manifested in the service of his earthly country will, we may be sure, be turned to good account in the service of Him who said, "God is not a God of the dead, but of the living: for to Him all are living".

With heartfelt sympathy in your loss, believe me

Yours in the love and Faith of Jesus Christ:

Dear Madam:

The Act of Congress of March 2, 1929, as amended May 15, 1930, authorizes pilgrimages to the cemeteries Of Europe during the years 1930, 1931, 1932 and 1933 for the mothers and widows of deceased members of the American forces who were lost or buried at sea or whose remains are interred in Europe.

Your attention is particularly invited to the fact that this is the last opportunity you will have to make the pilgrimage under the provisions of the above mentioned Act. Unless you take advantage of this LAST chance to make a trip in 1933 you will receive no benefit from the Act. There is no provision of law which will permit the Government to make a money allowance to any mother or widow who does not choose to make the pilgrimage.

IT IS REQUESTED THAT YOU GIVE THE MATTER YOUR MOST CAREFUL CONSIDERATION BEFORE REACHING A DECISION, BEARING IN MIND THAT THIS IS THE LAST OPPORTUNITY YOU WILL HAVE TO MAKE THE TRIP AT GOVERNMENT EXPENSE.

In order to assure proper and satisfactory accommodations for the mothers and widows making the journey in 1933, reservations for steamship transportation must be made by this office several months in advance. It is requested that you answer the questions below by writing "Yes" or "No" or "Undecided" in the blank space following the question. When you have answered the question, sign your name and return this sheet in the enclosed addressed envelope which requires no postage. PLEASE DO NOT DELAY, as it is essential that the information be in this office promptly.

This letter is being sent to all eligible mothers and widows who did not make the pilgrimage during the years 1930, 1931 or 1932. There is enclosed a circular of information WHICH YOU SHOULD READ VERY CAREFULLY BEFORE MAKING YOUR DECISION.

October 10, 1919.

From: The Adjutant General of the Army.
 To: Mrs. Emice H. Badger, 1609 Jefferson Street, Tampa, Florida.
 Subject: Private Norman Badger, Company D, 546th Engineers.

With further reference to the communication recently sent you by the War Department, I beg to state that, as indicated by that letter, the representatives of our deceased soldiers are being called upon for an expression of their desires regarding the final disposition of the bodies. It happened in a few instances that the names of relatives of soldiers who were buried at sea were placed among the names of relatives of soldiers who are now buried over seas, which fact accounts for your having received the communication.

In expressing regret for the occurrence, the Department desires to commend you for the contribution to the cause for which your husband, Norman Badger, gave his life.
