INSTRUCTIONS.

1. When articles of clothing and equipment are issued to an enlisted man they will be entered in the "issue" column, with the date of issue entered in figures (e. g., 10/30/17) on the date line. The column will be initialed by the witnessing officer and, except in the case of issue of clothing, by the soldier, a line being drawn through each blank space in the column by the witnessing officer. When articles are first issued to an enlisted man the sizes that have been determined to be the proper ones will be entered in column headed "size."

2. When articles are turned in, lost, damaged, or destroyed, they will be entered in a column under the heading "Turned in," and the column completed and initialed by an officer and the soldier as in the case of issues. The officer who receives the articles turned in or enters the articles lost, damaged, or destroyed on statement of charges will initial the column. (117, 685-687, A. R.)

3. When an individual equipment record form is filled a new one will be started and the old record retained with the individual clothing slips (Q. M. C. Form No. 165) pertaining thereto, until the next inspection by an inspector, after which all filled individual equipment records and clothing slips may be destroyed. When a new equipment record is started the number of articles transferred will be entered in first issue column of new record, and the column initialed as prescribed in paragraph 1.

4. No record will be made of a transaction where an article is turned in and replaced by a like article at the same time.

5. When a soldier is transferred or detached from his company the word "canceled" will be written in columns showing articles issued and turned in to date. The articles which the soldier carries with him, or for which he is indebted to the United States, will then be entered in the next issue column; the column being initialed by the soldier and witnessing officer, as prescribed in paragraph 1. These articles, except clothing and individual mess equipment, will be entered on Form No. 600, A. G. O., as required by paragraph 681-O, A. R. The individual equipment record will be forwarded with the service record to the soldier's new commanding officer.

Brownsville, Texas.

Dear Sir:

Your attention is invited to the enclosed copy of an Act of Congress approved March 2, 1929, entitled an Act "To enable the mothers and widows of the deceased soldiers, sailors and marines of the American forces now interred in the cemeteries of Europe to make a pilgrimage to these cemeteries".

The records of this office show that you are the father of the late Private Eddie Barbee, Co. E, 809th Pion. Inf., whose remains are now interred in the Suresnes American Cemetery, Suresnes, Seine, France.

Will you please advise this office whether or not he is survived by a mother or widow who is entitled under the provisions of the above quoted Act, to make the pilgrimage, and if so, will you please furnish the full names and addresses of the mother and widow in order that action may be taken to extend invitations to them to make the pilgrimage. Both mothers and widows are entitled to make the pilgrimage.

Your attention is particularly invited to Section 4 of the enclosed Act, which defines the terms "mother" and "widow". If the relative is a stepmother, mother through adoption or any woman who stood in loco parentis to the decedent, a statement as to her relationship is requested. If he was survived by a widow who has since remarried it is also requested that a statement to that effect be made.

For your reply, you may use the enclosed envelope which requires no postage.

For The Quartermaster General,

Very truly yours,

JOHN T. HARRIS,

Dear Sir:

The Quartermaster General desires your attention be invited to office letter of October 5, 1928, in which information was requested as to your wishes with respect to the removal of the body of your son, the late Private Eddie Barbee, to one of the permanent American cemeteries in Europe.

As this office is desirous of definitely determining the final status of these isolated cases, and due to the fact that the work must be completed before the end of the current year, it will be appreciated if you will furnish the information called for at an early date. Please address your reply to The Quartermaster General, Washington, D. C., and quote the above file number.

Mr. Cyrus Barbee,
R.F.D. #5, Box 50,
Brownsville, Tenn.

Dear Sir:

In view of the fact that the work on the American Cemeteries in Europe will be completed by the end of the present year and the bodies of the World War dead, remaining overseas, will be practically all concentrated in these cemeteries, The Quartermaster General desires to ascertain your wishes in connection with the body of your son, the late Private Eddie Barbee. On June 11th, 1921 you advised this office that it was your wish that your son's grave be not disturbed, and you relieved the Government of all responsibility for the care and upkeep thereof. However, before the final work in the cemeteries is completed, it is again desired to call your attention to this matter, as it is thought you may have changed your mind and may now desire to have your son re-buried in one of these permanent cemeteries where his grave may be assured of perpetual care.

These cemeteries, eight in number, which will be perpetually maintained by this Government are located in France, England and Belgium and have been beautified with trees, shrubs, lawns and walks, making them a fitting final resting place for our soldier dead. Each grave will be permanently marked with an appropriate white marble headstone, inscribed with the name of the soldier, his rank, regiment, division, date of death and the State from which he came, these headstones being erected without necessity for any special action or request on the part of relatives.

This inquiry is made at this time, inasmuch as it has been brought to the attention of this office, that in many cases these undisturbed isolated graves are not being properly cared for and that the crosses on same are either illegibly marked or in poor condition. In view of the fact that the Government has been relieved of the responsibility for these graves, this office is unable to rectify this condition unless permission is given to remove the bodies to the permanent cemeteries. If you are desirous of availing yourself of this opportunity to have your son's body placed among his comrades and where his grave will always receive reverential care, kindly advise this office to that effect at an early date, as upon completion of the present work the Government employees now in Europe will be withdrawn and it will not be possible to undertake the action suggested.

Sincerely yours,

J. McCLINTOCK,
Major, Q. M. Corps,
Assistant.
