Miss Mary A. Barry,
2855 Grand Concourse,
New York City.

Dear Madam:

Receipt is acknowledged of your letter of July 10, 1929, relative to your eligibility to visit the grave of your brother, the late Private, first class, Bernard Barry, Co. B, 165th Infantry, who is buried in the Oise-Aisne American Cemetery in France.

It is noted you request this privilege under the provisions of Section 4 (a) of the Act approved March 2, 1929, which states in part "or any woman who stood in loco parentis to the deceased member of the military or naval forces". In determining who is meant by the phrase "who stood in loco parentis" this phrase has been given its usually accepted legal meaning and it has been held that:

(a) A person cannot stand in loco parentis to an adult who is not incapacitated either mentally or physically.

(b) In order for a woman to occupy such a status towards a minor or incapacitated adult, she must act the part of a lawful father of such person in performing the duty of providing for him, intending thereby to take the place of the father in this particular.

(c) In order to receive the benefits of the Act in question, she must have occupied the status toward a particular deceased member of the military or naval forces "for the year prior to the commencement of his service in such forces".

The records indicate that the late Private, first class, Bernard Barry was 31 years of age when he enlisted in the Army for service during the World War and at that time his father was living. As there is a positive showing that the soldier in question was not incapacitated either mentally or physically at the time of his entry into the military service; that he was more than 21 years of age when he enlisted, and his father was living at the time, it is not possible for his sister to have stood in loco parentis to him for the year immediately preceding the commencement of his service in the Army. It is therefore regretted to advise that it does not appear that the relationship of mother within the meaning of the Act has been established.

Dear Madam:

Your attention is invited to the enclosed copy of an Act of Congress approved March 2, 1929, entitled an Act "To enable the mothers and widows of the deceased soldiers, sailors and marines of the American forces now interred in the cemeteries of Europe to make a pilgrimage to these cemeteries".

The records of this office show that you are the *sister of*
the late Private, first class Bernard Barry, Co. C, 165th Inf., 42nd Div.,
whose remains are now interred in the Oise-Aisne American Cemetery,
Seringes-et-Mosles, Aisne, France.

Will you please advise this office whether or not he is survived by a mother or widow who is entitled under the provisions of the above quoted Act, to make the pilgrimage, and if so, will you please furnish the full names and addresses of the mother and widow in order that action may be taken to extend invitations to them to make the pilgrimage. Both mothers and widows are entitled to make the pilgrimage.

Your attention is particularly invited to Section 4 of the enclosed Act, which defines the terms "mother" and "widow". If the relative is a stepmother, mother through adoption, or any woman who stood in loco parentis to the decedent, a statement as to her relationship is requested. If he was survived by a widow who has since remarried it is also requested that a statement to that effect be made.

For your reply, you may use the enclosed envelope which requires no postage.

New York City.

Dear Madam:

Receipt is acknowledged of your letter of July 10, 1929, relative to your eligibility to visit the grave of your brother, the late Private, first class, Bernard Barry, Co. E, 165th Infantry, who is buried in the Oise-Aisne American Cemetery in France.

It is noted you request this privilege under the provisions of Section 4 (a) of the Act approved March 2, 1929, which states in part "for any woman who stood in loco parentis to the deceased member of the military or naval forces". In determining who is meant by the phrase "who stood in loco parentis" this phrase has been given its usually accepted legal meaning and it has been held that:

- (a) A person cannot stand in loco parentis to an adult who is not incapacitated either mentally or physically.
- (b) In order for a woman to occupy such a status towards a minor or incapacitated adult, she must act the part of a lawful father of such person in performing the duty of providing for him, intending thereby to take the place of the father in this particular.
- (c) In order to receive the benefits of the Act in question, she must have occupied the status toward a particular deceased member of the military or naval forces "for the year prior to the commencement of his service in such forces".

The records indicate that the late Private, first class, Bernard Barry was 31 years of age when he enlisted in the Army for service during the World War and at that time his father was living. As there is a positive showing that the soldier in question was not incapacitated either mentally or physically at the time of his entry into the military service; that he was more than 21 years of age when he enlisted, and his father was living at the time, it is not possible for his sister to have stood in loco parentis to him for the year immediately preceding the commencement of his service in the Army. It is therefore regretted to advise that it does not appear that the relationship of mother within the meaning of the Act has been established.

For The Quartermaster General,

Very truly yours,

A. D. HUGHES,
Captain, Q. M. Corps,
Assistant.

Dear Madam:

The records of this office do not indicate that a reply has been received to our communication dated June 20, 1929 making inquiry concerning the name and address of the mother and widow of the deceased service man above named. These addresses are desired with a view to ascertaining the number of mothers and widows who desire to make a pilgrimage to the cemeteries of Europe in which the remains of their sons and husbands are interred.

Will you please fill in the answers to the following questions in the space provided on this letter, and return the letter to this office in the enclosed envelope which requires no postage?

Write answers in space below

1. Is the deceased survived by a widow who has not since remarried? If so, give her complete address:

2. If he is survived by a mother, stepmother, mother thru adoption, or any other woman who stood in loco parentis to him, according to the terms of Section 4 of the enclosed Act, give her name, address, and relationship in the space opposite.

3. If survived by a widow or mother does she desire to make the pilgrimage?

Dear Sir:

Reference is made to your letter of July 25th, relative to erecting a suitable headstone in the family burial ground to the memory of the late Bernard Barry, a World War veteran, and at the grave of his father, the late Thomas Barry.

The records of this office show that the remains of the late Bernard Barry, Co. C, 165th Infantry, are now interred in the American Cemetery, at Oise-Aisne, France.

The American Cemeteries in Europe, eight in number, will be perpetually maintained by the United States Government and have been beautified with trees, shrubs, lawns and walks, making them a fitting final resting place for our soldier dead.

The grave of the late Bernard Barry is marked with a white marble cross, inscribed with the name of this soldier, his rank, regiment, division, date of death and the State from which he came, these headstones being erected without necessity for any special action or request on the part of the relatives.

In view of the above, this Government can not erect a marker in the family burial ground of this deceased veteran. Neither is there any provision of law to erect a headstone at the grave of his father, the late Thomas Barry, in view of the fact that he had no military service, either regular or volunteer.

I trust, however, that the information given relative to the grave of this deceased veteran will be pleasing and somewhat of satisfaction to his family.

For The Quartermaster General,

Very truly yours,

JOHN T. HARRIS,

Dear Madam:

Your attention is invited to the enclosed copy of an Act of Congress approved March 2, 1929, entitled an Act "To enable the mothers and widows of the deceased soldiers, sailors and marines of the American forces now interred in the cemeteries of Europe to make a pilgrimage to these cemeteries".

The records of this office show that you are the sister of the late Private, first class Bernard Barry, Co. C, 165th Inf., 42nd Div., whose remains are now interred in the Oise-Aisne American Cemetery, Seringes-et-Nesles, Aisne, France.

Will you please advise this office whether or not he is survived by a mother or widow who is entitled under the provisions of the above quoted Act, to make the pilgrimage, and if so, will you please furnish the full names and addresses of the mother and widow in order that action may be taken to extend invitations to them to make the pilgrimage. Both mothers and widows are entitled to make the pilgrimage.

Your attention is particularly invited to Section 4 of the enclosed Act, which defines the terms "mother" and "widow". If the relative is a stepmother, mother through adoption, or any woman who stood in loco parentis to the decedent, a statement as to her relationship is requested. If he was survived by a widow who has since remarried it is also requested that a statement to that effect be made.

For your reply, you may use the enclosed envelope which requires no postage.

With reft to Bernard Barry, deceased veteran, who
served in Company 165th Inf. File no. (X636670)
also deceased father of veteran (Thomas Barry)
Dear Sir,

In a letter received from the Veteran's
Bureau, Washington of July 5th 1929 I am directed
to call your attention to the following:—

This veteran's father laid down in his
will that a suitable headstone was to be
erected in the family Burial ground to the memory
of his brave son and himself.

As all benefits ceased on the death
of the veteran's father and as he left no capital
to carry out this wish I think it is only fair
and proper that I should ask your
Government to contribute something
towards erection of a suitable headstone
to the memory of this veteran who gave his
young life so freely for the services of your
great State.

Naturally, this poor father was
anxious that the bravery of his son should
get some mark of respect in his native place
therefore, I trust in your generosity and
cooperation in this matter.

Earnestly hoping you will give this
matter your attention and thanking you.

Respectfully yours
Michael McKiernan.
