Dear Sir:

Receipt is acknowledged of your letter of May 15, 1929, furnishing information requested by this office relative to the Gold Star Mothers' and Widows' Pilgrimage to Europe, authorized by the Act of Congress approved March 2, 1929.

It is assumed you desire the privilege of making this pilgrimage for the sister of the late Private George A. Bauer, under the provisions of Section 4 (a) of the Act, which states in part "or any woman who stood in loco parentis to the deceased member of the military or naval forces". In determining who is meant by the term "who stood in loco parentis", this phrase has been given its usually accepted legal meaning and it has been held that:

(a) A person cannot stand in loco parentis to an adult who is not incapacitated either mentally or physically.

(b) In order for a woman to occupy such a status towards a minor or incapacitated adult, she must act the part of a lawful father of such person in performing the duty of providing for him, intending thereby to take the place of the father in this particular.

(c) In order to receive the benefits of the Act in question, she must have occupied the status toward a particular deceased member of the military or naval forces "for the year prior to the commencement of his service in such forces".

The records indicate that the late Private Bauer was 22 years and 7 months of age when he enlisted in the Army for service during the World War. There is a positive showing that he was not incapacitated either mentally or physically at the time of his entry into the military service and that he was more than 21 years of age when he enlisted. Therefore, I regret to advise that his sister is ineligible within the meaning of the Act to make this pilgrimage at the expense of the Government.

Very truly yours,
