F. P. BALL, M.D.

BINGHAM, ME.

March 28, 1933

Attending Surgeon  
Room 2113, 225 W. 34th St.  
New York City

Dear Doctor:

I have been requested by Mrs. Jas. Bean, of Moscow, Me.,  
P.O. address - Bingham, Me., to write you concerning her  
physical condition.

This lady is a bit overweight and suffers periodically  
from Asthma. She also has a blood pressure running a little  
under 200. However, she has had both of these for years and  
I fancy the voyage will help her a bit. I have used adrenaline  
on her once or twice but it upsets her quite a little. Hope  
you get all the mothers and their symptoms over and back safely.  
As I remember, when they shipped me over as a buck private, my  
family physician did not furnish a medical history. Glad to do  
anything possible for this or any other case.

Yours very truly,

F.P.BALL, M.D.

PARTY "B"  
May 22, 1933

Mrs. James Beane,  
Bingham,  
Maine.

Dear Madam:

Upon your arrival in New York City you will be met at the railroad station by an Army Officer who will engage porter service to take care of your baggage and escort you to the hotel. During your sojourn here before sailing for Europe and upon your return from Europe, you will stop at the Hotel McAlpin, 34th Street and Broadway, New York City.

The two tags and four identification pasters accompanying this communication are intended to protect your baggage while in transit. One tag should be attached to the handle of each piece of your baggage and a paster placed on each end of each piece of your baggage before leaving your home. Your baggage will be safer and also more readily available to you after your arrival in New York if it is placed with you on the train.

All mail intended to reach you between June 7th, 1933, the day you sail from the United States, and June 29th, 1933, the day you leave Europe, should be addressed to you in care of American Pilgrimage, 20 Rue Molitor, Paris (16), France; for example:

Mrs. Mary Smith,  
c/o American Pilgrimage,  
20 Rue Molitor,  
Paris (16), France.

The party you are to travel with will be disbanded in New York City on the day following your return from Europe and all arrangements for your Pullman accommodations will be made with the railroads in advance by this office. This will require you to remain in New York at the hotel over night as a guest of the United States Government.

Information relative to the cemeteries in Europe is enclosed herewith.

Very truly yours,

GEORGE F. R. TAYLOR,

EXCERPT FROM LIAISON REPORT    PARTY B    EAST & WEST

Mrs. Mike Lavance who speaks Hungarian only, complained that people were laughing at her. By employing an interpreter I found out that she was attributing all expressions of mirth by laughter in her presence, to amusement of others at herself.

June 10th.

Mrs. Mike Lavance was suffering with a toothache. After treatment she felt better.

June 8th.

As a result of Mrs. Del Bove being alone in Cabin B-16, an amusing incident occurred. It was first brought to my attention by a Room Steward who told me that Mrs. Alimando Cardosi was moving in with Mrs. Del Bove. I found Mrs. Cardosi already established with Mrs. Del Bove in Cabin B-16, and immediately took her and her luggage back to her proper Cabin A-47.

THE FOLLOWING patients were treated medically at the doctor's office or in their cabins:

Mrs. Lilly Combs      Diabetes - diet being regulated by doctor. Urine examination shows no sugar. Condition very good

Mrs. J. Beans      In bed with a slight cold. She has abdominal hernia, but ship's nurse made an abdominal binding for her and is now doing nicely.

Mrs. Ollie Guin      Confined to cabin with a sore throat - nothing serious

June 8th - Mrs. Shellenbarger was somewhat seasick today but was treated by doctor and seems much better tonight.

July 2nd. The following treated by doctor today:

Mrs. Ollie Guin - hurt by fall in Paris

Mrs. Bossie Shellenbarger - seasick

Mrs. James Beane,

Bingham, Maine.

Dear Madam:

The Act of Congress of March 2, 1929, as amended May 15, 1930, authorizes pilgrimages to the cemeteries Of Europe during the years 1930, 1931, 1932 and 1933 for the mothers and widows of deceased members of the American forces who were lost or buried at sea or whose remains are interred in Europe.

Your attention is particularly invited to the fact that this is the last opportunity you will have to make the pilgrimage under the provisions of the above mentioned Act. Unless you take advantage of this LAST chance to make a trip in 1933 you will receive no benefit from the Act. There is no provision of law which will permit the Government to make a money allowance to any mother or widow who does not choose to make the pilgrimage.

IT IS REQUESTED THAT YOU GIVE THE MATTER YOUR MOST CAREFUL CONSIDERATION BEFORE REACHING A DECISION, BEARING IN MIND THAT THIS IS THE LAST OPPORTUNITY YOU WILL HAVE TO MAKE THE TRIP AT GOVERNMENT EXPENSE.

In order to assure proper and satisfactory accommodations for the mothers and widows making the journey in 1933, reservations for steamship transportation must be made by this office several months in advance. It is requested that you answer the questions below by writing "Yes" or "No" or "Undecided" in the blank space following the question. When you have answered the question, sign your name and return this sheet in the enclosed addressed envelope which requires no postage. PLEASE DO NOT DELAY, as it is essential that the information be in this office promptly.

This letter is being sent to all eligible mothers and widows who did not make the pilgrimage during the years 1930, 1931 or 1932. There is enclosed a circular of information WHICH YOU SHOULD READ VERY CAREFULLY BEFORE MAKING YOUR DECISION.

For The Quartermaster General,

Very truly yours,

The Act of Congress of March 2, 1929, as amended May 15, 1930, authorizes pilgrimages to the cemeteries of Europe during the years 1930, 1931, 1932 and 1933 for the mothers and widows of deceased members of the American forces who were lost or buried at sea or whose remains are interred in Europe.

Your attention is particularly invited to the fact that this is the last opportunity you will have to make the pilgrimage under the provisions of the above mentioned Act. Unless you take advantage of this LAST chance to make a trip in 1933 you will receive no benefit from the Act. There is no provision of law which will permit the Government to make a money allowance to any mother or widow who does not choose to make the pilgrimage.

IT IS REQUESTED THAT YOU GIVE THE MATTER YOUR MOST CAREFUL CONSIDERATION BEFORE REACHING A DECISION, BEARING IN MIND THAT THIS IS THE LAST OPPORTUNITY YOU WILL HAVE TO MAKE THE TRIP AT GOVERNMENT EXPENSE.

In order to assure proper and satisfactory accommodations for the mothers and widows making the journey in 1933, reservations for steamship transportation must be made by this office several months in advance. It is requested that you answer the questions below by writing "Yes" or "No" or "Undecided" in the blank space following the question. When you have answered the question, sign your name and return this sheet in the enclosed addressed envelope which requires no postage. PLEASE DO NOT DELAY, as it is essential that the information be in this office promptly.

This letter is being sent to all eligible mothers and widows who did not make the pilgrimage during the years 1930, 1931 or 1932. There is enclosed a circular of information WHICH YOU SHOULD READ VERY CAREFULLY BEFORE MAKING YOUR DECISION.

For The Quartermaster General,

Very truly yours,

CHAS. W. DIETZ,

Beane, Stanley A. 1764 M

Mrs. James Beane,  
Bingham, Maine.  
Dear Madam:

This letter, which contains general information regarding the pilgrimage to the cemeteries of Europe, is being sent to each mother and widow who has expressed a desire to make the pilgrimage during the calendar year 1930. The general plan for the conduct of the pilgrimage is shown in the Pilgrimage Regulations, a copy of which is enclosed herewith. In addition to the information shown in the regulations, the following explains in detail some of the most important things connected with the pilgrimage.

Formal invitations are being extended to each mother and widow who has expressed a desire to make the pilgrimage during 1930. In so far as practicable, these invitations are being extended with a view to keeping the women from each state together and the order in which the invitations to the women from the several states are issued is based on a drawing by lot which was held about one month ago. Inclosed with each invitation is a card for acknowledgment and it is quite important that you accept or decline this invitation promptly in order that the necessary railroad, steamship and hotel reservations may be arranged. The government will defray all the necessary expenses of the pilgrimage, including railroad fare, hotel accommodations, steamship fare and all other incidental expenses. It will not provide anything other than the necessary expenses so that you should bring with you such funds as you may desire to use for making small purchases and for other uses distinctly of a personal nature.

Arrangements have been made with the American Railroad Association which assures us the united support and cooperation of all of the railroads in the United States in handling the movement to and from New York City. The local ticket agent will secure your railroad and sleeper ticket and will make the necessary pullman reservations. Before your departure from your home we will mail you a check, sufficient to pay for your meals and other travelling expenses while enroute to New York. Your railroad ticket will provide for a round trip from your home to New York and upon arrival in New York the army officer in charge of the New York office will collect the return trip stub and hold it until your return to New York from Europe.

Upon arrival in New York, you will be met by an army officer

and escorted to a first class hotel where reservations have been made. The duration of your stay in New York will be from 24 to 48 hours. At the proper time, you will be escorted to the steamship upon which passage has been engaged for Europe. All of the women making this trip will be provided with cabin class accommodations aboard steamers which means that from two to four will be quartered in the same stateroom. If you have any friend that you would like to be quartered with we will endeavor to arrange it if you will communicate with this office.

The ocean voyage will last about 8 days and when the ship docks at Cherbourg, France, each party will be met by officers especially detailed for the purpose and taken in a special train to Paris where first class hotel accommodations have been reserved. The first day in Paris will be a day of rest. On the 2d day, the women of each party will place a wreath on the tomb of the French unknown soldier. In the afternoon there will be a reception in which the French war mothers, government officials, and prominent civilians will participate. The following morning the groups going to the different cemeteries will leave Paris, travelling in motor busses, and proceed to the cemeteries where they will remain for about 7 days. Twenty-five women will be assigned to each bus and an army officer will have charge of the bus. The itineraries to and from the cemeteries and the daily itineraries while at the cemeteries have been varied so as to take in points of historical interest as well as some parts of the battlefields where American troops were engaged. Upon return to Paris, each party will remain for about 5 days and during this time an opportunity will be given to see the points of historical interest in Paris and vicinity. The entire duration of your stay in Europe will be 14 days, and the itineraries have been so arranged that each day will be provided for. Except in case of illness or other unavoidable cause it will not be possible for any woman making the pilgrimage to remain in Europe for a longer period than 14 days nor to leave the party with which she is travelling unless she is prepared to pay all of her expenses after leaving the party since the Act of Congress authorizing the pilgrimage specifically states that the government shall not pay the expenses of any woman who willfully leaves her party.

Upon return to the United States each ship will be met in New York City by army officers who will escort the mothers and widows to the trains which will take them home. Before leaving New York each woman will be provided with her return railroad ticket, a sleeping car ticket and funds to cover the cost of meals and other travelling expenses.

Army officers are being used as guides and escorts throughout this entire movement and care has been taken to select officers who will see that proper care is taken of the women who are entrusted to their charge. Arrangements have been made for taking care of women who may be taken sick during the pilgrimage and also to care for the remains of any who may die and provision has been made for returning the remains of any who may die to their homes. It is essential that each woman making the pilgrimage furnish The Quartermaster General with an emergency address of some relative or friend to be notified in the event of an emergency. Medical care will be provided by civilian agencies. If such care is needed in New York City it will be furnished by the hotel physicians or

by local hospitals. Aboard ship, medical care will be provided by the ship's doctors and in Paris arrangements have been made with the American Hospital for the hospitalization and treatment of any women who may need it. In addition to this, six doctors of the regular army will be on duty throughout the pilgrimage.

Baggage will be limited to not to exceed two pieces of hand baggage and the articles taken should be such as will be required for a trip of about one month. Laundry service can be obtained in New York and Paris. Since the climate of Europe is much colder than that of the United States, each woman should provide herself with sufficient warm clothing to stand the motor bus trip and the visit to the cemeteries.

Since it is necessary for this office to make all reservations for your accommodations throughout this pilgrimage, it will be greatly appreciated if you will make prompt reply to any communications received from this office.

For The Quartermaster General:

Very truly yours,

A. D. HUGHES,  
Captain, Q. M. Corps,  
Assistant.

4. BEANE, 67842, Stanley A., corporal, company E, 103rd Infantry, was reported K/A on CC-209. BEANE, 679000, James T., corporal, company E, 103rd Infantry, was reported K/A on CC-261. But CC-298 N.P.W. states - Corporal James T. BEANE, 679000 was erroneously reported in CC-261 and correctly reported in CC-209 as Stanley A. Beane, 67842. Therefore, it seems as if there exists only the one case, that described in subject under caption 4.

2. G.R.S. Form 16 for D-11972 gives BEANE, 67842, S.A., corporal, company E, 103rd Infantry, reburied June 4th, 1919 from plot #67, Myers, Bouresches Station, grave #16, into grave #128, plot #3, section B, cemetery #1764.

3. Revised Form 1-A, D-20279, records BEANE, 679000, James T., corporal, company E, 103rd Infantry, in grave #128, plot #3, section B.

4. BEANE, 67842, Stanley A., corporal, company E, 103rd Infantry, was reported K/A on CC-209. BEANE, 679000, James T., corporal, company E, 103rd Infantry, was reported K/A on CC-261. But CC-298 S.P.W. states - Corporal James T. BEANE, 679000 was erroneously reported in CC-261 and correctly reported in CC-209 as Stanley A. Beane, 67842. Therefore, it seems as if there exists only the one case, that described in subject under caption A.

5. The Revised Form 1-A, D-20279, has been corrected to read BEANE, 67842, Stanley A.

6. A copy of this memorandum is being sent to the Investigation and Adjustment Department in order that the Paris Office may be notified to correct its records.

Bingham, Me.  
August 13, 1919.

To the Adjutant General.

Your letter just received, will say in regard to my son's burial, I have been informed that my son, Corporal Stanley A. Beane, 103rd Infantry, has been moved from where he was first buried and that he is now in a cemetery where it is well guarded and kept in good condition and everything is kept up as it should be, flowers and marked and if that is the case his wishes would be to stay there. When he went away he said should he never come back, let me lay where all good soldiers lay. He was a noble son and I want his wishes to be carried out. I have been told that I should receive pictures of his grave, have never received any of them. If he has not been buried in a cemetery please let me know as soon as you receive this as I want to know it will change everything.

Mrs. James L. Beane.

If buried in a good cemetery, let the body remain, if not send it to me.

Mrs. James L. Beane,

Graves Registration Service, October 2nd, 1919. TO: A.G.O. War Dept.  
6th & B Sts. Washington, D.C.

1.- The body of this soldier has recently been transferred to grave 128, section B, Plot 3, American Concentration Cemetery, at Lailou, Department of Aisne. No definite designation of permanent cemetery in France has yet been permitted by the Secretary of War. However, the concentration points selected by the Graves Registration Service have been chosen with the view to perpetuating the memories of definite historical campaigns. Further action in relation to a permanent cemetery will doubtless be governed to some extent by the number of bodies which are to remain in France, but the location of this particular cemetery has much to commend it for permanent retention.

2.- Whatever decision is reached the writer may be assured that if the body remains in France it will be cared for in a cemetery which receives every mark of honor which a grateful Government can bestow.

3.- With reference to photographs, this matter is now receiving the attention of the Red Cross Photographic Section which is attached to this office and distribution is being made as rapidly as conditions warrant.

By authority of the Quartermaster General:

CHARLES C. PIERCE,  
Colonel, U.S. Corps,  
Chief, Graves Registration Service.

War Dept., A.G.O., September 27, 1919.--To the Graves Registration Service, Quartermaster General's Office, Washington, D. C.

2. The writer has been advised of this reference.

 SUBJECT: In re Stanley A. Beane.

1. In reply to your letter of August 13th, relative to the burial place of your son, Stanley A. The card Form 3-6713, upon which you indicated your wishes with respect to the final disposition of the body of your son, has been placed on file in this office for future reference.
